Dear City Managers and County Executives of Santa Clara and Santa Cruz Counties:

In June 2017, the Cities Association of Santa Clara County (CASCC) received a Congressional request from Representatives Eshoo, Khanna, & Panetta asking the CASCC to take a leadership role in forming a regional aircraft noise roundtable. The CASCC formed an Ad Hoc Committee to build the framework of forming a roundtable that works for the region. The roundtable, conceived to include the 21 local jurisdictions of Santa Clara and Santa Cruz Counties, will work together with San Francisco Airport, Minéta San José Airport, and the FAA, and address the growing concern of aircraft noise in one of the busiest metroplex in the country.

On June 14, 2018, the Board of Directors of the CASCC, concurred that there is a critical need for an organization that convenes all of the stakeholders and has jurisdiction for citizens to be heard and approved a resolution 2018-002 "Providing for the Continuing Operation of the Santa Clara/Santa Cruz Counties Airport/Community Roundtable" which is attached.

Therefore, the CASCC is formally requesting that your jurisdiction join our effort to create the Santa Clara/Santa Cruz Airport/Community Roundtable to serve as a venue which facilitates regional collaboration regarding aircraft noise and serves our communities and constituents.

Attached for the consideration of your council or board:

- Congressional Request
- CASCC adopted Resolution 2018-002
- Roundtable FAQ
- City/County draft resolution
- MOU
- By-laws
- Funding allocation draft
- SFO Budget

The adoption of the City/County Draft Resolution is requested as well as the by-laws and MOU.

Please note: there are no changes allowed to the by-laws, MOU or resolutions as all jurisdictions are approving the same documents.

Please let us know when this will be placed on your agenda so that the CASCC may have a committee member available to assist with any possible questions.

The deadline for a response is September 28th, 2018.

Dear Ms. Benjamin,

We write to request your assistance with the establishment of a long term forum for aircraft noise concerns in the South Bay. There is a critical need in Santa Clara and Santa Cruz Counties for a permanent venue to address aircraft noise concerns and we think it is essential that this body include all currently unrepresented cities in our Congressional Districts. Because you represent each of the 15 cities within Santa Clara County, we respectfully request your assistance with developing an intergovernmental partnership between the cities in Santa Clara and Santa Cruz Counties, Norman Y. Mineta San José International Airport (SJC), and San Francisco International Airport (SFO) that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the South Bay and Santa Cruz County.

Between May and November, 2016, the Select Committee on South Bay Arrivals, a temporary committee of 12 local elected officials appointed by Congresswoman Anna G. Eshoo, Congressman Sam Farr, and Congresswoman Jackie Speier, convened meetings to receive public input and develop regional consensus on recommendations to reduce aircraft noise caused by SFO flights and airspace, and procedural changes related to the Federal Aviation Administration's Next Generation Air Transportation System. Among the many recommendations that received unanimous approval by the former Committee was the need for a permanent venue to represent currently disenfranchised communities in addressing aircraft noise concerns including, but not limited to SFO. This recommendation stems from the fact that our mutual constituents in Santa Clara and Santa Cruz Counties, do not currently belong to a permanent aircraft noise mitigation entity such as the SFO Airport/Community Roundtable.

Recently, the SJC Airport Commission voted unanimously to recommend that the San José City Council approve the establishment of a roundtable forum at SJC to address the noise impacts of the Airport's South Flow operations. While we agree with the Commission that there is a significant demand for an aircraft noise mitigation entity to represent constituents in the South Bay, it is imperative that any potential body not be confined to SJC or SFO related issues and also include representation of all affected and currently unrepresented communities in Santa Clara and Santa Cruz Counties. Although the participation by elected officials in each affected city is essential, it is critical that the establishment of such a body should not be unilaterally implemented by one city, but instead be led collectively by the entire affected region.

We've enclosed a copy of the SFO Airport/Community Roundtable's Purpose and Bylaws which can serve as a model in the South Bay. We would like the Cities Association to collect input from your membership, provide suggestions from each of the cities within your jurisdiction, and to work with the County of Santa Cruz and the Directors of SJC and SFO to develop an intergovernmental partnership modeled after the SFO Airport/Community Roundtable and referred to as the South Bay Airport Roundtable. This body should serve as the permanent

aircraft noise mitigation entity representing each city within each county, and with jurisdiction spanning aircraft noise issues including but not limited to those related to either SJC or SFO. We recommend that the FAA agree to provide technical assistance as needed, and that like the SFO Airport/Community Roundtable, SJC would be responsible for hosting and staffing meetings. To ensure equitable regional representation, each city and county should have the opportunity to appoint one Member and one Alternate who are local elected officials to serve on the body, elect their own leadership, and participate in helping to fund the effort just as the SFO Airport/Community Roundtable does. Once it is conceived, the newly formed South Bay Airport Roundtable could also work with the SFO Airport/Community Roundtable to establish a joint subcommittee to address complex overlapping issues related to the Midpeninsula.

