TITLE: **Parking and Tow Code Amendments
(Second Reading)**

RECOMMENDATION

Adopt an Ordinance Amending Chapter 19 of the Mountain View City Code Related to Towing of Vehicles and Stopping, Standing, and Parking, to be read in title only, further reading waived (Attachment 1 to the Council report). (First reading: 6-1, Showalter no)

SUMMARY

On October 9, 2018, the City Council considered amendments to Chapter 19 of the Mountain View City Code that authorized by resolution designation of streets on which parking is restricted or prohibited (instead of inclusion in the City Code); clarified tow authority; and other minor revisions. The ordinance amendments are in conformance with the California Vehicle Code.

The Council introduced the ordinance by a vote of 6-1 (Showalter no). This is the second reading of the ordinance. If approved, the ordinance will become effective on December 13, 2018. A resolution designating the street locations where parking is restricted or prohibited was adopted on October 9, 2018 and takes effect when the ordinance becomes effective.

Code amendments will be processed by existing staff in the City Clerk's Office, City Attorney's Office, Police Department, and Public Works Department and will not require any additional or special funding.
