**RULES FOR SPREADING ASSESSMENT**

Each assessment shall be comprised of two components—one based on land use and the other on parcel area. Approximately, seventy-five percent (75%) of the annual assessment shall be on the basis of land use, while the remaining twenty-five (25%) of the annual assessment shall be on the basis of parcel area. The total of all assessed properties within the District is One Hundred Fifty-Eight Thousand Six Hundred Six Dollars (\$158,606).

Therefore, the ratio of total assessment is \$118,606 for land use and \$40,000 for parcel area.

**I. LAND USE COMPONENT**

This component will be based on the total number of off-street parking spaces required by a given land use according to the City of Mountain View Parking Ordinance, Section 36.37.1, Article IV of Chapter 36 of the Mountain View City Code (Appendix A). Vacant buildings will be assessed according to their most recent land use. For properties which have more than one land use, the assessment will be calculated for each land use and then added to get the total assessment for this component.

For Assessment Parcel No. 130, a credit will be given for the land use component to offset services provided to the community. The number of parking spaces assigned to the existing land use on Assessment Parcel No. 130 is zero (0).

The total number of parking spaces required within the district is 5,269. Based on the aforementioned 75 percent ratio and total land use component being \$118,606, the fee per required parking space is \$22.51015373.

**II. PARCEL AREA COMPONENT**

This component is based on the parcel area in square footage. In the case of multi-unit residential subdivisions, the area calculated will be on the square footage of the individual unit.

The total parcel area in the district is 955,786 square feet. Based on the aforementioned 25 percent ratio and the total parcel area component being \$40,000, the fee per square foot of parcel area is \$0.042421909.

**ASSESSMENT SUMMARY**

## ANNUAL RENEWAL OF THE DOWNTOWN PARKING MAINTENANCE ASSESSMENT DISTRICT (PARKING DISTRICT)

Dear Downtown Property Owner:

The City of Mountain View is undertaking the annual renewal of the Downtown Parking Maintenance Assessment District (Parking District). The Parking District has been in existence since 1979 and supports the continued maintenance and operations of downtown public parking facilities. Downtown property owners created the Parking District (Enclosure—Parking District Map) under the premise that both commercial and residential properties in the District benefit equally from the provision and maintenance of public parking facilities regardless of the use and location of the property relative to the public parking facilities and the amount of a parking provided on-site.

The purpose of the renewal is to approve the annual assessments through a City Council meeting on May 23, 2023. Each year since 1979, the assessment formula has been uniformly applied to all property owners within the Parking District. The formula is based 75% on land use parking demand and 25% on parcel area. Any increase to the fixed annual total district assessment amount of \$158,606, an expansion of the Parking District's boundaries, or a modification of the formula would trigger the requirement for a Parking District-wide vote. Staff are recommending the total assessment, formula, and Parking District boundaries remain the same as the previous year.

The Parking District continues to fund the maintenance and operations of the downtown public parking system, and the Parking District also funds the continued implementation of downtown parking projects. Current projects include the implementation of the Downtown Parking Strategy and developing temporary parking when public parking lots are under development. For more information about downtown parking, visit our website, [www.mountainview.gov/depts/comdev/economicdev/downtowndev/dtparking.asp](http://www.mountainview.gov/depts/comdev/economicdev/downtowndev/dtparking.asp). If you have any questions or need additional information, contact John Lang at [john.lang@mountainview.gov](mailto:john.lang@mountainview.gov) or 650-903-6457. Thank you for your continued support in making downtown Mountain View successful.
