SUBJECT: **Mountain View Whisman School District Outdoor Learning Project**

PURPOSE

The Commission will receive a presentation from the Mountain View Whisman School District and Carducci Associates on the District's Outdoor Learning Project. The Commission may provide comment on this item.

BACKGROUND AND ANALYSIS

The Mountain View Whisman School District (MVWSD) is funding school yard improvements at all 11 middle and elementary schools as part of an Outdoor Learning Project. Attachment 1 provides a brief history and overview of the project. The Commission will receive a presentation from representatives from Carducci Associates and MVWSD on the progress of this project and share revised concepts for the Commission to provide comments on. Attachment 2 includes these revised concepts.

FISCAL IMPACT—There is no fiscal impact to the City as this is a MVWSD project.
