

ORDINANCE NO.

AN ORDINANCE AMENDING CANNABIS REGULATIONS
IN ARTICLE V, DIVISION 2, AND ARTICLE VI, DIVISIONS 2 AND 3,
OF CHAPTER 36, TO AMEND LAND USE AND PERMITTING REQUIREMENTS
TO PROHIBIT STOREFRONT RETAIL CANNABIS BUSINESSES WITHIN THE CITY

WHEREAS, Chapter 36 in the Mountain View City Code sets forth a procedure whereby the City can adopt Zoning Text Amendments; and

WHEREAS, said Chapter 36 of the Mountain View City Code requires that both the City's Environmental Planning Commission and City Council hold a duly noticed public hearing before the Zoning Text Amendments are adopted; and

WHEREAS, on April 24, 2019, the Environmental Planning Commission held a duly noticed public hearing and thereafter forwarded its recommendation to the City Council to adopt the Zoning Text Amendments; and

WHEREAS, on June 11, 2019, having given notice as required by Chapter 36 of the Mountain View City Code, the City Council held public hearing to consider the Zoning Text Amendments;

THE CITY COUNCIL OF THE CITY OF MOUNTAIN VIEW DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. Council Findings. The City Council finds and determines, at a duly noticed public hearing on June 11, 2019, that the following Zoning Text Amendments are consistent with the General Plan of the City of Mountain View based upon the following findings made pursuant to Section 36.52.60 of the City Code:

a. The Zoning Text Amendments are consistent with the General Plan because establishing land use and permitting requirements for nonstorefront cannabis businesses furthers the policy of minimizing conflicts between different land uses (Policy LUD 3.4); and

b. The Zoning Text Amendments will not be detrimental to the public interest, health, safety, convenience, or welfare of the City because the adoption of these amendments is consistent with Proposition 64 and State law regarding cannabis businesses; and

c. The Zoning Text Amendments are internally consistent with Chapter 36 of the Mountain View City Code; and

d. The Zoning Text Amendments are exempt from the California Environmental Quality Act (CEQA) per Section 26055(h) of the Business and Professions Code, which states, "Division 13 (commencing with Section 21000) of the Public Resources Code does not apply to the adoption of an ordinance, rule, or regulation by a local jurisdiction that requires discretionary review and approval of permits, licenses, or other authorizations to engage in commercial cannabis activity"; and

e. The following Zoning Text Amendments are in conformity with the procedures set forth in Chapter 36, Article XVI, Division 13, of the Mountain View City Code whereby the City may amend the City's Zoning Ordinance.

Section 2. Article V, Division 2 of Chapter 36 of the Mountain View City Code is hereby amended to read as follows:

c. Allowed subject to approval of a temporary use permit ("TUP") (Sec. 36.46).

Such uses can only be allowed in other zoning district(s) upon approval of a text amendment as provided by Sec. 36.52.35 (Zoning Amendments). DIVISION 3. - STANDARDS FOR SPECIFIC LAND USES

SEC. 36.20.10. - General.

The following land uses have specific regulations pertaining to operations and development standards applicable to both the ML and MM zoning districts:

a. **Crop, tree farming, livestock.** Crop and tree farming and livestock of the cow, horse, sheep or goat species is permitted in the ML and MM districts, where at least ninety (90) percent of the acreage required by Chapter 5 of the City Code is open and unimproved, and subject to the provisions of that chapter.

b. **Restaurants with or without liquor or live entertainment.** Restaurants and other establishments providing entertainment, or permitting dancing or serving liquor for consumption on the premises which will not impair the present or potential use of adjacent or nearby properties are conditionally permitted in the ML and MM districts.

c. **Retail commercial.** Appropriate retail commercial and service uses are conditionally permitted in the ML and MM districts, such as cafés or service stations necessary to serve those districts.

d. **Warehouse retail.** Warehouse retail stores which meet the following criteria are conditionally permitted in the ML and MM districts:

1. The building and site design shall complement the surrounding industrial development. It shall be comparable to the architectural and design quality expected of new buildings in the area, including quality of materials, building design, building orientation, site design, landscaping and buffering. The building shall reflect the retail aspect of the use by incorporating storefront features such as facade ornamentation and special detailing which identify the entryway and provide pedestrian-level interest to the facade.