We understand that developing solutions to aircraft noise issues is a complicated and sensitive endeavor that requires extensive engagement with constituents living in affected communities facing sometimes separate but ultimately interrelated issues. Because of this, any proposed changes to our complex airspace should not be the burden of one single city and can only be achieved fairly and effectively with a foundation of regional consensus. The establishment of a permanent South Bay entity is the fundamental prerequisite to ensuring that there is a platform to develop regional consensus upon and thereby ensure any current and future aircraft noise concerns of our mutual constituents can be adequately addressed.

We hope you will accept our request to adopt a leadership role in helping to meet this important regional need. Thank you in advance for your attention to our request and we look forward to your timely response and assistance.

Sincerely, *and gratefully,*

SAN FRANCISCO INTERNATIONAL AIRPORT/COMMUNITY ROUNDTABLE PURPOSE AND BYLAWS

A. PURPOSE

The San Francisco International Airport/Community Roundtable was established in 1981 to address community concerns related to noise from aircraft operating to and from San Francisco International Airport (SFO). This voluntary committee of local elected and appointed officials provides a forum for public officials, airport management, FAA staff, and airline representatives to address issues regarding aircraft noise, with public input. The Roundtable monitors a performance-based aircraft noise mitigation program, as implemented by airport staff, considers community concerns regarding relevant aircraft noise issues, and attempts to achieve additional noise mitigation through a cooperative sharing of authority brought forth by the airline industry, the FAA, airport management, and local elected officials.

RESOLUTION NO. 2018-002

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITIES ASSOCIATION OF SANTA CLARA COUNTY TO FORM THE SANTA CLARA/SANTA CRUZ COMMUNITY ROUNDTABLE

WHEREAS, a critical need exists in Santa Clara and Santa Cruz Counties for a permanent venue to address aircraft noise concerns and it is essential to include all unrepresented cities in these counties.

WHEREAS, In July 2017, the Cities Association of Santa Clara County received a Congressional request by Representatives Eshoo, Khanna, Panetta to take a leadership role in developing an intergovernmental partnership between the cities and counties of Santa Clara and Santa Cruz Counties, Norman Y. Minéta San Jose International Airport (SJC), and San Francisco International Airport (SFO) that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the South Bay and Santa Cruz County

WHEREAS, between May and November 2016, the Select Committee on South Bay Arrivals, a temporary committee of 12 local elected officials (Select Committee) appointed by Congresswoman Anna G. Eshoo, Congressman Sam Farr, and Congresswoman Jackie Speier, convened meetings to receive public input and develop regional consensus on recommendations to reduce aircraft noise caused by SFO flights and airspace, and procedural changes related to the Federal Aviation Administration's Next Generation Air Transportation System.

WHEREAS, among the many recommendations that received unanimous approval by the Select Committee was the need for a permanent venue to represent currently disenfranchised communities in addressing aircraft noise concerns including, but not limited to SFO. This recommendation stems from the fact that our mutual constituents in Santa Clara and Santa Cruz Counties, do not currently belong to a permanent aircraft noise mitigation entity such as the SFO Airport/Community Roundtable.

WHEREAS, on October 3, 2017, the San José City Council authorized the Ad Hoc Advisory Committee on South Flow Arrivals to explore possible solutions to address the noise impacts on residents when weather conditions over the airfield require the Airport to operate in a "south flow" configuration (when aircraft land from the north of the Airport instead of the usual landing from the south).

WHEREAS, both the Select Committee and the South Flow Ad Hoc Roundtable have disbanded, the Santa Clara/Santa Cruz Roundtable envisioned by the Cities Association would likely be viewed as an appropriate surrogate for this function in partnership with the SFO Roundtable, SFO and San Jose Minéta Airports.

WHEREAS, significant demand for an aircraft noise mitigation entity to represent constituents in the South Bay, it is imperative that any potential body not be confined to SJC or SFO related issues and also include representation of all affected and currently unrepresented communities in Santa Clara and Santa

Cruz Counties. While participation by elected officials in each affected city is essential, it is critical that the establishment of such a body should not be unilaterally implemented by one city, but instead be led collectively by the entire affected region.

