INDENTURE OF TRUST

This INDENTURE OF TRUST (this “**Indenture**”), dated for convenience as of May 1, 2026, is between the CITY OF MOUNTAIN VIEW CAPITAL IMPROVEMENTS FINANCING AUTHORITY, a joint powers authority duly organized and existing under the laws of the State of California (the “**Authority**”), and U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, a national banking association organized and existing under the laws of the United States of America, with a corporate trust office in San Francisco, California, being qualified to accept and administer the trusts hereby created (the “**Trustee**”).

BACKGROUND :

1. The City wishes to finance the demolition of the existing Mountain View Police Department building and the acquisition and construction of a Public Safety Building to be located at 1000 Villa Street in the City’s Public Facility District, and such other improvements that may be identified from time to time by the City (the “**Project**”).

2. The City and the Mountain View Shoreline Regional Park Community (the “**Shoreline Community**”) are parties to a Joint Exercise of Powers Agreement, dated as of February 25, 1992 (the “**Joint Powers Agreement**”), pursuant to which the Authority was established as a joint exercise of powers authority under the Joint Exercise of Powers Act (Government Code §6500 et seq.) for the purpose of providing assistance with financings that are authorized under the Joint Exercise of Powers Act.

3. The City has proposed to lease to the Authority certain real property and improvements of the City, as more particularly described in Appendix A to the Site Lease (as defined below) and by this reference incorporated herein (the “**Leased Property**”), under a Site Lease, dated as of the date hereof, by and between the City and the Authority (the “**Site Lease**”) in consideration of the payment by the Authority of an upfront rental payment (the “**Site Lease Payment**”) which is sufficient to provide funds for the acquisition and construction of the Project.

4. The Authority wishes to issue its City of Mountain View Capital Improvements Financing Authority Lease Revenue Bonds, Series 2026 (Public Safety Building Project), in the aggregate principal amount of \$[Principal Amount] (the “**2026 Bonds**”) under this Indenture for the purpose of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with the Site Lease.

5. In order to provide revenues which are sufficient to enable the Authority to pay debt service on the 2026 Bonds, the Authority has leased the Leased Property back to the City under a Lease Agreement dated the date hereof (the “**Lease**”), under which the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property thereunder.

6. The lease payments made by the City under the Lease have been assigned by the Authority to the Trustee for the security of the 2026 Bonds under an Assignment Agreement, dated the date hereof, between the Authority as assignor and the Trustee as assignee.

7. In order to provide for the authentication and delivery of the 2026 Bonds, to establish and declare the terms and conditions upon which the 2026 Bonds are to be issued and to secure the payment of the principal thereof (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption), premium (if any) and interest thereon, the Authority has authorized the execution and delivery of this Indenture.

8. The Authority has found and determined, and hereby affirms, that all acts and proceedings required by law necessary to make the 2026 Bonds, when executed by the Authority, authenticated and delivered by the Trustee and duly issued, the valid, binding and legal special obligations of the Authority, and to constitute this Indenture a valid and binding agreement for the uses and purposes herein set forth in accordance with its terms, have been done and taken, and the execution and delivery of this Indenture have been in all respects duly authorized.

A G R E E M E N T :

In order to secure the payment of the principal (including the principal amount of any Term Bond that is subject to mandatory sinking fund redemption) of and the interest and redemption premium (if any) on all the Outstanding Bonds under this Indenture according to their tenor, and to secure the performance and observance of all the covenants and conditions therein and herein set forth, and to declare the terms and conditions upon and subject to which the 2026 Bonds and any Additional Bonds are to be issued and received, and in consideration of the premises and of the mutual covenants herein contained and of the purchase and acceptance of the 2026 Bonds by the Owners thereof, and for other valuable considerations, the receipt of which is hereby acknowledged, the Authority and the Trustee do hereby covenant and agree with one another, for the benefit of the respective Owners from time to time of the 2026 Bonds, as follows:

ARTICLE II

THE 2026 BONDS

SECTION 2.01. *Authorization of Bonds.* The Authority has reviewed all proceedings heretofore taken and has found, as a result of such review, and hereby finds and determines that all things, conditions and acts required by law to exist, happen or be performed precedent to and in connection with the issuance of the 2026 Bonds do exist, have happened and have been performed in due time, form and manner as required by law, and the Authority is now duly empowered, under each and every requirement of law, to issue the 2026 Bonds in the manner and form provided in this Indenture.

The Authority hereby authorizes the issuance of 2026 Bonds in the aggregate principal amount of \$[Principal Amount] under the Bond Law for the purposes of providing funds to pay the Site Lease Payment to the City and thereby provide funds to finance the acquisition and construction of the Project. The 2026 Bonds are authorized and issued under, and are subject to the terms of, this Indenture and the Bond Law. The 2026 Bonds are designated the “City of Mountain View Capital Improvements Financing Authority Lease Revenue Bonds, Series 2026 (Public Safety Building Project).”

SECTION 2.02. *Terms of the 2026 Bonds.*

(a) Payment Provisions. The 2026 Bonds shall be issued in fully registered form without coupons in denominations of \$5,000 or any integral multiple thereof, so long as no Bond has more than one maturity date. The 2026 Bonds shall mature on May 1 in each of the years and in the amounts, and bear interest (calculated on the basis of a 360-day year of twelve 30-day months) at the rates, as follows:

Maturity Date (May 1)	Principal Amount	Interest Rate
--------------------------	---------------------	------------------

Interest on the 2026 Bonds is payable from the Interest Payment Date next preceding the date of authentication thereof unless:

- (a) a 2026 Bond is authenticated on or before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it will bear interest from such Interest Payment Date,
- (b) a 2026 Bond is authenticated on or before the first Record Date, in which event interest thereon will be payable from the Closing Date, or
- (c) interest on any 2026 Bond is in default as of the date of authentication thereof, in which event interest thereon will be payable from the date to which interest has been paid in full, payable on each Interest Payment Date.

Interest is payable on each Interest Payment Date to the persons in whose names the ownership of the Bonds is registered on the Registration Books at the close of business on the immediately preceding Record Date, except as provided below. Interest on any Bond which is not punctually paid or duly provided for on any Interest Payment Date is payable to the person in whose name the ownership of such Bond is registered on the Registration Books at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice of which is given to such Owner by first-class mail not less than 10 days prior to such special record date.

The Trustee will pay interest on the Bonds by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owners of the Bonds at their respective addresses shown on the Registration Books as of the close of business on the preceding Record Date. At the written request of the Owner of Bonds in an aggregate principal amount of at least \$1,000,000, which written request is on file with the

Trustee as of any Record Date, the Trustee will pay interest on such Bonds on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as specified in such written request, which written request will remain in effect until rescinded in writing by the Owner. The Trustee will pay principal of the Bonds (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) in lawful money of the United States of America by check of the Trustee or by wire upon presentation and surrender thereof at the Office of the Trustee.

SECTION 2.03. *Transfer and Exchange of Bonds.*

(a) Transfer. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. The Trustee shall require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and deliver to the transferee a new Bond or Bonds of like series, interest rate, maturity and aggregate principal amount. The Authority shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer of Bonds. Prior to any transfer of the Bonds outside the book-entry system (including, but not limited to, the initial transfer outside the book-entry system) the transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045, as amended. The Trustee shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(b) Exchange. The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, interest rate and maturity. The Trustee shall require the Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The Authority shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange of Bonds.

(c) Limitations. The Trustee may refuse to transfer or exchange, under the provisions of this Section 2.03, any Bonds selected by the Trustee for redemption under Article IV, or any Bonds during the period established by the Trustee for the selection of Bonds for redemption.

SECTION 2.04. *Book-Entry System.*

(a) Original Delivery. Unless otherwise provided in a Supplemental Indenture, the Bonds will be initially delivered in the form of a separate single fully registered bond (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the Trustee shall register the ownership of each Bond on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the

Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, the Authority and the Trustee has no responsibility or obligation to any Depository System Participant or to any person on behalf of which the Nominee holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, the Authority and the Trustee has no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed if the Authority elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any amount with respect to principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption), premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Authority and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and the interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner shall receive a Bond evidencing the obligation of the Authority to make payments of principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption), interest and premium, if any, under this Indenture. Upon delivery by the Depository to the Authority of written notice to the effect that the Depository has determined to substitute a new Nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Authority shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Authority shall execute and deliver to such Depository a letter in which the Authority will agree to the Depository's operational arrangements. To the extent required to do so by the Depository, the Trustee shall also execute such representation letter and agree to the Depository's operational arrangements. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Authority or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bond Owners. In addition to the execution and delivery of such letter, the Authority may take any other actions, not

inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. If either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Authority determines to terminate the Depository as such, then the Authority shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Authority and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Authority fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, and, upon transfer or exchange, shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

If the Authority determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Authority may notify the Depository System Participants of the availability of such certificated Bonds through the Depository. In such event, the Trustee will issue, transfer and exchange Bonds as required by the Depository and others in appropriate amounts; and whenever the Depository requests, the Trustee and the Authority shall cooperate with the Depository in taking appropriate action (y) to make available one or more separate certificates evidencing the Bonds to any Depository System Participant having Bonds credited to its account with the Depository, or (z) to arrange for another Securities Depository to maintain custody of a single certificate evidencing such Bonds, all at the Authority's expense.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

SECTION 2.05. *Registration Books*. The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which shall upon reasonable notice as agreed to by the Trustee, be open to inspection during regular business hours by the Authority; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as hereinbefore provided.

