

PROJECT SCOPE OPTIONS & DIAGRAMS

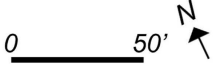

The following are preliminary diagrams of three potential Rengstorff Park Aquatic Center project scope “Options”. They convey general component size and their potential arrangement relative to the existing site. Once an Option is confirmed by Council, it will be further developed during the Conceptual Design phase and brought back to the PRC and Council for review.

OPTION 1:

New 8-lane / 25 yard lap pool with enlarged leisure pool with a “zero-depth” entry and water slide. A new 7,200 square foot (‘SF’) building to house public, staff, mechanical/plumbing support spaces.

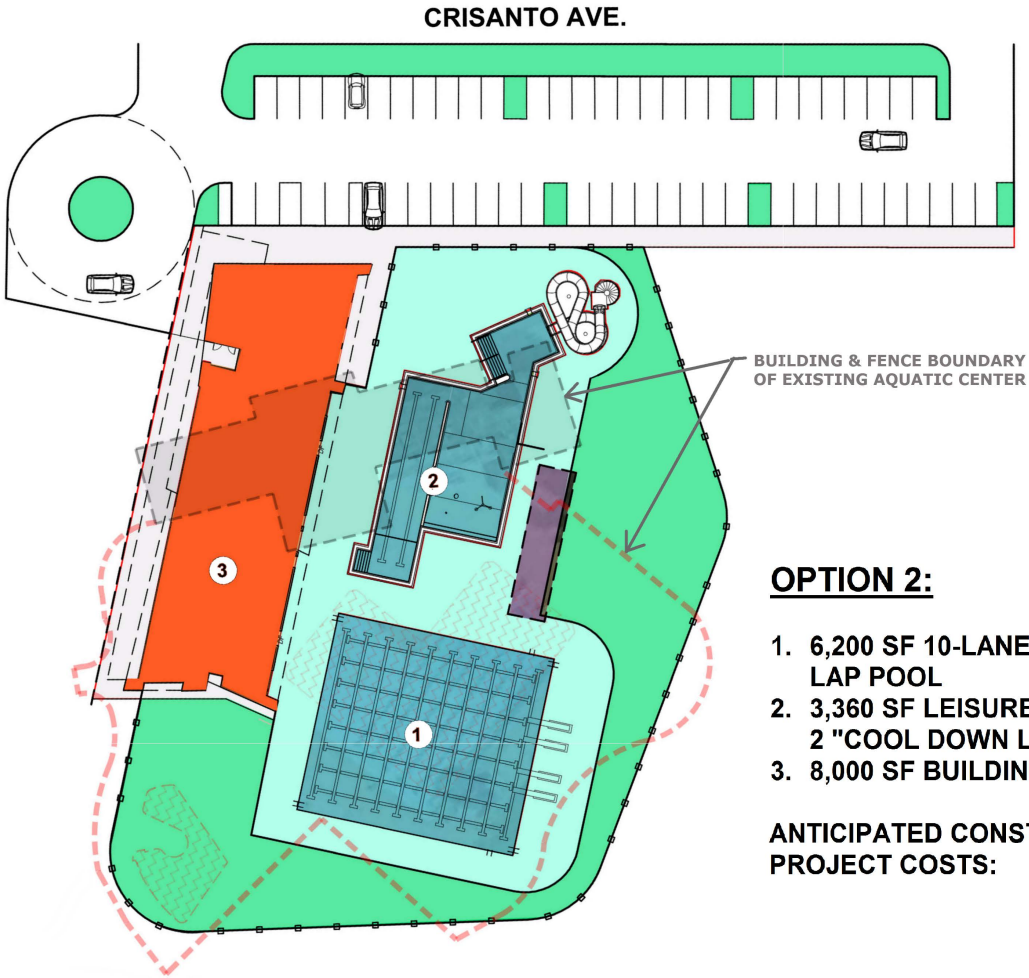

RENGSTORFF PARK AQUATICS CENTER

OPTION 2:

New 8-lane / 25 meter x 25 yard lap pool with enlarged leisure pool with 2 shallow lanes and a "zero-depth" entry and water slide. A new 8,000 square foot building to house public, staff and mechanical/plumbing support spaces.