WHEREAS, the [FAA's November 2017 Phase Two Report](#), the FAA reiterates it will not support solutions that result in shifting the problem of noise from one community to another. It also repeatedly identifies increased flying distance as an unacceptable outcome of many community-proposed solutions that conflict with the economic, environmental, and operational efficiency benefits gained from shorter flying distances.

WHEREAS, the FAA repeatedly points to the anticipated inevitability of increases in congestion as airports increase their number of flight operations. The report explicitly states it will not move forward on certain feasible recommendations "until issues of congestion, noise shifting and flying distance have been addressed with the airline stakeholders and the affected communities by the Select Committee and/or SFO Roundtable."

WHEREAS, each jurisdiction is just one of over 100 municipalities in the Bay Area. The ability of any single community, whether 30,000 or 60,000, to influence the complex operations of a federal agency serving a region of 8 million people is limited.

WHEREAS, the impacts of airplane noise must be considered amid the competing interests of the flying public, airline industry priorities, airport operational requirements, broader economic and environmental impacts and, above all else, safety. The successful navigation of these public interest challenges requires effective collaboration.

WHEREAS, to ensure equitable regional representation, each city and county should have the opportunity to appoint one Member and one Alternate who are local elected officials to serve on the body, elect their own leadership, and participate in helping to fund the effort just as the SFO Airport/Community Roundtable does. Once it is conceived, the newly formed South Bay Airport Roundtable could also work with the SFO Airport/Community Roundtable to establish a joint subcommittee to address complex overlapping issues related to the Midpeninsula.

WHEREAS, the Cities Association of Santa Clara County is seeking each jurisdiction of Santa Clara County and Santa Cruz County to collaborate with neighboring jurisdictions through the formation of a community roundtables to most effectively address the community impacts of aircraft operations and work with the Federal Aviation Association (FAA).

NOW, THEREFORE BE IT RESOLVED, that the Board of Directors of the Cities Association of Santa Clara County does hereby support and will initiate formation of an intergovernmental partnership between the cities and counties of Santa Clara and Santa Cruz Counties, Norman Y. Minéta San Jose International Airport (SJC), San Francisco International Airport (SFO), and the FAA, that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the Santa Clara and Santa Cruz Counties, and invite the jurisdictions, cities and counties within Santa Clara County and Santa Cruz County, to partner in the formation of the Santa Clara/Santa Cruz Roundtable.

The above and foregoing resolution was passed and adopted at a regular meeting of the Cities Association of Santa Clara County Board of Directors Meeting held on the 14th day of June 2018 by the following vote:

AYES: Christina (Campbell), Sinks (Cupertino), Leroe-Muñoz (Gilroy), Pepper (Los Altos), Waldeck (Los Altos Hills), Sayoc (Los Gatos), Grilli (Milpitas), Craig (Monte Sereno), Tate (Morgan Hill), Showalter (Mountain View), Davis (Santa Clara), Cappello (Saratoga), Klein (Sunnyvale)

SANTA CLARA/SANTA CRUZ COUNTIES COMMUNITY ROUNDTABLE FAQ

WHAT IS A ROUNDTABLE?

Roundtables function as a clearinghouse of sorts where varying interests, local through national, can be heard with the decision maker, the FAA, at the table. Per the FAA, Roundtables or advisory committees may be established by the FAA or formed by a local or state government, airport authority, or other body. Advisory committees and roundtables can bring structure to discussions of specific challenges or issues and provide a more neutral forum that can enhance the credibility and transparency of FAA's activities.

WHY IS THE CITIES ASSOCIATION OF SANTA CLARA COUNTY INVOLVED?

In July 2017, the Cities Association of Santa Clara County (CASCC) received a Congressional request by Representatives Eshoo, Khanna, Panetta to take a leadership role in forming a South Bay/South Peninsula Roundtable for Santa Clara and Santa Cruz Counties which was a recommendation from the Select Committee's work on SFO arrivals. The Board of the CASCC created an Ad Hoc Committee to consider how a new, permanent roundtable may function and operate by considering bylaws, memorandum of understandings, resolutions, and budget. CASCC Board of Directors will act on any recommendations before other jurisdictions are invited to attend.

WHY NOT JOIN THE SFO ROUNDTABLE?

