Update from PSAB Subcommittee on  
Racial and Identity Profiling Act Data

May 26, 2022

# Overview

- Background
- Subcommittee Scope
- Work Plan & Status
- Next Steps

- June 24, 2021 & August 26, 2021 Research Fellow Stevenson's presentations to PSAB on analysis of traffic stop data
- September 28, 2021 Council Adopted Work Plan Item
- February 24, 2022 Review of Racial and Identity Profiling Act
- February 24, 2022 Formation of PSAB Subcommittee

## Subcommittee Scope

- Purpose
  - Help identify opportunities to engage the public and provide input on the analysis of RIPA data
- Focus
  - Gain from “line level,” supervisory and data analyst’s perspectives to further the Subcommittee’s ability to make effective recommendations to the PSAB.
  - Review existing RIPA data
  - Explore ways to make MVPD data open and available to the public
  - Advise MVPD on ways to partner with the community to determine additional data sharing that may be useful in the future
- Approach and Timeline
  - Gather information about RIPA data/process- to include collection, submission and data itself (est. Summer 2022)
  - Engage with community and solicit feedback for RIPA transparency / accessibility (est. Fall 2022)
  - Propose recommended RIPA data practices to PSAB (Winter 2022)

- Subcommittee met three times (March, April, May)
- Gained understanding of RIPA requirements and process from user level, supervisor and data analyst perspectives
- Examined the first data submission

- Set up shared drive to coordinate subcommittee work
- Identify community groups / key stakeholders
- Draft interview questions for key stakeholders
- Schedule and conduct conversations with key stakeholders
- Continue data review
- Propose recommended RIPA data practices to PSAB
