- SAVE TREE*
- * SHALL BE COORDINATED WITH ARBORIST, LANDSCAPE ARCHITECT, OWNER, ADJACENT PROPERTY OWNERS, AND CITY OF MOUNTAIN VIEW

- Protect Tree (See Notes for Each Tree) Sidewalk
- Cannot Save (Building/Stoop Conflict)
- Realigned sidewalk to avoid removal of (e) tree

Trees to be protected if existing attached sidewalk is unchanged: #86, #88, #90, #92

#85- Directly in front of building stoop

#89- Directly in front of building stoop

#91- Directly in front of building stoop

#45- Protect Tree

Realign paving to give sufficient buffer to preserve tree #45

Stormwater Basin to be reshaped

Relocated JT Transformer (in sidewalk)

Skew sidewalk

Short retaining wall along sidewalk to account for grade difference between tree and adjacent sidewalk

#231 Utility conflict

#229, 230, Directly in front of building stoop

#228 Conflict with VTA bus stop

#237 Utility conflict