SFO Roundtable is unwilling to expand their Roundtable to include members of Santa Clara and Santa Cruz Counties. Additionally, not all of the aircraft noise issues for Santa Clara and Santa Cruz Counties are related to SFO.

WHY IS THE ESTABLISHMENT OF A ROUNDTABLE IMPORTANT?

While the Select Committee and the South Flow Ad Hoc Committee have disbanded, the South Bay Roundtable envisioned by the Cities Association would likely be viewed as an appropriate surrogate for this function in partnership with the SFO Roundtable and Minéta San José Airport.

EFFECTIVE COLLABORATION IS NEEDED TO WORK WITH THE FAA

Each jurisdiction in Santa Clara County and Santa Cruz County is just one of over 100 municipalities in the Bay Area. The ability of any single community, to influence the complex operations of a federal agency serving a region of 8 million people is limited. In addition, the impacts of airplane noise must be considered amid the competing interests of the flying public, airline industry priorities, airport operational requirements, broader economic and environmental impacts and, above all else, safety. The successful navigation of these public interest challenges requires effective collaboration.

CITIES ASSOCIATION AD HOC COMMITTEE RECOMMENDATIONS

The CASCC Ad Hoc Committee is seeking each jurisdiction of Santa Clara County and Santa Cruz County to collaborate with neighboring jurisdictions through the formation of a community roundtable to most effectively address the community impacts of aircraft operations.

WHAT DOES THE FAA SAY ABOUT LOCAL GOVERNMENTS FORMING A ROUNDTABLE?

The FAA welcomes community groups initiated by local communities or governments. And believe they may serve different functions, for example, they can provide views and advice on alternatives/issues; build consensus on controversial issues; coordinate with technical groups; review/monitor agency activities; provide independent, credible feedback; and/or build a constituency around a specific need or requirement.

SANTA CLARA/SANTA CRUZ COUNTIES COMMUNITY ROUNDTABLE FAQ

WILL THE FAA PARTICIPATE?

The FAA has stated they will participate if the region forms a roundtable.

WHAT IS THE CITIES ASSOCIATION'S AD HOC COMMITTEE'S PROPOSAL?

- Mission Statement: To Address Community noise concerns and make recommendations to the Regional Airports and FAA on noise related issues.
- MOU to form organization
- Organization is similar to SFO Roundtable
- Self-fund from member jurisdictions
- Work with both SFO & San Jose Airports
- SFO Airport and Roundtable willing to collaborate
- Hire consultant or to run the organization
- Initial staff support to be supported by Cities Association of Santa Clara County
- Each member jurisdiction receives 1 vote
- Changes to bylaws require majority of members
- Non-voting members include airport, FAA, pilots' organization
- Any member may withdraw at any time with notice of intent, but forfeit their dues
- Serves as a forum for public

WHY IS THE RECOMMENDATION TO SELF-FUND THE ROUNDTABLE?

The CASCC believes there is a critical need for the formation of the Roundtable and the complexity of the metro-plex further complicates bringing all of the players to the table. By evidence, none of the airports are willingly coming forward to help with the formation. CASCC believes that formation and self-funding is just a step in the process of bringing the players to the table. The budget will be reviewed annually, and the roundtable will be able to reevaluate revenue. It is also necessary to fund the Roundtable to hire staff to professionally support the group.

WHAT IS THE BUDGET?

The Roundtable Budget is based on SFO Roundtable budget with a part-time planner/manager of the roundtable, and various consultants. After year 1, the Roundtable will re-evaluate and establish its own annual budget.

HOW WAS THE FUNDING FORMULA CREATED?

The funding formula that was originally created was similar to the Cities Association dues structure, dues in categories of city size. An elected official in Santa Cruz County proposed a dues structure based on per capita formula which is the basis for the current formula. Note: current funding allocation is a best estimate if all 21 jurisdictions participate. The table will be adjusted accordingly if not all of the jurisdictions choose to participate.

RESOLUTION NO. 18-002

A RESOLUTION OF THE City/County TO JOIN THE SANTA CLARA/SANTA CRUZ COMMUNITY ROUNDTABLE

WHEREAS, a critical need exists in Santa Clara and Santa Cruz Counties for a permanent venue to address aircraft noise concerns and it is essential to include all unrepresented cities in these counties.