2. Warehouse retail uses shall comply with the basic site development regulations of the ML or MM district, regarding area and yard requirements, landscaping, screening, etc., unless otherwise described in this section. The zoning administrator shall evaluate sign needs and determine the size, height, lighting, shape, color, number and location of signs based on the CRA standards in Sec. 36.36.55.

3. Warehouse retail buildings and facilities shall be screened or buffered, as appropriate, to ensure compatibility with adjacent land uses. Particular attention shall be given to screening or providing buffers for parking, loading and storage areas, trash containers, auto service areas, areas with high noise levels, and other features that are visible or can be heard from off-site.

4. When evaluating applications for warehouse retail uses near residential areas, particular attention shall be given to the potential traffic, noise, visual and other effects of warehouse retail uses on the residential uses.

5. Retail commercial parking requirements, including number and design standards, shall apply unless the zoning administrator grants exceptions or imposes special requirements based on the nature of this use. The zoning administrator shall specifically consider the impacts of the use and parking of shopping carts on the parking lot design.

6. The zoning administrator may approve shared parking with an adjoining industrial use if compatible hours of operation can be proven and deed restrictions, long-term parking agreements or other legally binding instruments are recorded.

7. Because of high on-site pedestrian and auto activity, the design shall include clearly defined building entrances, specially designated areas to accommodate customer pickup, and pedestrian walks from the parking areas to the building.

8. The use shall be allowed in P (planned community) districts that reference the ML or MM district, provided that the applicable precise plan specifically lists warehouse retail as a conditional or provisional use.

9. The use shall be located only on streets where there is adequate traffic capacity.

e. **Churches.** Churches and religious uses where it is demonstrated that they are convenient and in close proximity to residential neighborhoods are conditionally permitted in the ML and MM districts.

f. **Drive-up or drive-in services.** Any use which has as a part of its design or function drive-up or drive-in services are conditionally permitted in the ML and MM districts, where special attention has been given to mitigate problems of noise, air pollution, excessive pavement, congestion, litter, unsightliness and access to the disabled.

g. **Child-care centers and highly sensitive uses .** No new child-care facility(ies) or highly sensitive use(s) shall be permitted in the ML or MM districts with the following exception where both subsection 1.a. and 1.b. can be met:

1. A child-care facility may be permitted if it meets all of the following requirements:

(a) **Operation.** The child-care facility is owned, operated and located on a company's site and exclusively serves parents employed in the company.

(b) **Adjacent uses.** The child-care facility is located at least one thousand (1,000) feet from the boundaries with adjacent properties zoned for industrial use or the adjacent property owner(s) agree(s) in writing to prohibit the use of extremely hazardous material on their property and notify any tenants of this restriction.

(c) **Conditional use permit.** The child-care facility received conditional use permit approval as provided in City Code Sec. 36.48. The conditional use permit shall be in effect only while the same company occupies the site.

2. **Specific district requirement for the ML district only.** The portion of the ML district along Polaris Avenue and Wright Avenue may be considered for highly

sensitive uses subject to a conditional use permit as provided in Sec. 36.48, except that all ML properties in the vicinity must receive public notice of the hearing in addition to standard noticing requirements.”

Section 4. The provisions of this ordinance shall be effective on July 25, 2019.

Section 5. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be unconstitutional, such decision shall not affect the validity of the other remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional.

Section 6. Pursuant to Section 522 of the Mountain View City Charter, it is ordered that copies of the foregoing proposed ordinance be posted at least two (2) days prior to its adoption in three (3) prominent places in the City and that a single publication be made to the official newspaper of the City of a notice setting forth the title of the ordinance, the date of its introduction, and a list of the places where copies of the proposed ordinance are posted.
