

RESIDENTIAL PARKING PERMIT (RPP) PROGRAMS COMPARISON

	MOUNTAIN VIEW	LOS GATOS	OAKLAND	WALNUT CREEK	SANTA CRUZ	SAN MATEO	BERKELEY	PALO ALTO
Overview	Two (2) requests received. One met all criteria but did not receive enough votes for approval. Second request did not have enough surveys returned to be considered for approval. No zones have been established to date.	Seven (7) residential zones and one (1) commercial/residential zone ranging in size from a single street to several streets.	Thirteen (13) zones ranging in size from at least six blocks to several streets.	Thirteen (13) zones ranging in size from one street to several streets.	Six (6) zones ranging in size from a few blocks to several blocks.	Fifteen (15) zones and city does consider establishing RPP zones on a block-by-block basis.	Fourteen (14) zones, some of which are enforced on Saturdays, ranging in size from less than 10 blocks to over 50 blocks.	Council adopted ordinance in Dec. 2014 for a citywide RPP program being implemented on a trial basis in 2 phases: Phase 1 (6 months) and Phase 2 (12 months or more).
Minimum % Age of Households in Support of RPP	51% to initiate the process; Conduct postcard survey: 51% return, 67% support to establish zone.	50% to begin the process and 67% to implement	51%	67%	67%	67% and in addition, 50% of the households on each street must sign the petition	51%	50% (+1) – Simple Majority

General Fund Supported	Program is supposed to be partial cost recovery.	Program is not cost neutral. It is City subsidized.	Goal of the program is to be cost neutral, but no analysis has been done for many years to confirm it.	Information not available.	Program is City subsidized and not cost neutral. All revenues from permits and citations go into the general fund.	When the program was first started in 2005, the citation fees were supposed to cover program costs, but the City has not confirmed it recently.	Program is supposed to be cost neutral and not general fund supported.	Program is new and going to cost approximately \$1 million per year and mostly City subsidized
