Mayor Hicks, Vice Mayor Showalter and Mountain View City Council members:

Please see to it that MV residents are well-informed and given an opportunity to weigh in on the \$1.2 million Metropolitan Transportation Commission grant to help fund the rewriting of MV's Downtown Precise Plan BEFORE MV City Council votes on this.

I understand that the grant presumes a rezoning for a MINIMUM of 50 dwelling units/acre of residential and a MINIMUM floor area ratio of 2.0 for office projects, which may greatly impact the historic district of our downtown, on Castro, between CA Street and Evelyn.

It is very important to me and to many other MV residents to maintain the historic ambiance of Mountain View's downtown.

Thank you for your consideration,

Alice Martineau