SECTION 2.06. *Form and Execution of Bonds*. The Bonds, the form of Trustee's certificate of authentication, and the form of assignment to appear thereon, are set forth in Appendix B attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

The Manager of the Authority shall execute, and the Secretary of the Authority shall attest each Bond. Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Bond ceases to be such officer before the Closing Date, such signature will nevertheless be as effective as if the officer had remained in office until the Closing Date. Any Bond may be signed and attested on behalf of the Authority by such persons as at the actual date of the execution of such Bond are the proper officers of the Authority, duly authorized to execute debt instruments on behalf of the Authority, although on the date of such Bond any such person was not an officer of the Authority.

Only those Bonds bearing a certificate of authentication in the form set forth in Appendix B, manually executed and dated by the Trustee, are valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee is conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

SECTION 2.07. *Bonds Mutilated, Lost, Destroyed or Stolen.* If any Bond is mutilated, the Authority, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. The Trustee shall cancel every mutilated Bond surrendered to it and deliver such mutilated Bond to, or upon the order of, the Authority. If any Bond is lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory and if indemnity satisfactory to the Trustee and the Authority is given, the Authority, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section and of the expenses which may be incurred by the Trustee in connection therewith. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen will constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued under this Indenture.

Notwithstanding any other provision of this Section 2.07, in lieu of delivering a new Bond for which principal has become due for a Bond which has been mutilated, lost, destroyed or stolen, the Trustee may make payment of such Bond in accordance with its terms upon receipt of indemnity satisfactory to the Trustee.

SECTION 2.08. *Additional Bonds.* In addition to the 2026 Bonds authorized to be issued pursuant to Section 2.01 of this Indenture, the Authority may, by Supplemental Indenture, establish one or more other issues of Additional Bonds secured by a pledge of and payable from Revenues on a parity with the 2026 Bonds, and may issue and deliver such Additional Bonds in such principal amount as shall be determined by the Authority, but only upon compliance by the Authority with the provisions of this Section 2.08 and Section 2.09, and subject to the following specific conditions which are hereby made conditions precedent to the issuance of such Additional Bonds:

(a) Such Additional Bonds shall have been authorized to finance capital improvements for the City, or to refund bonds previously issued to finance such capital improvements, and the issuance thereof shall have been determined and declared by the Authority, in a Supplemental Indenture, to be necessary for that purpose.

(b) The Authority and the City shall be in compliance with all covenants and undertakings set forth in this Indenture and in the Lease and the Site Lease.

(c) The aggregate principal amount of Bonds issued and at any time Outstanding hereunder shall not exceed any limit imposed by law, by this Indenture or by any Supplemental Indenture.

(d) Such Additional Bonds shall be equally and ratably secured by the Revenues with all other Bonds herein authorized.

(e) The Authority shall have entered into an amendment to the Lease, in and by which the City obligates itself in the manner provided in the Lease to make Lease Payments for the lease of the Leased Property at the times and in the amounts sufficient to provide for the payment of the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest on such Additional Bonds as such principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) and interest become due and to make all other payments in the manner provided in the Lease, and the City shall certify in writing that such Lease Payments, as amended, in any Rental Period shall not exceed the fair rental value of the Leased Property.

(f) If necessary to ensure that the Lease Payments payable after the issuance of Additional Bonds do not exceed the fair rental value of the Leased Property in any Rental Period, the Authority and the City shall have amended the Lease pursuant to Section 3.4 thereof to add additional property to the Leased Property.

(g) In the event that the Additional Bonds are being issued to finance the construction of a to-be-built project, and such project is to be part of the Leased Property prior to its completion, the Supplemental Indenture authorizing the issuance of such Additional Bonds shall require the deposit into a separate account (the "Capitalized Interest Account") in the Interest Account, or a subaccount therein, of an amount sufficient to pay interest on such Additional Bonds through a date which is not less than six months after the anticipated completion date of the project, but only if such Additional Bonds are issued prior to the substantial completion of such project and only if the City is unable to make a finding that the fair rental value of the Leased Property prior to the completion of the project is equal to or greater than the aggregate amount of the Lease Payments and Additional Rental Payments coming due and payable during each Rental Period.

SECTION 2.09. *Proceedings for the Issuance of Additional Bonds* Whenever the Authority shall have determined to issue Additional Bonds pursuant to Section 2.08, the Authority shall enter into a Supplemental Indenture determining that the issuance of such Additional Bonds is necessary for the purposes specified in Section 2.08, specifying the

principal amount of such Additional Bonds and prescribing the terms and conditions of such Additional Bonds and the funds to be established for the security and payment thereof. Before such Additional Bonds shall be issued and delivered, the Authority shall file the following documents with the Trustee:

(a) An executed copy of the Supplemental Indenture authorizing such Additional Bonds, together with a certified copy of the resolution of the Authority authorizing the issuance of such Additional Bonds and the execution of such Supplemental Indenture. Any such Supplemental Indenture may provide for the establishment of funds (or re-opening of the Costs of Issuance Fund and the Project Fund, as provided in Sections 3.03 and 3.04) and accounts as determined by the Authority.

(b) An opinion of Bond Counsel stating: (i) that the execution and delivery of the Additional Bonds have been sufficiently and duly authorized by the Authority; (ii) that the issuance of the Additional Bonds is authorized by the Bond Law and this Indenture; (iii) that the Additional Bonds when duly executed and delivered, will be valid and binding obligations of the Authority, payable from Revenues in accordance with the terms of this Indenture and the Supplemental Indenture authorizing the issuance of such Additional Bonds; and (iv) if the Additional Bonds are to be tax-exempt, that the interest on the Additional Bonds will be excluded from the gross income of the Owners thereof for federal income tax purposes.

(c) A Certificate of the Authority certifying that the requirements set forth in Section 2.08 have been either met or provided for, together with a copy of the amendment to the Lease required by Section 2.08, together with a certified copy of the resolutions of the Authority and the City authorizing the execution of such amendment to the Lease.

(d) A copy of a letter sent by the City to each rating agency then rating the 2026 Bonds to notify each rating agency of the issuance of such Additional Bonds.

SECTION 2.10. *Applicability to Additional Bonds* Unless otherwise specified in the Supplemental Indenture pursuant to which an issue of Additional Bonds is issued, the provisions of Sections 2.03 through 2.09 shall apply to such issue of Additional Bonds.

ARTICLE III

ISSUANCE OF BONDS; APPLICATION OF PROCEEDS

SECTION 3.01. *Issuance of the 2026 Bonds.* At any time after the execution of this Indenture, the Authority may execute and the Trustee shall authenticate and, upon the Written Request of the Authority, deliver the 2026 Bonds to the Original Purchaser.

SECTION 3.02. *Application of Proceeds of Sale of Bonds.* On the Closing Date,

the Original Purchaser will pay a purchase price for the 2026 Bonds in the amount of \$_____, which is equal to the original principal amount of the 2026 Bonds (\$[Principal Amount]), plus an original issue premium of \$_____, less an underwriter's discount of \$_____, and the Trustee shall apply such purchase price on the Closing Date in the following manner:

(a) the Trustee will deposit \$_____ into the 2026 Bonds Account of the Project Fund, and

(b) the Trustee will deposit the remaining amount, equal to \$_____ into the 2026 Bonds Account of the Costs of Issuance Fund.

The Trustee may establish a temporary fund or account in its records to facilitate such deposits or transfers. The deposits described in paragraphs (a) and (b) represent the full amount of the Site Lease Payments under Section 3 of the Site Lease.

