Subject: Antenna Farm (Whisman Villas)

Dear Ms. Williams:

Santa Clara Valley Transportation Authority (VTA) staff have reviewed the Initial Study for 16 single family homes at a location between Whisman Road and the LRT tracks. We have the following comments.

Whisman Park & Ride Lot

VTA notes that the current design has removed the previously shown modifications to our Park & Ride Lot ingress/egress. We prefer the currently proposed design configuration.

In addition, it should be noted that the Whisman Park & Ride lot is designated for VTA riders and should not be used for guest or overnight parking for the proposed development.

Thank you for the opportunity to review this project. If you have any questions, please call me at (408) 321-5784.

Sincerely,