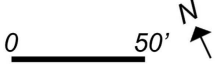

OPTION 2:

- 1. 6,200 SF 10-LANE / 25 YD x 8-LANE / 25 M LAP POOL
- 2. 3,360 SF LEISURE POOL w/ SLIDE & 2 "COOL DOWN LANES
- 3. 8,000 SF BUILDING

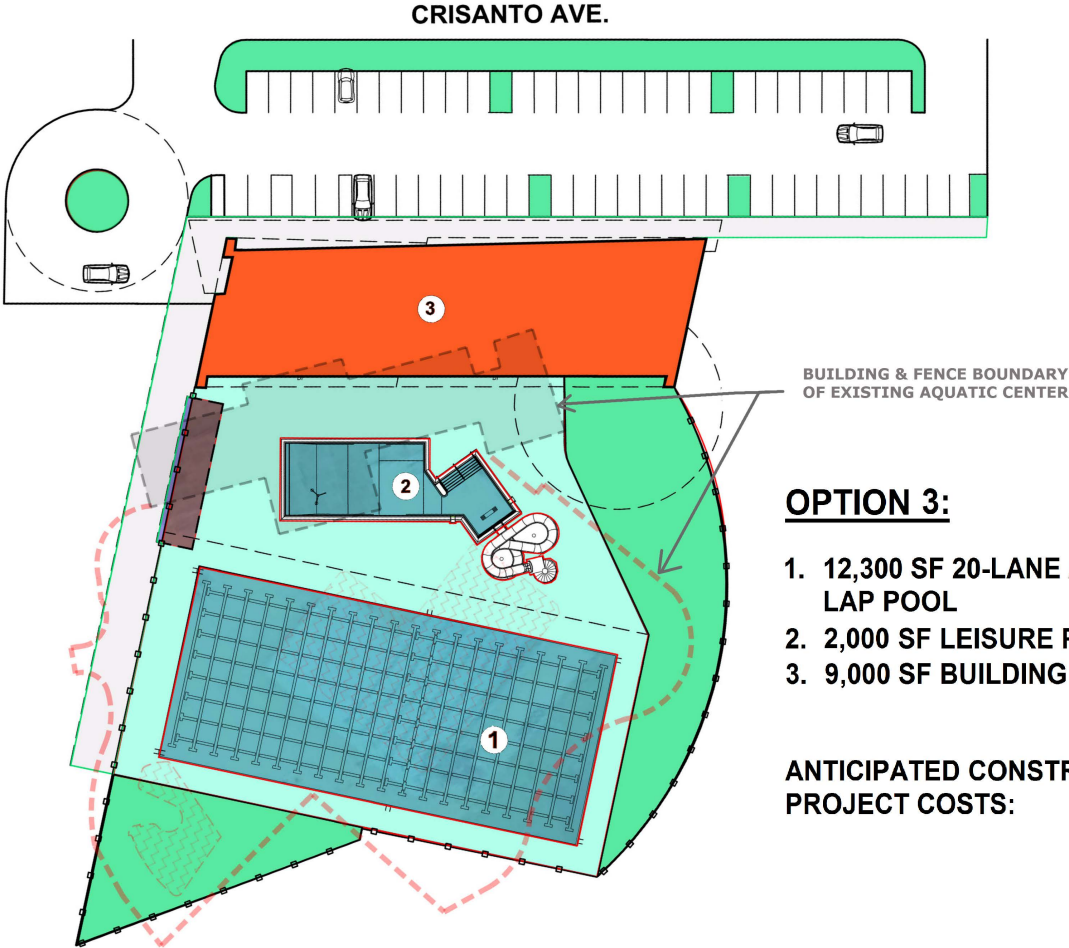

ANTICIPATED CONSTRUCTION PROJECT COSTS: \$18.1M

RENGSTORFF PARK AQUATICS CENTER

OPTION 3:

New 8-lane / 50 meter x 25 yard lap pool with enlarged leisure pool and a “zero-depth” entry and water slide. A new 9,000 square foot building to house public, staff and mechanical/plumbing support spaces.

OPTION 3:

- 1. 12,300 SF 20-LANE / 25 YD x 8-LANE / 50M LAP POOL
- 2. 2,000 SF LEISURE POOL w/ SLIDE
- 3. 9,000 SF BUILDING

ANTICIPATED CONSTRUCTION PROJECT COSTS: \$21.6M
