**Update from PSAB Subcommittee
on Mental Health Crisis Response**
September 29, 2022

- Subcommittee Scope and Work Plan Recap
- Work Plan Status
- Next Steps

- Purpose

- Help inform and raise awareness about new mental health crisis response programs in Mountain View

- Focus

- Mental health crisis response programs that provide new or expanded alternatives to police response (Santa Clara County TRUST and MCRT in North County)
- New MVPD approaches to mental health crisis when police response is needed (MVPD Behavioral Services Unit)

- Approach and Timeline

- Gathering and sharing information about mental health crisis response needs and resources in Mountain View in time for new program launch (est. Fall 2022)
- Not a comprehensive needs and asset assessment
- Emphasis on crisis response, not entire continuum of mental health services

- Identify data needs, information sources and community contacts - **Complete**
- Reach out to community contacts and gather data – **In Progress**
- Monitor development of TRUST, MCRT and MVPD BSU programs – **In Progress**
- Compile information to develop an informal Mountain View “community profile” to help inform County and MVPD programs – **In Progress**
- Partner with County and TRUST/MCRT providers to share information with the community and promote awareness of these new/expanded programs - **In Progress**
- Seek community feedback about TRUST and MCRT and share with the County – **Not started; TRUST to launch around mid-October**
- Bring updates and recommendations to the PSAB – **Not started**

- Continued key contact outreach and data gathering
- City staff networking with Momentum for Health, the new TRUST provider
- Human Services Manager joined newly created TRUST Community Advisory Board
- Continued staff meetings with County Behavioral Health re: 988 crisis line, MCRT, etc.

- Conduct conversations with remaining key contacts
- Complete data gathering
- Draft an informal Mountain View "community profile"
- Present profile to PSAB and transmit to the County, Momentum for Health, MVPD, etc.
- Continue networking with Momentum for Health to support building community awareness of TRUST
