

**DATE:** December 8, 2015

**CATEGORY:** Consent

**DEPT.:** Public Works

**TITLE:** **Final Map Approval, Tract No. 10286,  
1101 West El Camino Real**

### **RECOMMENDATION**

Adopt a Resolution Approving the Final Map of Tract No. 10286, Accepting Dedications and Making Findings as Required by the City Code, to be read in title only, further reading waived (Attachment 1 to the Council report).

### **BACKGROUND**

On November 12, 2014, the City Council adopted Resolution No. 17911, conditionally approving a tentative map to subdivide an existing 0.98-acre site at 1101 West El Camino Real, creating 52 new condominium units.

### **ANALYSIS**

The developer has met all conditions of approval relating to the final map (Attachment 2), and the disposition of these conditions (Attachment 3) is as follows:

1. The final map was reviewed and is ready for approval and recordation.
2. The subdivision guarantee, County Tax Collector's letter regarding unpaid taxes for assessment, and subdivision security were submitted to the City.
3. A soils report was prepared and referenced on the final map. The developer, through its registered soils engineer/geologist, has certified that the project complies with the requirements of the State Seismic Hazard Map Act.
4. A copy of the final map is attached to this report (Attachment 2).
5. The developer paid subdivision fees, including the map check fee, plan check fee, construction inspection fee, and Park Land Dedication In-Lieu fees.

6. The developer has offered to dedicate public utility easements for the on-site utilities on the map.
7. The developer has offered to dedicate a public access easement along El Camino Real to meet the El Camino Real streetscape design on the map.
8. Covenants, Conditions, and Restrictions (CC&Rs) have been submitted by the developer and approved by the City Attorney and the Community Development Department.
9. All on-site telephone, electric, and cable television services shall be placed underground.
10. The developer signed an improvement agreement to construct public improvements and submitted the required bonds and insurance.
11. The Public Works Department approved the improvement plans for the public and private improvements.
12. The development complies with the relevant provisions of Chapters 27 and 28 of the Mountain View City Code and City's Standard Design Criteria.
13. The map is consistent with the Conditional Use Permit and Development Review Permit, Application No. 245-13-R, conditions of approval.
14. The tentative map was approved on November 12, 2014, and the final map is recommended for approval within 24 months of that date, meeting the requirements of the Subdivision Map Act.

### **FISCAL IMPACT**

The developer, 1101 El Camino Real, LP, paid \$1,482,061.62 in subdivision fees, including \$1,216,800.00 in Park Land Dedication In-Lieu fees.

### **ALTERNATIVES**

Determine that the tract map is not consistent with the tentative map or applicable codes and do not approve the tract map and dedication.
