No person shall encroach on, in over or under any real property, including easements, owned by the city, except as authorized by this code, by any structure or object of any kind or character, temporary or permanent in nature, and whether such encroachment is real, personal or mixed property, without first obtaining a permit to do so from the public works director. Application for a permit to encroach on city-owned property shall be made by and in the name of the owner or person lawfully entitled to use the real property in connection with which the permit is sought to be obtained, and shall be acknowledged by the applicant. The application shall be filed with the public works director. The director, or authorized designee, is hereby empowered, to deny or

withhold approval of a permit if exercise of the proposed permit would interfere with public works that are existing or contemplated to be constructed, or if the proposed permit would cause public property to be or become in a dangerous or defective condition or unreasonably endanger or interfere with public health, safety or convenience. The director, or designee, may approve the application either as submitted, or subject to such terms and conditions as he/she shall consider necessary for the safeguarding of life, property and city. As required by the public works director, the applicant shall provide a detailed drawing of the encroachment suitable for recordation and acceptable by the public works director or designee prior to the issuance of an encroachment permit. The cost of processing an encroachment permit shall be set by resolution or ordinance of the city council and shall be paid by the applicant prior to issuance of the permit.

The City Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional.

Section 9. Pursuant to Section 522 of the Mountain View City Charter, it is ordered that copies of the foregoing proposed ordinance be posted at least two (2) days prior to its adoption in three (3) prominent places in the City and that a single publication be made to the official newspaper of the City of a notice setting forth the title of the ordinance, the date of its introduction, and a list of the places where copies of the proposed ordinance are posted.

Section 10. This ordinance is not subject to the California Environmental Quality Act (“CEQA”) pursuant to Sections 15060(c)(2) of the CEQA Guidelines (Title 14, Chapter 3 of the California Code of Regulations) (the activity will not result in a direct or reasonable foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378 of the CEQA Guidelines because