SECTION 3.03. *Establishment and Application of Costs of Issuance Fund.* The Trustee shall establish, maintain and hold in trust a separate fund designated as the "Costs of Issuance Fund," and, within the Costs of Issuance Fund, an account therein designated as the "2026 Bonds Account." The Trustee shall deposit into the 2026 Bonds Account a portion of the proceeds of sale of the 2026 Bonds under Section 3.02(b). The Trustee shall disburse amounts in the Costs of Issuance Fund from time to time to pay the Costs of Issuance upon submission of a Written Requisition of the Authority in the form attached hereto as Appendix D stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Requisition of the Authority shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. The Trustee may conclusively rely on such Written Requisitions and shall be fully protected in relying thereon. On the 180th day after the Closing Date, or upon the earlier Written Request of the Authority, the Trustee shall transfer all amounts remaining in the applicable account of the Costs of Issuance Fund to the Interest Account to pay interest on the related series of Bonds and shall thereupon close the Costs of Issuance Fund. In connection with the issuance of Additional Bonds, the Costs of Issuance Fund may be re-opened as directed in a Supplemental Indenture.

SECTION 3.04. *Establishment and Application of Project Fund; 2026 Bonds Account.* The Trustee shall establish, maintain and hold in trust a separate fund designated as the "Project Fund" and, within the Project Fund, an account designated as the "2026 Bonds Account." The Trustee shall deposit a portion of the proceeds of sale of the 2026 Bonds into the 2026 Bonds Account under Section 3.02(a).

The Trustee shall administer such fund as provided in this Section 3.04. Amounts on deposit in the Project Fund shall be used, as provided below, to pay the Project Costs, and to reimburse the City for the same. Pending such use, amounts on deposit in the Project Fund shall be invested only in Permitted Investments, with interest earnings and other investment income thereon being retained therein. All moneys remaining in the Project Fund upon the completion of the Project (as determined by the City in its sole discretion with written notice to the Trustee) shall be transferred by the Trustee as hereinafter provided.

The Trustee shall, from time to time, disburse money from the Project Fund to pay the Project Costs for the Project, as hereinafter provided, in each case promptly after receipt of, and in accordance with, a Written Certificate in the form attached hereto as Appendix C.

In making such payments, the Trustee may rely upon the representations made in the Written Certificate. If for any reason the City should decide prior to the payment of any item in said Written Certificate not to pay such item, then it shall give written notice of such decision to the Trustee and thereupon the Trustee shall not make such payment, and the Trustee shall have no liability to the City or the designated payee as a result of such nonpayment. In no event shall the Trustee be responsible for the adequacy or due performance of any contracts relating to the Project or for the use or application of money properly disbursed pursuant to requests made under this Section 3.04.

If, after payment by the Trustee of all Written Certificates theretofore tendered to the Trustee under the provisions of this Section 3.04 and after the City has notified the Trustee of the completion of the Project, there shall remain any balance of money in the Project Fund, all money so remaining (other than a reasonable retainage to pay Project Costs, as determined in the sole discretion of the City with written notice to the Trustee) shall be transferred to the Principal Account and shall be applied to the prepayment of Lease Payments under Section 9.3 of the Lease and the corresponding redemption of the 2026 Bonds under Section 4.01(a).

At such time as no moneys remain in the Project Fund, the Project Fund shall be closed. In connection with the issuance of Additional Bonds, the Project Fund may be re-opened as directed in a Supplemental Indenture.

SECTION 3.05. *Validity of Bonds.* The recital contained in the 2026 Bonds that the same are issued under the Constitution and laws of the State of California shall be conclusive evidence of their validity and of compliance with the provisions of law in their issuance.

ARTICLE IV

REDEMPTION OF BONDS

SECTION 4.01. Terms of Redemption.

(a) Optional Redemption. The 2026 Bonds maturing on or before May 1, _____, are not subject to optional redemption prior to their stated maturity. The 2026 Bonds maturing on or after May 1, _____, are subject to redemption, as a whole or in part at the election of the Authority among maturities on such basis as designated by the Authority and by lot within a maturity, at the option of the Authority, on May 1, _____, and on any date thereafter, at a redemption price equal to 100% of the principal amount of 2026 Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The Authority must give the Trustee at least 10 days' written notice of its intention to redeem 2026 Bonds under this subsection (a), and the manner of selecting such 2026

Bonds for redemption from among the maturities thereof, in sufficient time for the Trustee to give notice of such redemption in accordance with Section 4.03.

(b) Special Mandatory Redemption From Insurance or Condemnation Proceeds. The 2026 Bonds are subject to redemption as a whole, or in part on a pro rata basis among maturities, on any date, from any Net Proceeds required to be used for such purpose as provided in Section 5.07, at a redemption price equal to 100% of the principal amount thereof plus interest accrued thereon to the date fixed for redemption, without premium.

(c) Mandatory Sinking Fund Redemption. The Term Bonds are subject to mandatory redemption in whole, or in part by lot, from sinking fund payments made under Section 5.02(b) at a redemption price equal to the principal amount thereof to be redeemed, without premium, plus accrued interest to the date of redemption, in the aggregate respective principal amounts and on May 1 in the years as set forth in the following tables:

**Term Bonds Maturing
May 1, ____**

Payment Date <u>(May 1)</u>	Payment <u>Amount</u>
--------------------------------	--------------------------

(Maturity)

**Term Bonds Maturing
May 1, ____**

Payment Date <u>(May 1)</u>	Payment <u>Amount</u>
--------------------------------	--------------------------

(Maturity)

If some but not all of the Term Bonds have been redeemed under subsections (a) or (b) of this Section, the total amount of all future sinking fund payments will be reduced by the aggregate principal amount of the Term Bonds so redeemed, to be allocated among such sinking fund payments on a pro rata basis as determined by the Authority, which shall notify the Trustee in writing of such determination.

SECTION 4.02. *Selection of Bonds for Redemption.* Whenever provision is made in this Indenture for the redemption of less than all of the 2026 Bonds of a single maturity, the Trustee shall select the 2026 Bonds of that maturity to be redeemed by lot in any

manner which the Trustee in its sole discretion deems appropriate. For purposes of such selection, the Trustee shall treat each Bond as consisting of separate \$5,000 portions and each such portion shall be subject to redemption as if such portion were a separate Bond.

Whenever less than all of the Outstanding Bonds of more than one series are called for redemption at any one time, the Trustee will select the Outstanding Bonds or portions thereof to be redeemed as directed by the Authority.

SECTION 4.03. *Notice of Redemption; Rescission.* The Trustee shall mail notice of redemption of the 2026 Bonds by first class mail, postage prepaid, not less than 20 nor more than 60 days before any redemption date, to the respective Owners of any 2026 Bonds designated for redemption at their addresses appearing on the Registration Books and to one or more Securities Depositories and to the Municipal Securities Rulemaking Board. Each notice of redemption shall state the date of the notice, the redemption date, the place or places of redemption, whether less than all of the 2026 Bonds (or all 2026 Bonds of a single maturity) are to be redeemed, the CUSIP numbers and (in the event that not all 2026 Bonds within a maturity are called for redemption) 2026 Bond numbers of the 2026 Bonds to be redeemed and the maturity or maturities of the 2026 Bonds to be redeemed, and in the case of 2026 Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on the redemption date there will become due and payable on each of said 2026 Bonds the redemption price thereof, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such 2026 Bonds be then surrendered to the Trustee. Neither the failure to receive any notice nor any defect therein shall affect the sufficiency of the proceedings for such redemption or the cessation of accrual of interest from and after the redemption date. Notice of redemption of 2026 Bonds shall be given by the Trustee, at the expense of the Authority, for and on behalf of the Authority.

Redemption notices may be conditional. The Authority has the right to rescind any notice of the redemption of 2026 Bonds under Section 4.01(a) by written notice to the Trustee on or prior to the dated fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the 2026 Bonds then called for redemption, and such cancellation shall not constitute an Event of Default. The Authority and the Trustee have no liability to the Owners of the 2026 Bonds or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under this Section.

SECTION 4.04. *Partial Redemption of 2026 Bonds.* Upon surrender of any 2026 Bonds redeemed in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new 2026 Bond or 2026 Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the 2026 Bonds surrendered.

SECTION 4.05. *Effect of Redemption.* Notice of redemption having been duly given as aforesaid, and moneys for payment of the redemption price of, together with interest accrued to the date fixed for redemption on, including any applicable premium, the 2026 Bonds (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the 2026 Bonds (or portions thereof) so called

for redemption shall become due and payable, interest on the 2026 Bonds so called for redemption shall cease to accrue, said 2026 Bonds (or portions thereof) shall cease to be entitled to any benefit or security under this Indenture, and the Owners of said 2026 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof.

All 2026 Bonds redeemed under the provisions of this Article shall be canceled by the Trustee upon surrender thereof and destroyed in accordance with the retention policy of the Trustee then in effect.

