Dear Mayor Hicks, Vice Mayor Showalter, Councilmembers Abe-Koga, Kamei, Matichak, and Ramirez,

My name is Marguerite and I'd like to voice my support for appointing Emily Ramos to the vacant seat on city council. Her work on housing and renter protections that makes me trust her to represent renters like me. She has been involved with the Rental Housing Committee since its inception, and is involved with the Community Services Agency and SV@Home. This demonstrates her deep involvement with speaking directly with community members most affected by our housing crisis, and therefore she is best equipped to understand how policy affects renters in our city.

Mountain View is known for its strong stance supporting affordable housing, and appointing Emily Ramos would continue this legacy. Her perspective on housing would be an invaluable addition to council.

Best,
Marguerite, resident of

Dear Mayor Hicks, Vice Mayor Showalter, and Councilmembers Abe-Koga, Kamei, Matichak, and Ramirez,

My name is Maxwell and I'd like to voice my support to appoint Emily Ramos to the vacant city council seat. Emily's history of steadfast commitment to supporting residents of Mountain View, particularly on matters of housing, makes her a necessary voice on council. As a MV renter myself, I believe Emily would do an excellent job representing my interests.

As member of the Rental Housing Committee and as a board member of the Community Services Agency, Emily has a depth of knowledge and experience providing protections and assistance to renters in this city. Alongside her time as Preservation and Protection Associate at SV@Home, Emily has demonstrated an involved relationship with our community and has proven to be a strong voice representing renters and housing insecure residents of our city.

Emily's experience supporting residents of Mountain View during the prolonged CA housing crisis assured me that her voice will be an invaluable addition to city council.

Best,
Maxwell Sutton,
