### **BACKGROUND**

On May 8, 2018, the City Council adopted Resolution No. 18210 conditionally approving a vesting tentative map to subdivide an existing 0.91-acre site at 257-279 Calderon Avenue, creating four (4) lots and two (2) common lots for condominium purposes.

### **ANALYSIS**

The developer has met all conditions of approval relating to the final map (Attachment 2), and the disposition of these conditions (Attachment 3) is as follows:

1. The final map was reviewed and is ready for approval and recordation. The number of lots has decreased from four (4) to three (3) on the final map, but the overall configuration and number of the condominium units remains unchanged. The map is in substantial conformance with the vesting tentative map.
2. The subdivision guarantee, County Tax Collector's letter regarding unpaid taxes for assessment, and subdivision security were submitted to the City.
3. A soils report was prepared and referenced on the final map. The developer, through its registered soils engineer/geologist, has certified that the project complies with the requirements of the State Seismic Hazard Map Act.

4. A copy of the final map is attached to this report (Attachment 2).
5. The developer paid subdivision fees, including the map check fee, plan check fee, construction inspection fee, and Park Land Dedication In-Lieu Fee.
6. The developer has offered to dedicate a street right-of-way in fee along Calderon Avenue for public street purposes.
7. The developer has offered to dedicate public and private utility easements for the on-site utilities and an emergency vehicle access easement on the map.
8. Covenants, Conditions, and Restrictions (CC&Rs) have been submitted by the developer and approved by the City Attorney and the Community Development Department.
9. All on-site telephone, electric, and cable television services shall be placed underground.
10. The developer signed an improvement agreement to construct public and private improvements and submitted the required bonds and insurance.
11. The Public Works Department approved the improvement plans for the public improvements.
12. The development complies with the relevant provisions of Chapters 27 and 28 of the Mountain View City Code and City's Standard Design Criteria.
13. The map is consistent with the Planned Unit Development Permit and Development Review Permit, Application No. PL-2017-313, conditions of approval.
14. The vesting tentative map was approved on May 8, 2018, and the final map is recommended for approval within 24 months of that date, meeting the requirements of the Subdivision Map Act.
