#### 5. NEW BUSINESS

##### 5.1 Moffett Boulevard Complete Streets, Project 24-03

Assistant Engineer Chen provided a presentation on the Moffett Boulevard Complete Streets, Project 24-03.

Principal Civil Engineer Gonzales, Public Works Director Ng, Assistant Public Works Director Arango, and Assistant Engineer Chen responded to Committee questions about traffic counts on Moffett Boulevard, whether bike lanes and seams are factored into PCI measurements, and if staff have considered reducing the speed limit. The Committee also sought clarification on the utilization of grants within the required timelines and how often the project vision has been updated.

The following members of the public spoke:

Joel Lechter

Daniel Hulse

(Virtual) Bruce England

(Virtual) Caleb Adams

(Virtual) April Webster

(Virtual) Silja Paymer

(Virtual) Valerie Fenwick  
(Virtual) Mary Dateo  
Eli Hiss

The Committee reviewed the design concept for Moffett Boulevard Complete Streets, Project 24-03, and directed staff to advance the project into final design. They requested that staff consider adjusting inner lane widths and the left turn pocket; fixing difficult interchanges; a road diet; replacing plastic bollards with more robust vertical elements; and gathering more community feedback. The Committee was in favor of moving the project forward.

The motion carried by the following roll call vote:

**Yes:** 2 - Member Hicks, and Chair McAlister

## **5.2 Citywide Transportation Demand Management Ordinance Update**

Transportation Planner Pacho provided a presentation on the Citywide Transportation Demand Management (TDM) Ordinance.

Transportation Manager Lo, Transportation Planner Pacho, and Principal Planner Pancholi responded to Committee questions about whether TDM strategies have a measurable 30/40/50% impact, if cost implications will burden new developments, if studies can inform the City where parking can be reduced, if existing developments are exempt from the TDM Ordinance, and how reasonable compliance will be measured.

The following members of the public spoke:

Joel Lechter  
(Virtual) Mary Dateo

The Committee supported the staff recommendation to review/recommend the proposed Transportation Demand Management Ordinance framework to the City Council, with the condition that the ordinance be enforceable and verifiable with realistic goals.

**Yes:** 2 - Member Hicks, and Chair McAlister
