

ROUNDTABLE ANNUAL WORK PLAN

July 1, 2020 through June 30, 2021

Adopted by the Membership on December 2, 2020

Organization of the Work Program

The Work Program is organized as follows: Strategic Plan goal and action, and work plan task to be accomplished this fiscal year 2020-2021.

Introduction

The Work Program is part of the Roundtable's overall approach to planning efforts; it is guided by the Roundtable's Strategic Plan. The Strategic Plan has a three-year planning horizon and the Work Program has a one-year planning horizon. The Work Program items are distilled from the overall Strategic Plan goals; each of the Work Program items are associated with a Strategic Plan goal.

While the Work Program is a one-year document, many items will be rolled over through multiple planning cycles. This is due to the longer-term nature of some items, including standing updates and future technologies. These longer-term items remain on the Work Program in order for the Roundtable to maintain their understanding of the issue. The Roundtable appointed a Work Program Subcommittee to carry out the work program planning process and to bring a recommended Work Program back to the full Roundtable for its consideration and adoption.

The following are the approved Strategic Plan (2020-2024) Goals, and Action Items, along with the Work Plan tasks to be accomplished during the fiscal year 2020-2021:

Goal 1: Review and Comment on Aircraft Procedures: Focus on all aircraft procedures including arrival, departure, and ground based procedures.

Action item: The Roundtable will focus, advocate, and respond on procedural changes that limit the noise impacts on our communities.

Work Plan Item(s):