WHEREAS, In July 2017, the Cities Association of Santa Clara County received a Congressional request by Representatives Eshoo, Khanna, Panetta to take a leadership role in developing an intergovernmental partnership between the cities and counties of Santa Clara and Santa Cruz Counties, Norman Y. Minéta San Jose International Airport (SJC), and San Francisco International Airport (SFO) that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the South Bay and Santa Cruz County

WHEREAS, between May and November 2016, the Select Committee on South Bay Arrivals, a temporary committee of 12 local elected officials (Select Committee) appointed by Congresswoman Anna G. Eshoo, Congressman Sam Farr, and Congresswoman Jackie Speier, convened meetings to receive public input and develop regional consensus on recommendations to reduce aircraft noise caused by SFO flights and airspace, and procedural changes related to the Federal Aviation Administration's Next Generation Air Transportation System.

WHEREAS, among the many recommendations that received unanimous approval by the Select Committee was the need for a permanent venue to represent currently disenfranchised communities in addressing aircraft noise concerns including, but not limited to SFO. This recommendation stems from the fact that our mutual constituents in Santa Clara and Santa Cruz Counties, do not currently belong to a permanent aircraft noise mitigation entity such as the SFO Airport/Community Roundtable.

WHEREAS, on October 3, 2017, the San José City Council authorized the Ad Hoc Advisory Committee on South Flow Arrivals to explore possible solutions to address the noise impacts on residents when weather conditions over the airfield require the Airport to operate in a "south flow" configuration (when aircraft land from the north of the Airport instead of the usual landing from the south).

WHEREAS, both the Select Committee and the South Flow Ad Hoc Roundtable have disbanded, the Santa Clara/Santa Cruz Roundtable envisioned by the Cities Association would likely be viewed as an appropriate surrogate for this function in partnership with the SFO Roundtable, SFO and San Jose Minéta Airports.

WHEREAS, significant demand for an aircraft noise mitigation entity to represent constituents in the South Bay, it is imperative that any potential body not be confined to SJC or SFO related issues and also include representation of all affected and currently unrepresented communities in Santa Clara and Santa Cruz Counties. While participation by elected officials in each affected city is essential, it is critical that the establishment of such a body should not be unilaterally implemented by one city, but instead be led collectively by the entire affected region.

WHEREAS, the [FAA's November 2017 Phase Two Report](#), the FAA reiterates it will not support solutions that result in shifting the problem of noise from one community to another. It also repeatedly identifies increased flying distance as an unacceptable outcome of many community-proposed solutions that conflict with the economic, environmental, and operational efficiency benefits gained from shorter flying distances.

WHEREAS, the FAA repeatedly points to the anticipated inevitability of increases in congestion as airports increase their number of flight operations. The report explicitly states it will not move forward on certain feasible recommendations "until issues of congestion, noise shifting and flying distance have been addressed with the airline stakeholders and the affected communities by the Select Committee and/or SFO Roundtable."

WHEREAS, each jurisdiction is just one of over 100 municipalities in the Bay Area. The ability of any single community, whether 30,000 or 60,000, to influence the complex operations of a federal agency serving a region of 8 million people is limited.

WHEREAS, the impacts of airplane noise must be considered amid the competing interests of the flying public, airline industry priorities, airport operational requirements, broader economic and environmental impacts and, above all else, safety. The successful navigation of these public interest challenges requires effective collaboration.

WHEREAS, to ensure equitable regional representation, each city and county should have the opportunity to appoint one Member and one Alternate who are local elected officials to serve on the body, elect their own leadership, and participate in helping to fund the effort just as the SFO Airport/Community Roundtable does. Once it is conceived, the newly formed South Bay Airport Roundtable could also work with the SFO Airport/Community Roundtable to establish a joint subcommittee to address complex overlapping issues related to the Midpeninsula.

WHEREAS, the Cities Association of Santa Clara County is seeking each jurisdiction of Santa Clara County and Santa Cruz County to collaborate with neighboring jurisdictions through the formation of a community roundtables to most effectively address the community impacts of aircraft operations and work with the Federal Aviation Association (FAA).

NOW, THEREFORE BE IT RESOLVED, that the City/County of [NAME] does hereby support formation of an intergovernmental partnership between the cities and counties of Santa Clara and Santa Cruz Counties, Norman Y. Minéta San Jose International Airport (SJC), San Francisco International Airport (SFO), and the FAA, that will serve as a permanent aircraft noise mitigation entity representing all affected communities in the Santa Clara and Santa Cruz Counties; and directs the City Manager to enter into a Memorandum of Understanding on behalf of the [Name of City/County].

The above and foregoing resolution was passed and adopted at a regular meeting of the City Council held on the (DAY) of MONTH YEAR by the following vote:
