

Regarding the schedule our plan is to have up to 10 cars coming from 8am to 9am for drop off - we will be offering them 3 parking spots on our driveway. As this will be working parents we do not expect them to spend more than 5 minutes dropping off their children.

We will use a staggered drop-off plan, where for each 15-minute time window, there will be up to four drop-offs.

8:00-8:15 up to 4 drop-offs

8:15-8:30 up to 4 drop-offs

8:30-8:45 up to 4 drop-offs

8:45-9:00 up to 4 drop-offs

Reason for 10 cars: we can have up to 14 children - 2 of them should be school age children, which attend a school or a kindergarten - we do not plan to have children of this age. We also have an 8 year old son that counts towards kids of this age. If for any reason we'll have 1 school age child, he will be dropped off after 12:30-1pm - after school.

Out of 12 preschoolers 2 are going to be our own - as we have a 2 year old son and also expecting another child.

Parents have the right to pick up their children at any time during the business hours of the daycare. We do expect them to come for pick up from 5pm to 6pm. Three parking spots on our driveway will be there for them. We will send daily reports about how their child did during the day online and will try to shorten time of the pick up offering 1 on 1 sessions for every family separately, where we can talk with them in details about the progress and challenges their child has.
