Mountain View Environmental Planning Commission.

I'm writing in regards to the public hearing noticed scheduled for Wednesday, December 7th, 2022. I own the property at 888 and 884 N. Rengstorff Avenue in Mountain View. The lot is a little more than half an acre in size and [REDACTED]

I believe the 884 portion beyond the house should be included in the General Plan, Zoning and Precise Plan amendments related to the Housing element update.

Instead of one house on the 884 portion, a duplex could be allowed to be built on it, or maybe two small houses.

Sincerely,
Lois Hopps
