**Subject:** Redwood City JUA between City and School district

**CAUTION:** EXTERNAL EMAIL - Ensure you trust this email before clicking on any links or attachments.

Dear City Council members,

Someone shared with me over the weekend the 2012 Redwood City JUA between the city and the school on maintaining school fields. They have worked together to develop a working, viable legal solution for prioritizing different groups. I hope the city and MVWSD can work together to generate a similar JUA.

-David