ARTICLE V

REVENUES; FUNDS AND ACCOUNTS; PAYMENT OF PRINCIPAL AND INTEREST

SECTION 5.01. Security for the 2026 Bonds; Bond Fund.

(a) Pledge of Revenues and Other Amounts. Subject only to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, all of the Revenues and all amounts held in any fund or account established under this Indenture (except the Project Fund, the Costs of Issuance Fund and such other funds and accounts specified in a Supplemental Indenture) are hereby pledged to secure the payment of the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest and premium (if any) on the Bonds in accordance with their terms and the provisions of this Indenture. Said pledge constitutes a lien on and security interest in the Revenues and such amounts and shall attach, be perfected and be valid and binding from and after the Closing Date, without the need for any physical delivery thereof or further act.

(b) Assignment to Trustee. Under the Assignment Agreement, the Authority has transferred to the Trustee all of the rights of the Authority in the Lease (other than the rights of the Authority under Sections 4.5, 5.10, 7.3 and 8.4 thereof and its rights to give approvals and consents thereunder). The Trustee is entitled to collect and receive all of the Revenues, and any Revenues collected or received by the Authority shall be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee and shall forthwith be paid by the Authority to the Trustee. The Trustee is also entitled to and may, subject to the provisions of Article VIII, take all steps, actions and proceedings which the Trustee determines to be reasonably necessary in its judgment to enforce, either jointly with the Authority or separately, all of the rights of the Authority and all of the obligations of the City under the Lease.

(c) Deposit of Revenues in Bond Fund. All Revenues shall be promptly deposited by the Trustee upon receipt thereof in a special fund designated as the "Bond Fund" which the Trustee shall establish, maintain and hold in trust; except that all moneys received by the Trustee and required hereunder or under the Lease to be deposited in the Redemption Fund or the Insurance and Condemnation Fund shall be promptly deposited in such funds. All Revenues deposited with the Trustee shall be held, disbursed, allocated and applied by the Trustee only as provided in this Indenture. Any surplus remaining in

the Bond Fund, after payment in full of (i) the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest on the Bonds or provision is made therefor under Article X, and (ii) any applicable fees and expenses to the Trustee, shall be withdrawn by the Trustee and remitted to the City.

SECTION 5.02. *Allocation of Revenues.* On or before each Interest Payment Date, the Trustee shall transfer from the Bond Fund and deposit into the following respective accounts (each of which the Trustee shall establish and maintain within the Bond Fund), the following amounts in the following order of priority:

- (a) Deposit to Interest Account. The Trustee shall deposit in the Interest Account an amount required to cause the aggregate amount on deposit in the Interest Account to be at least equal to the amount of interest becoming due and payable on such Interest Payment Date on all Bonds then Outstanding.
- (b) Deposit to Principal Account. The Trustee shall deposit in the Principal Account an amount required to cause the aggregate amount on deposit in the Principal Account to equal the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) amount of the Bonds coming due and payable on such Interest Payment Date.

SECTION 5.03. *Application of Interest Account.* All amounts in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying interest on the Bonds as it comes due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity).

SECTION 5.04. *Application of Principal Account.* All amounts in the Principal Account shall be used and withdrawn by the Trustee solely to pay the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) amount of the Bonds at their respective maturity dates.

SECTION 5.05. *Reserved.*

SECTION 5.06. *Application of Redemption Fund.* The Trustee shall establish and maintain the Redemption Fund, into which the Trustee shall deposit a portion of the Revenues received, in accordance with a Written Request of the Authority, amounts in which shall be used and withdrawn by the Trustee solely for the purpose of paying the principal and premium (if any) of the Bonds to be redeemed under Section 4.01(a) or (b); *provided, however,* that at any time prior to the selection of Bonds for redemption, the Trustee may apply such amounts to the purchase of Bonds at public or private sale, when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as shall be directed under a Written Request of the Authority, except that the purchase price (exclusive of accrued interest) may not exceed the redemption price then applicable to the Bonds. The Trustee shall be entitled to conclusively rely on any Written Request of the Authority received under this Section 5.06, and shall be fully protected in relying thereon.

SECTION 5.07. *Insurance and Condemnation Fund.*

(a) Establishment of Fund. Upon the receipt of proceeds of insurance or eminent domain with respect to the Leased Property, the Trustee shall establish and maintain an Insurance and Condemnation Fund, to be held and applied as hereinafter set forth in this Section 5.07.

(b) Application of Insurance Proceeds. Any Net Proceeds of insurance against accident to or destruction of the Leased Property collected by the City or the Authority in the event of any such accident or destruction shall be paid to the Trustee under Section 6.3 of the Lease and deposited by the Trustee promptly upon receipt thereof in the Insurance and Condemnation Fund. If the City fails to determine and notify the Trustee in writing of its determination, within 90 days following the date of such deposit, to replace, repair, restore, modify or improve the Leased Property which has been damaged or destroyed, then such Net Proceeds shall be promptly transferred by the Trustee to the Redemption Fund and applied to the redemption of Bonds under Section 4.01(b). Notwithstanding the foregoing sentence, however, if the Leased Property is damaged or destroyed in full, the Net Proceeds of such insurance shall be used by the City to rebuild or replace the Leased Property if such proceeds are not sufficient to redeem Outstanding Bonds equal in aggregate principal amount to the unpaid Lease Payments allocable to the Leased Property. All proceeds deposited in the Insurance and Condemnation Fund and not so transferred to the Redemption Fund shall be applied to the prompt replacement, repair, restoration, modification or improvement of the damaged or destroyed portions of the Leased Property by the City, upon receipt of a Written Request of the City which: (i) states with respect to each payment to be made (A) the requisition number, (B) the name and address of the person to whom payment is due, (C) the amount to be paid and (D) that each obligation mentioned therein has been properly incurred, is a proper charge against the Insurance and Condemnation Fund and has not been the basis of any previous withdrawal; and (ii) specifies in reasonable detail the nature of the obligation. Any balance of the proceeds remaining after such work has been completed as certified by the City under a Written Certificate to the Trustee shall be paid to the City. The Trustee shall be entitled to conclusively rely on any Written Request or Written Certificate received under this subsection (b) of this Section 5.07 and in each case, shall be fully protected in relying thereon.

(c) Application of Eminent Domain Proceeds. If all or any part of the Leased Property is taken by eminent domain proceedings (or sold to a government threatening to exercise the power of eminent domain) the Authority shall deposit or cause to be deposited with the Trustee the Net Proceeds therefrom, which the Trustee shall deposit in the Insurance and Condemnation Fund under Section 6.2(b) of the Lease and which shall be applied and disbursed by the Trustee as follows:

- (i) If the City has not given written notice to the Trustee, within 90 days following the date on which such Net Proceeds are deposited with the Trustee, of its determination that such Net Proceeds are needed for the replacement of the Leased Property or such portion thereof, the Trustee shall transfer such Net Proceeds to the Redemption Fund to be applied towards the redemption of the Bonds under Section 4.01(b).

- (ii) If the City has given written notice to the Trustee, within 90 days following the date on which such Net Proceeds are deposited with the Trustee, of its determination that such Net Proceeds are needed for replacement of the Leased Property or such portion thereof, the Trustee shall pay to the City, or to its order, from said proceeds such amounts as the City may expend for such replacement, upon the filing of Written Requisitions of the City as agent for the Authority.

In each case, the Trustee may conclusively rely upon any notice received under this subsection (c)(ii) of this Section and is protected in relying thereon.

(d) Reliance on Independent Advice. In making any such determination whether to repair, replace or rehabilitate the Leased Property under this Section 5.07, the City may obtain, but is not required to obtain, at its expense, the report of an independent engineer or other independent professional consultant, a copy of which must be filed with the Trustee. The Trustee shall have no duty to review or examine such report. Any such determination by the City is final.

Notwithstanding any other provision of this Section 5.07 or the Lease, the Trustee shall pay to the City all moneys in the Insurance and Condemnation Fund upon the Trustee's receipt of Written Request of the City which states that, pursuant to Section 3.2 of the Lease, the City has substituted other real property for the Leased Property that was damaged or destroyed and that there will be no abatement of the Lease Payments as a result of such damage or destruction.

SECTION 5.08. *Investments.* All moneys in any of the funds or accounts established with the Trustee under this Indenture shall be invested by the Trustee solely in Permitted Investments. Such investments shall be directed by the Authority in a Written Request of the Authority filed with the Trustee at least 2 Business Days in advance of the making of such investments. In the absence of any such directions from the Authority, the Trustee shall invest any such moneys in Permitted Investments which constitute money market funds; provided, however, that any such investment shall be made by the Trustee only if, prior to the date on which such investment is to be made, the Trustee shall have received a Written Request of the Authority specifying a specific money market fund and, if no such Written Request of the Authority is so received, the Trustee shall hold such moneys uninvested. Permitted Investments purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. To the extent Permitted Investments are registrable, such Permitted Investments must be registered in the name of the Trustee.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the Bond Fund, with the exception of the Project Fund. For purposes of acquiring any investments hereunder, the Trustee may commingle funds held by it hereunder. The Trustee or any of its affiliates may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made under this Section 5.08.

Subject to applicable law, the Trustee may make any investments hereunder through its own bond or investment department or trust investment department, or those

of its parent or any affiliate. The Trustee or any of its affiliates may act as sponsor, advisor or manager to the investment provider in connection with any investments made by the Trustee hereunder. The Trustee is hereby authorized, in making or disposing of any investment permitted by this Section, to deal with itself (in its individual capacity) or with any one or more of its affiliates, whether it or such affiliate is acting as an agent of the Trustee or for any third person or is dealing as a principal for its own account. The Trustee may, from time to time, provide the City and the Authority with a list of investments that are available on the Trustee's investment platform, but the Trustee will not give investment advice to the City or the Authority, and the City or the Authority may direct the Trustee to purchase investments that are not included on the list provided by the Trustee. The Trustee shall be entitled to rely conclusively on the Authority's investment direction as to the suitability and legality of the directed investments.

The Trustee shall furnish the Authority periodic cash transaction statements which include detail for all investment transactions effected by the Trustee or brokers selected by the Authority. Upon the Authority's election, such statements will be delivered via the Trustee's Online Trust and Custody service and upon electing such service, paper statements will be provided only upon request. The Authority waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. The Authority further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker.

Under Section 10.5 of the Lease, the City may direct the Authority as to the investment of funds under this Section 5.08, subject to compliance with the provisions of this Article V and Section 6.07.

SECTION 5.09. *Valuation and Disposition of Investments.*

(a) Except as otherwise provided in subsection (b) of this Section, the Authority covenants that all investments of amounts deposited in any fund or account created by or under this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Tax Code) shall be acquired, disposed of and valued at the Fair Market Value thereof as such term is defined in subsection (d) below. The Trustee shall have no duty in connection with the determination of Fair Market Value other than to follow the investment directions of the Authority in any Written Request of the Authority.

(b) The investments in certain funds or accounts (or portions thereof) may be subject to a yield restriction under applicable provisions of the Tax Code; the Authority shall inform the Trustee in writing which funds are subject to a yield restriction.

(c) For the purpose of determining the amount in any fund or account established hereunder, the value of Permitted Investments credited to such fund shall be valued by the Trustee at least annually on or before July 15. The Trustee may sell or present for redemption, any Permitted Investment so purchased by the Trustee whenever it is necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investment is credited, and the Trustee shall not be liable or responsible for any loss resulting from any such Permitted Investment.

(d) For purposes of this Section 5.09, the term “Fair Market Value” means the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm’s length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term “Fair Market Value” means the acquisition price in a bona fide arm’s length transaction (as referenced above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security -- State and Local Government Series which is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

(e) To the extent of any valuations made by the Trustee hereunder, the Trustee may utilize and rely upon computerized or generally recognized securities pricing services that may be available to it, including those available through its regular accounting system (including brokers and dealers).

ARTICLE VI

COVENANTS OF THE AUTHORITY

SECTION 6.01. *Punctual Payment.* The Authority shall punctually pay or cause to be paid the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest and premium (if any) on all the Bonds in strict conformity with the terms of the Bonds and of this Indenture, according to the true intent and meaning thereof, but only out of the Revenues and other amounts pledged for such payment as provided in this Indenture.

SECTION 6.02. *Extension of Payment of Bonds.* The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of all of the Bonds then Outstanding and of all claims for interest thereon which have not been so extended. Nothing in this Section 6.02 limits the right of the Authority to issue Bonds for the purpose of refunding any Outstanding Bonds, and such issuance does not constitute an extension of maturity of the Bonds.

SECTION 6.03. *Against Encumbrances.* The Authority shall not create, or permit the creation of, any pledge, lien, charge or other encumbrance upon the Revenues and other assets pledged or assigned under this Indenture while any of the 2026 Bonds or any Additional Bonds are Outstanding, except the pledge and assignment created by this Indenture. Subject to this limitation, the Authority expressly reserves the right to enter into

one or more other indentures for any of its corporate purposes, and reserves the right to issue other obligations for such purposes.

SECTION 6.04. *Power to Issue Bonds and Make Pledge and Assignment.* The Authority is duly authorized under law to issue the Bonds and to enter into this Indenture and to pledge and assign the Revenues and other amounts purported to be pledged and assigned, respectively, under this Indenture and under the Assignment Agreement in the manner and to the extent provided in this Indenture and the Assignment Agreement. The Bonds and the provisions of this Indenture are and will be the legal, valid and binding special obligations of the Authority in accordance with their terms, and the Authority and the Trustee shall at all times, subject to the provisions of Article VIII and to the extent permitted by law, defend, preserve and protect said pledge and assignment of Revenues and other assets and all the rights of the Bond Owners under this Indenture against all claims and demands of all persons whomsoever.

SECTION 6.05. *Accounting Records.* The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate industry standards, in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of Bonds and all funds and accounts established under this Indenture. The Trustee shall make such books of record and account available for inspection by the Authority and the City, during business hours, upon reasonable notice, and under reasonable circumstances.

SECTION 6.06. *Reserved.*

SECTION 6.07. *Tax Covenants Applicable to the 2026 Bonds.*

(a) Private Business Use Limitation. The Authority shall assure that the proceeds of the 2026 Bonds are not used in a manner which would cause the 2026 Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The Authority may not take any action or permit or suffer any action to be taken if the result of the same would be to cause the 2026 Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The Authority may not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the 2026 Bonds or of any other obligations which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date, would have caused the 2026 Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

(d) Maintenance of Tax Exemption; Record Retention; Compliance with Tax Certificate.

(i) The Authority shall take all actions necessary to assure the exclusion of interest on the 2026 Bonds from the gross income of the Owners of the 2026 Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(ii) The Authority will retain its records of all accounting and monitoring it carries out with respect to the Bonds for at least 3 years after the Bonds mature or are redeemed (whichever is earlier); however, if the Bonds are redeemed and refunded, the Authority will retain its records of accounting and monitoring at least 3 years after the earlier of the maturity or redemption of the obligations that refunded the Bonds.

(iii) The Authority will comply with the provisions of the Certificate as to Arbitrage and the Use of Proceeds Certificate with respect to the Bonds, which are incorporated herein as if fully set forth herein. The covenants of this subsection will survive payment in full or defeasance of the Bonds.

(e) Rebate of Excess Investment Earnings to United States. The Authority shall calculate or cause to be calculated all amounts of excess investment earnings with respect to the 2026 Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, at the times and in the manner required under the Tax Code. The Authority shall pay when due an amount equal to excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code, such payments to be made from amounts paid by the City for that purpose under Section 4.5(d) of the Lease. The Authority shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the 2026 Bonds, records of the determinations made under this subsection (e).

SECTION 6.08. *Enforcement of Lease.* The Trustee shall promptly collect all amounts (to the extent any such amounts are available for collection) due from the City under the Lease. Subject to the provisions of Article VIII, the Trustee may enforce, and take all steps, actions and proceedings which are determined to be reasonably necessary for the enforcement of all of its rights thereunder as assignee of the Authority and for the enforcement of all of the obligations of the City under the Lease.

SECTION 6.09. *Waiver of Laws.* The Authority shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of, any stay or extension law now or at any time hereafter in force that may affect the covenants and agreements contained in this Indenture or in the 2026 Bonds, and all benefit or advantage of any such law or laws is hereby expressly waived by the Authority to the extent permitted by law.

SECTION 6.10. *Further Assurances.* The Authority will make, execute and deliver any and all such further indentures, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the 2026 Bonds of the rights and benefits provided in this Indenture.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

SECTION 7.01. *Events of Default.* The following events constitute Events of Default hereunder:

- (a) Failure to pay any installment of the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of any Bonds when due, whether at maturity as therein expressed, by proceedings for redemption, by acceleration, or otherwise.
- (b) Failure to pay any installment of interest on the Bonds when due.
- (c) Failure by the Authority to observe and perform any of the other covenants, agreements or conditions on its part contained in this Indenture or in the Bonds, if such failure has continued for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, has been given to the Authority by the Trustee; provided, however, if in the reasonable opinion of the Authority the failure stated in the notice can be corrected, but not within such 30-day period, such failure shall not constitute an Event of Default if the Authority institutes corrective action within such 30-day period and thereafter diligently and in good faith cures the failure in a reasonable period of time, which period shall end 180 days after the delivery of such default notice.
- (d) The commencement by the Authority of a voluntary case under Title 11 of the United States Code or any substitute or successor statute.
- (e) The occurrence and continuation of an event of default under and as defined in the Lease.

SECTION 7.02. *Remedies Upon Event of Default.* If any Event of Default occurs, then, and in each and every such case during the continuance of such Event of Default, the Trustee may, and at the written direction of the Owners of a majority in aggregate principal amount of the Bonds at the time Outstanding shall, in each case, upon receipt of indemnification satisfactory to Trustee against the costs, expenses and liabilities to be incurred in connection with such action, upon notice in writing to the Authority, declare the principal of all of the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Bonds contained to the contrary notwithstanding.

Any such declaration is subject to the condition that if, at any time after such declaration and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Authority deposits with the Trustee a sum sufficient to pay all the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and installments of interest on the Bonds payment

of which is overdue, with interest on such overdue principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) at the rate borne by the respective Bonds to the extent permitted by law, and the reasonable fees, charges and expenses (including those of its legal counsel, including the allocated costs of internal attorneys) of the Trustee, and any and all other Events of Default actually known to the Trustee (other than in the payment of principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest on the Bonds due and payable solely by reason of such declaration) have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate has been made therefor, then, and in every such case, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Authority, the City and the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences and waive such Event of Default; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, or shall impair or exhaust any right or power consequent thereon.

Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Bondholder any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Bondholder in any such proceeding without the approval of the Bondholders so affected.

SECTION 7.03. *Application of Revenues and Other Funds After Default.* If an Event of Default occurs and is continuing, all Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of this Indenture shall be applied by the Trustee in the following order of priority:

- (a) To the payment of reasonable fees, charges and expenses of the Trustee (including reasonable fees and disbursements of its legal counsel including outside counsel and the allocated costs of internal attorneys) incurred in and about the performance of its powers and duties under this Indenture;
- (b) To the payment of the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest then due on the Bonds (upon presentation of the Bonds to be paid, and stamping or otherwise noting thereon of the payment if only partially paid, or surrender thereof if fully paid) in accordance with the provisions of this Indenture, as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference;

Second: To the payment to the persons entitled thereto of the unpaid principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of any Bonds

which shall have become due, whether at maturity or by acceleration or redemption, with interest on the overdue principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) at the rate borne by the respective Bonds (to the extent permitted by law), and, if the amount available shall not be sufficient to pay in full all the Bonds, together with such interest, then to the payment thereof ratably, according to the amounts of principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) due on such date to the persons entitled thereto, without any discrimination or preference; and

SECTION 7.04. *Trustee to Represent Bond Owners.* The Trustee is hereby irrevocably appointed (and the successive respective Owners of the Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owners of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the Bonds, this Indenture and applicable provisions of any law. All rights of action under this Indenture or the Bonds may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such Bonds, subject to the provisions of this Indenture. Notwithstanding anything contained herein or in the Lease to the contrary, upon the occurrence and continuance of an Event of Default, before taking any foreclosure action or any action which may subject the Trustee to liability under any federal, state or local environmental law, statute, regulation or ordinance, the Trustee may require that a satisfactory indemnity bond, indemnity or environmental impairment insurance be furnished for the payment or reimbursement of all expenses to which it may be put and to protect it against all liability resulting from any claims, judgments, damages, losses, penalties, fines, liabilities (including strict liability) and expenses which may result from such foreclosure or other action. The Trustee shall not be required to take any foreclosure action if the approval of a government regulator shall be a condition precedent to taking such action, and such approval cannot be obtained.

Anything in the Indenture or Lease to the contrary notwithstanding, the Trustee shall not be required to enter, take possession of, or take any other action whatsoever with respect to the Leased Property unless the Trustee is satisfied that the Trustee will not be subject to any liability under any local, state, or federal environmental laws or regulations of any kind whatsoever or from any circumstances present at the Leased Property relating to the presence, use, management, disposal or contamination by any environmentally hazardous materials or substances of any kind whatsoever.

SECTION 7.05. *Limitation on Bond Owners' Right to Sue.* Notwithstanding any other provision hereof, no Owner of any Bonds has the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture, the Lease or any other applicable law with respect to such Bonds, unless (a) such Owner has given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding have requested the Trustee in writing to exercise the powers

hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) such Owner or Owners have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee has failed to comply with such request for a period of 60 days after such written request has been received by, and said tender of indemnity has been made to, the Trustee; and (e) no direction inconsistent with such written request has been given to the Trustee during such 60 day period by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy hereunder or under law; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture or the rights of any other Owners of Bonds, or to enforce any right under the Bonds, this Indenture, the Lease or other applicable law with respect to the Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of this Indenture.

SECTION 7.06. *Absolute Obligation of Authority.* Nothing herein or in the Bonds contained affects or impairs the obligation of the Authority, which is absolute and unconditional, to pay the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of and interest and premium (if any) on the Bonds to the respective Owners of the Bonds at their respective dates of maturity, or upon acceleration or call for redemption, as herein provided, but only out of the Revenues and other assets herein pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

SECTION 7.07. *Termination of Proceedings.* In case any proceedings taken by the Trustee or by any one or more Bond Owners on account of any Event of Default have been discontinued or abandoned for any reason or have been determined adversely to the Trustee or the Bond Owners, then in every such case the Authority, the Trustee and the Bond Owners, subject to any determination in such proceedings, shall be restored to their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the Authority, the Trustee and the Bond Owners shall continue as though no such proceedings had been taken.

SECTION 7.08. *Remedies Not Exclusive.* No remedy herein conferred upon or reserved to the Trustee, to the Owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

SECTION 7.09. *No Waiver of Default.* No delay or omission of the Trustee or any Owner of the Bonds to exercise any right or power arising upon the occurrence of any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or to the Owners of the Bonds

may be exercised from time to time and as often as may be deemed expedient by the Trustee or the Bond Owners.

SECTION 7.10. *Notice to Bond Owners of Default.* Immediately upon becoming aware of the occurrence of an Event of Default, but in no event later than five Business Days following becoming aware of such occurrence, the Trustee shall promptly give written notice thereof by first class mail, postage prepaid, to the Owner of each Outstanding Bond, unless such Event of Default has been cured before the giving of such notice; *provided, however* that except in the case of an Event of Default described in Sections 7.01(a) or 7.01(b), the Trustee may elect not to give such notice to the Bond Owners if and so long as the Trustee in good faith determines that it is in the best interests of the Bond Owners not to give such notice.

ARTICLE VIII

THE TRUSTEE

SECTION 8.01. *Appointment of Trustee.* U.S. Bank Trust Company, National Association is hereby appointed Trustee by the Authority for the purpose of receiving all moneys required to be deposited with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture. The Authority will maintain a Trustee which is qualified under the provisions of the foregoing provisions of this Article VIII, so long as any Bonds are Outstanding.

SECTION 8.02. *Acceptance of Trusts; Removal and Resignation of Trustee.* The Trustee hereby accepts the express trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

- (a) The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are expressly and specifically set forth in this Indenture and no implied duties or covenants shall be read into this Indenture against the Trustee. If an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by hereunder, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.
- (b) The Authority may remove the Trustee upon 30 days' prior notice, unless an Event of Default has occurred and is then continuing, and shall remove the Trustee (a) if at any time requested to do so by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (b) if at any time the Trustee ceases to be eligible in accordance with Section 8.02, or becomes incapable of acting, or is adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property is appointed, or any public officer takes control or charge of the Trustee or of its

property or affairs for the purpose of rehabilitation, conservation or liquidation.

- (c) The Trustee may at any time resign by giving written notice of such resignation to the Authority and the City, and by giving the Bond Owners notice of such resignation by mail at the addresses shown on the Registration Books.
- (d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. In the event of the removal or resignation of the Trustee under subsections (b) or (c), respectively, the Authority shall promptly appoint a successor Trustee.

If no successor Trustee has been appointed and accepted appointment within 45 days of giving notice of removal or notice of resignation as aforesaid, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture, must signify its acceptance of such appointment by executing and delivering to the Authority, to its predecessor Trustee a written acceptance thereof, and after payment by the Authority of all unpaid fees and expenses of the predecessor Trustee, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Authority or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to the Leased Property held by such predecessor Trustee under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Authority shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Authority shall promptly mail or cause the successor trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which is then rating the Bonds and to the Bond Owners at the addresses shown on the Registration Books. If the Authority fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the

successor Trustee shall cause such notice to be mailed at the expense of the Authority.

- (e) Any Trustee appointed under this Indenture shall be a corporation or association organized and doing business under the laws of any state or the United States of America or the District of Columbia, shall be authorized under such laws to exercise corporate trust powers, shall have (or, in the case of a corporation or association that is a member of a bank holding company system, the related bank holding company has) a combined capital and surplus of at least \$50,000,000, and shall be subject to supervision or examination by a federal or state agency, so long as any Bonds are Outstanding. If such corporation or association publishes a report of condition at least annually under law or to the requirements of any supervising or examining agency above referred to, then for the purpose of this subsection (e), the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If the Trustee at any time ceases to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

SECTION 8.03. *Merger or Consolidation.* Any bank, national banking association, federal savings association, or trust company into which the Trustee may be merged or converted or with which it may be consolidated or any bank, national banking association, federal savings association, or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank, national banking association, federal savings association, or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank, national banking association, federal savings association, or trust company shall be eligible under subsection (e) of Section 8.02 shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

SECTION 8.04. *Liability of Trustee.*

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Authority, and the Trustee shall not assume responsibility for the correctness of the same, or make any representations as to the validity or sufficiency of this Indenture, the Bonds or the Lease (including any right to receive moneys thereunder or the value of or title to the premises upon which the Leased Property is located), nor shall the Trustee incur any responsibility in respect thereof, other than as expressly stated herein in connection with the respective duties or obligations of Trustee herein or in the Bonds assigned to or imposed upon it. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee may become the Owner of Bonds with the same rights it would have if it were not Trustee, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of

Bond Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee is not liable for any error of judgment made by a responsible officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(c) The Trustee is not liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture or assigned to it under the Assignment Agreement.

(d) The Trustee is not liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(e) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder, or any other event which, with the passage of time, the giving of notice, or both, would constitute an Event of Default hereunder unless and until it shall have actual knowledge thereof, or a corporate trust officer shall have received written notice thereof at its Office from the City, the Authority or the Owners of at least 25% in aggregate principal amount of the Outstanding Bonds. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by the Authority or the City of any of the terms, conditions, covenants or agreements herein, under the Lease or the Bonds or of any of the documents executed in connection with the Bonds, or as to the existence of a default or an Event of Default or an event which would, with the giving of notice, the passage of time, or both, constitute an Event of Default. The Trustee is not responsible for the validity, effectiveness or priority of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee shall not be required to ascertain or inquire as to the performance or observance by the City or the Authority of the terms, conditions, covenants or agreements set forth in the Lease, other than the covenants of the City to make Lease Payments to the Trustee when due and to file with the Trustee when due, such reports and certifications as the City is required to file with the Trustee thereunder.

(f) No provision of this Indenture requires the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, receivers or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, receiver or attorney appointed with due care by it hereunder.

(h) The Trustee has no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of the Bond Owners under this Indenture, unless such Owners have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities (including but not limited to fees and expenses of its attorneys), including, without limitations, any liability arising under federal, state or local environmental laws which might be incurred by it in compliance with such request or

direction. No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy.

(i) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of Section 8.02(a), this Section 8.04 and Section 8.05, and shall be applicable to the assignment of any rights under the Lease to the Trustee under the Assignment Agreement.

(j) The Trustee is not accountable to anyone for the subsequent use or application of any moneys (including the proceeds of the Bonds) which are released or withdrawn in accordance with the provisions hereof.

(k) The Trustee makes no representation or warranty, expressed or implied as to the title, value, design, compliance with specifications or legal requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose for the use contemplated by the Authority or the City of the Leased Property. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from the Lease or this Indenture for the existence, furnishing or use of the Leased Property.

(l) The Trustee has no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

(m) The Trustee is authorized and directed to execute the Assignment Agreement in its capacity as Trustee hereunder.

(n) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Authority and/or City shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Authority and/or the City whenever a person is to be added or deleted from the listing. If the Authority and/or City elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's reasonable understanding of such Instructions shall be deemed controlling. The Authority and City understand and agree that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Authority and City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Authority, City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority and/or City. The Trustee shall not be liable for any losses, costs or expenses arising directly or

indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Authority and City agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority and City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(o) In acting or omitting to act pursuant to the Assignment Agreement, the Lease or the Site Lease, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Indenture, including, but not limited to, this Article VIII. Notwithstanding the effective date of this Indenture or anything to the contrary in this Indenture, the Trustee shall have no liability or responsibility for any act or event relating to this Indenture which occurs prior to the date the Trustee formally executes this Indenture and commences acting as Trustee hereunder.

(p) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include, but not be limited to, acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

SECTION 8.05. *Right to Rely on Documents.* The Trustee shall be protected and shall incur no liability in acting or refraining from acting in reliance upon any notice, resolution, request, consent, order, certificate, report, opinion, bonds or other paper or document believed by them to be genuine and to have been signed or presented by the proper party or parties. The Trustee is under no duty to make any investigation or inquiry as to any statements contained or matter referred to in any paper or document but may accept and conclusively rely upon the same as conclusive evidence of the truth and accuracy of any such statement or matter and shall be fully protected in relying thereon. The Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

The Trustee may treat the Owners of the Bonds appearing in the Registration Books as the absolute owners of the Bonds for all purposes and the Trustee shall not be affected by any notice to the contrary.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate, Written Request or Written Requisition of the Authority or the City, and such Written Certificate, Written Request or Written Requisition shall be

full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, Written Request or Written Requisition, and the Trustee shall be fully protected in relying thereon, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable.

SECTION 8.06. *Preservation and Inspection of Documents.* All documents received by the Trustee under the provisions of this Indenture shall be retained in its respective possession and in accordance with its retention policy then in effect and shall, upon reasonable notice to Trustee, be subject to the inspection of the Authority, the City and any Bond Owner, and their agents and representatives duly authorized in writing, during business hours and under reasonable conditions as agreed to by the Trustee.

SECTION 8.07. *Compensation and Indemnification.* The Authority shall pay to the Trustee from time to time, on demand, the compensation for all services rendered under this Indenture and also all reasonable expenses, advances (including any interest on advances), charges, legal (including outside counsel and the allocated costs of internal attorneys) and consulting fees and other disbursements, incurred in and about the performance of its powers and duties under this Indenture.

The Authority shall indemnify the Trustee, its officers, directors, employees and agents against any cost, loss, liability, suit, claim, damages, judgment or expense whatsoever (including but not limited to fees and expenses of its attorneys) incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust and this Indenture, the Assignment Agreement, the Site Lease and the Lease, including costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers hereunder or under the Assignment Agreement or the Lease. As security for the performance of the obligations of the Authority under this Section 8.07 and the obligation of the Authority to make Additional Rental Payments to the Trustee, the Trustee shall have a lien prior to the lien of the Bonds upon all property and funds held or collected by the Trustee as such. The rights of the Trustee and the obligations of the Authority under this Section 8.07 shall survive the resignation or removal of the Trustee or the discharge of the Bonds and this Indenture and the Lease. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

ARTICLE IX

MODIFICATION OR AMENDMENT HEREOF

SECTION 9.01. *Amendments Permitted.*

(a) Amendments With Bond Owner Consent. This Indenture and the rights and obligations of the Authority and of the Owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time by Supplemental Indenture, which the Authority and the Trustee may enter into when the written consents of the Owners of a majority in aggregate principal amount of all Bonds then Outstanding are filed with the Trustee. No such modification or amendment may (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or extend the time of payment, or change the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or permit the creation of any lien on the Revenues and other assets pledged under this Indenture prior to or on a parity with the lien created by this Indenture except as permitted herein, or deprive the Owners of the Bonds of the lien created by this Indenture on such Revenues and other assets (except as expressly provided in this Indenture), without the consent of the Owners of all of the Bonds then Outstanding. It is not necessary for the consent of the Bond Owners to approve the particular form of any Supplemental Indenture, but it is sufficient if such consent approves the substance thereof.

(b) Amendments Without Owner Consent. This Indenture and the rights and obligations of the Authority, of the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority and the Trustee may enter into without the consent of any Bond Owners, if the Trustee has been furnished an opinion of counsel that the provisions of such Supplemental Indenture shall not materially adversely affect the interests of the Owners of the Bonds, including, without limitation, for any one or more of the following purposes:

- (i) to add to the covenants and agreements of the Authority in this Indenture contained, other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Authority;
- (ii) to cure any ambiguity, inconsistency or omission, or to cure or correct any defective provision, contained in this Indenture, or in regard to matters or questions arising under this Indenture, as the Authority deems necessary or desirable, provided that such modification or amendment does not materially adversely affect the interests of the Bond Owners, in the opinion of Bond Counsel filed with the Trustee;

SECTION 10.03. *Deposit of Money or Securities with Trustee.* Whenever in this Indenture it is provided or permitted that there be deposited with or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by the Trustee in the funds and accounts established under this Indenture and shall be:

provided, in each case, that (i) the Trustee shall have been irrevocably instructed (by the terms of this Indenture or by Written Request of the Authority) to apply such money to the payment of such principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption), interest and premium (if any) with respect to such Bonds, and (ii) the Authority shall have delivered to the Trustee an opinion of Bond Counsel to the effect that such Bonds have been discharged in accordance with this Indenture (which opinion may rely upon and assume the accuracy of the Independent Accountant's opinion referred to above). The Trustee shall be entitled to conclusively rely on such Written Request or opinion and shall be fully protected, in each case, in relying thereon.

SECTION 10.04. *Unclaimed Funds.* Notwithstanding any provisions of this Indenture, any moneys held by the Trustee in trust for the payment of the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of, or interest on, any Bonds and remaining unclaimed for 2 years after the principal (including the principal amount of any Term Bonds that is subject to mandatory sinking fund redemption) of all of the Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Indenture), if such moneys were so held at such date, or 2 years after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall be repaid (without liability for interest) to the Authority free from the trusts created by this Indenture, and all liability of the Trustee with respect to such moneys shall thereupon cease; *provided, however,* that before the repayment of such moneys to the Authority as aforesaid, the Trustee shall (at the cost of the Authority) first mail to the Owners of Bonds which have not yet been paid, at the addresses shown on the Registration Books, a notice, in such form as may be deemed appropriate by the Trustee with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the Authority of the moneys held for the payment thereof.

Nevertheless, the Authority may, but is not required to, advance for any of the purposes hereof any funds of the Authority which may be made available to it for such purposes.

SECTION 11.02. *Limitation of Rights to Parties and Bond Owners.* Nothing in this Indenture or in the Bonds expressed or implied is intended or shall be construed to give to any person other than the Authority, the Trustee, the City and the Owners of the Bonds, any legal or equitable right, remedy or claim under or in respect of this Indenture or any covenant, condition or provision therein or herein contained; and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of the Authority, the Trustee, the City and the Owners of the Bonds.

SECTION 11.06. *Severability of Invalid Provisions.* If any one or more of the provisions contained in this Indenture or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Indenture and such invalidity, illegality or unenforceability shall not affect any other provision of this Indenture, and this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The Authority hereby declares that it would have entered into this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses or phrases of this Indenture may be held illegal, invalid or unenforceable.

The CITY OF MOUNTAIN VIEW CAPITAL IMPROVEMENTS FINANCING AUTHORITY, a public body corporate and politic duly organized and existing under the laws of the State of California (the "Authority"), for value received, hereby promises to pay to the Registered Owner specified above or registered assigns (the "Registered Owner"), on the Maturity Date specified above (subject to any right of prior redemption hereinafter provided for), the Principal Amount specified above, in lawful money of the United States of America, and to pay interest thereon in like lawful money from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this Bond unless (i) this Bond is authenticated on or before an Interest Payment Date and after the close of business on the 15th day of the month preceding such interest payment date, in which event it shall bear interest from such Interest Payment Date, or (ii) this Bond is authenticated on or before October 15, 2026, in which event it shall bear interest from the Original Issue Date specified above; *provided, however*, that if at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on this Bond, at the Interest Rate per annum specified above, payable semiannually on May 1 and November 1 in each year, commencing November 1, 2026 (the "Interest Payment Dates"), calculated on the basis of a 360-day year composed of twelve 30-day months.

Principal hereof and premium, if any, upon early redemption hereof are payable upon presentation and surrender hereof at the designated corporate trust office of U.S.

Bank Trust Company, National Association (the "Trust Office"), as trustee (the "Trustee"). Interest hereon is payable by check of the Trustee mailed to the Registered Owner hereof at the Registered Owner's address as it appears on the registration books of the Trustee as of the close of business on the fifteenth day of the month preceding each Interest Payment Date (a "Record Date"), or, upon written request filed with the Trustee as of such Record Date by a registered owner of at least \$1,000,000 in aggregate principal amount of Bonds, by wire transfer in immediately available funds to an account in the United States designated by such registered owner in such written request.

This Bond is not a debt of the City of Mountain View (the "City"), the County of Santa Clara, the State of California, or any of its political subdivisions, and neither the City, said County, said State, nor any of its political subdivisions, is liable hereon nor in any event shall this Bond be payable out of any funds or properties of the Authority other than the Revenues.

This Bond is one of a duly authorized issue of bonds of the Authority designated as the "City of Mountain View Capital Improvements Financing Authority Lease Revenue Bonds, Series 2026 (Public Safety Building Project)" (the "Bonds"), in an aggregate principal amount of \$[Principal Amount], all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities, interest rates or redemption provisions) and all issued under the provisions of Article 4 of Chapter 5, Division 7, Title 1 of the Government Code of the State of California, commencing with Section 6584 of said Code, and under an Indenture of Trust dated as of May 1, 2026, between the Authority and the Trustee (the "Indenture") and a resolution of the Authority adopted on April 14, 2026, authorizing the issuance of the Bonds. Reference is hereby made to the Indenture (copies of which are on file at the office of the Authority) and all supplements thereto for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Revenues, and the rights thereunder of the owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Authority thereunder, to all of the provisions of which the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds have been issued by the Authority to provide financing for the acquisition and construction of certain public improvements. This Bond and the interest and premium, if any, hereon are special obligations of the Authority, payable from the Revenues, and secured by a charge and lien on the Revenues as defined in the Indenture, consisting principally of lease payments made by the City under a Lease Agreement dated as of May 1, 2026, between the Authority as lessor and the City as lessee (the "Lease"). As and to the extent set forth in the Indenture, all of the Revenues are exclusively and irrevocably pledged in accordance with the terms hereof and the provisions of the Indenture, to the payment of the principal of and interest and premium (if any) on the Bonds.

The Authority has the authority to issue Additional Bonds under the Indenture that would be secured by and payable from Revenues on a parity basis with the Bonds.

The rights and obligations of the Authority and the owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or premium (if any) thereon, or extend the time of payment, or change the method of computing the rate of interest

thereon, or extend the time of payment of interest thereon, without the consent of the owner of each Bond so affected.

The Bonds maturing on or before May 1, _____, are not subject to optional redemption prior to their stated maturity. The Bonds maturing on or after May 1, _____, are subject to redemption, as a whole or in part at the election of the Authority among maturities on such basis as designated by the Authority and by lot within a maturity, at the option of the Authority, on May 1, _____, and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The Bonds are subject to redemption as a whole, or in part by lot, on any date, to the extent of any net proceeds of hazard or title insurance with respect to the property which has been leased under the Lease (the "Leased Property") or any portion thereof which are not used to repair or replace the Leased Property pursuant to the Lease, or to the extent of any net proceeds arising from the disposition of the Leased Property or any portion thereof in eminent domain proceedings which the City elects to be used for such purpose pursuant to the Lease, at a redemption price equal to the principal amount thereof plus interest accrued thereon to the date fixed for redemption, without premium.

The Bonds are subject to mandatory sinking fund redemption as specified in the Indenture.

As provided in the Indenture, notice of redemption will be mailed by the Trustee by first class mail not less than 20 nor more than 60 days prior to the redemption date to the respective owners of any Bonds designated for redemption at their addresses appearing on the registration books of the Trustee, but neither failure to receive such e-notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption or the cessation of accrual of interest thereon from and after the date fixed for redemption. Notice of any optional redemption of the Bonds may be conditioned upon receipt of funds for the redemption, and may be rescinded under the circumstances set forth in the Indenture, upon notice to the owners of such Bonds.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Trust Office, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer, a new Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. This Bond may be exchanged at the Trust Office for Bonds of the same tenor, aggregate principal amount, interest rate and maturity, of other authorized denominations.

The Authority and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Authority and the Trustee shall not be affected by any notice to the contrary.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Authority or the Trustee for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

It is hereby certified by the Authority that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time, form and manner as required by the Ordinance and the laws of the State of California and that the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Ordinance or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the City of Mountain View Capital Improvements Financing Authority has caused this Bond to be executed in its name and on its behalf with the facsimile signature of its Manager and attested to by the facsimile signature of its Secretary, all as of the Original Issue Date specified above.
