

**MEMORANDUM**

Public Works Department

**DATE:** February 26, 2020

**TO:** Bicycle/Pedestrian Advisory Committee

**FROM:** Nate Baird, Transportation Planner

**SUBJECT:** Pedestrian Master Plan – Annual Review

---

**RECOMMENDATION**

Review and provide comments regarding the current Pedestrian Master Plan.

**BACKGROUND AND ANALYSIS**

When the City Council approved revisions to the Pedestrian Master Plan (PMP) at its January 28, 2014 meeting, it directed the Bicycle/Pedestrian Advisory Committee (B/PAC) to include an annual review of the PMP in its work plan.

The purpose of this discussion is to provide B/PAC members with an opportunity to:

- Provide general comments on the PMP's adequacy in addressing the pedestrian-related needs of the community.
- Identify topics/issues/concerns that should be considered for inclusion in a future update of the PMP.

Attached are the summaries of comments received at past annual reviews (Attachment 1). B/PAC is requested to review these lists and let staff know of any new issues that may have arisen that should be added to the list.

**NEXT STEPS**

Staff will maintain a list of items brought up by the B/PAC during its annual review of the PMP to inform the scope, structure, and content of future updates to the PMP.

An update to the PMP is planned as a project for Fiscal Year 2020-21 in the Adopted 2019-20 Capital Improvement Program.
