DEPT.: Community Services Department

TITLE: **2017 State of Mountain View Seniors Report**

RECOMMENDATION

Accept the 2017 State of Mountain View Seniors report prepared by the Senior Advisory Committee.

BACKGROUND

At the request of the Senior Advisory Committee, staff is forwarding the Committee's 2017 State of Mountain View Seniors report. The report is a compilation of data and statistics specific to seniors in our community, county, and state. The Committee worked collaboratively to complete the report.

ANALYSIS

Council typically receives a State of Mountain View Seniors Report every two years. The Report is intended to summarize Mountain View-specific senior programs and services and discusses regional, State, and national trends where local data does not exist. It includes data from Census estimates and used the latest data available from the California Department of Finance as well as from the Census' American Community Survey.

FISCAL IMPACT

None.

PUBLIC NOTICING
