

CITY OF MOUNTAIN VIEW  
RESOLUTION NO.  
SERIES 2017

A RESOLUTION CONDITIONALLY APPROVING A PROVISIONAL USE PERMIT TO ALLOW A SHARED WORKSPACE USE AT THE NEIGHBORHOOD CORNER IN A NEW APARTMENT DEVELOPMENT LOCATED AT 2700 WEST EL CAMINO REAL

WHEREAS, an application was received from SummerHill Homes for a Provisional Use Permit to allow a new shared workspace use at the Neighborhood Corner in a new mixed-use development located at 2700 West El Camino Real (Application No. 206-16-PCZA); and

WHEREAS, the Environmental Planning Commission held a public hearing on June 7, 2017 on said application and recommended the City Council conditionally approve the Provisional Use Permit subject to the findings and conditions of approval enclosed; and

WHEREAS, the City Council held a public hearing on June 27, 2017 on said applications and received and considered all evidence presented at said hearing, including the resolutions and project materials from the Environmental Planning Commission and City Council report and materials;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Mountain View finds:

1. The Provisional Use Permit for to allow a new shared workspace use at the neighborhood corner is conditionally approved based upon the conditions contained herein and upon the following findings pursuant to Section 36.48.25 of the City Code:

a. The proposed use is conditionally permitted within the El Camino Real Precise Plan and complies with all of the applicable provisions of the Zoning Ordinance, including a required commercial use in the Neighborhood Corner which provides a small neighborhood-oriented commercial space. The shared workspace use will provide office space to individuals in the neighborhood and caters to the changing needs of office and workspace requirement;

b. The proposed use is consistent with the Mixed-Use Corridor Land Use Designation of the General Plan;

c. The location, size, design, and operating characteristics of the proposed use are compatible with the site and building character and environmental conditions of

existing and future land uses in the vicinity because the proposed project and surrounding uses are residential in nature and will support office space requirement for individuals and the community at large;

d. Any special structure or building modifications necessary to contain the proposed use would not impair the architectural integrity and character of the Precise Plan in which it is to be located because the use is proposed in a new tenant space being created as part of the new residential development, the proposed uses are provisionally allowed, and the design substantially addresses architectural standards and design guidelines; and

e. The approval of the Provisional Use Permit for the proposed use complies with the California Environmental Quality Act (CEQA) because an Initial Study of Environmental Significance was prepared pursuant to Section 15168 of the CEQA Guidelines and found, with implementation of the El Camino Real Precise Plan standards and guidelines, standard Conditions of Approval, State regulations, and mitigation measures identified in the El Camino Real EIR (2014) and the Mountain View General Plan and Greenhouse Gas Reduction Program EIR, the project would not result in any new environmental impacts beyond those evaluated in the EIRs.

NOW, THEREFORE, BE IT FURTHER RESOLVED by the City Council of the City of Mountain View that the Provisional Use Permit for said project is hereby granted subject to the developer's fulfillment of all the conditions which are attached hereto as Exhibit A and incorporated herein by reference.
