JOINT MEETING OF THE CITY COUNCIL (REGULAR) AND SHORELINE REGIONAL PARK COMMUNITY (SPECIAL)

October 26, 2021

Item 7.1 Wage Theft and Responsible Construction Ordinances

(additional language outlined in red text below)

*By consensus, the Council indicated support for the staff recommended strategies for the development of a Wage Theft Ordinance and a Responsible Construction Ordinance. The Council also indicated support for exploring options for exempting sole proprietors from completing the wage theft affidavit, expanding the categories of those who would be covered by the ordinances including day workers, including other forms of compensation such as unpaid payroll taxes, Worker's Compensation insurance coverage and whether the contractor or subcontractor is licensed as part of the wage and labor laws disclosure, and staff exploring opportunities for outreach and education, information on the implications of tying compliance to permitting and partnership opportunities for enforcement.*
