

# Council Strategic Priorities and FYs 25-27 Work Plan

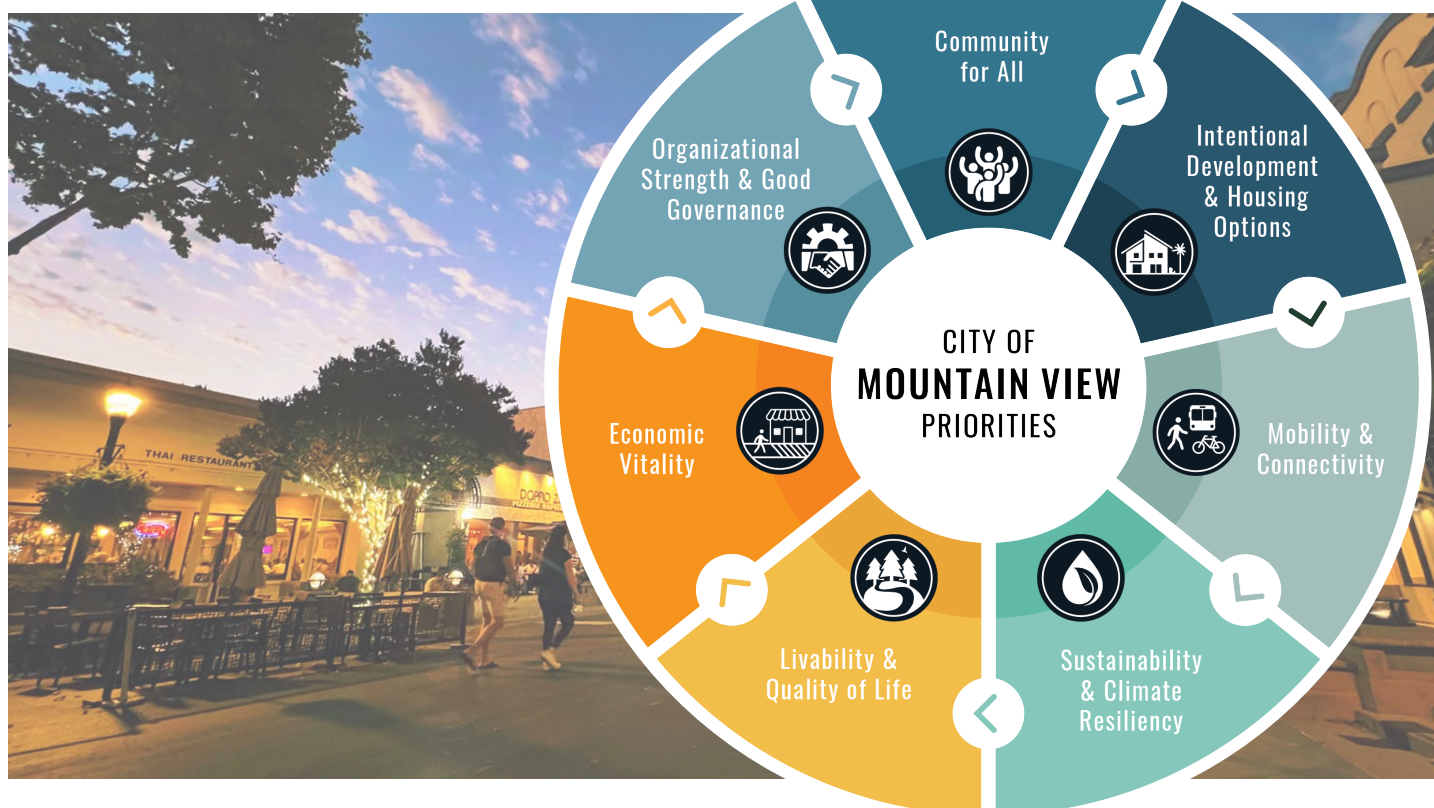

The City of Mountain View Strategic Priorities were developed through careful deliberation by the City Council with input from the community and City staff to advance a vision of Mountain View's future. The two-year Council Work Plan establishes the top projects to help advance the vision and strategic priorities during Fiscal Years 2025-26 and 2026-27.

Plan for neighborhoods with nearby transit, jobs and amenities that balance density with livable, green, mixed-use development.

## Economic Vitality

Support a walkable, beautiful, vibrant downtown and accessible village centers that draw residents and visitors. Create an environment where small, local, diverse businesses can thrive across the City alongside large employers. Continue to work in partnership with the business community so that Mountain View remains a center for innovation with meaningful jobs for workers.
