Recommendation(s): The purpose of this Study Session is to obtain City Council input to guide staff in the preparation of the Proposed Fiscal Year 2017-18 through Fiscal Year 2021-22 Capital Improvement Program (CIP). This report presents: (1) estimated project funding availability over the five-year planning period; (2) projects that have been proposed for funding; and (3) staff's initial thoughts on preparing a proposed CIP.

Because of the large number of possible projects and variety of funding sources available this year, staff is seeking direction on a number of policy questions rather than decisions on all individual projects. Based on Council direction, the Proposed CIP will be presented to the Council at a Study Session in April when a more detailed evaluation is anticipated.

NOTICE

There is a 90-day limit for the filing of a challenge in Superior Court to certain City administrative decisions and orders which require a hearing by law, the receipt of evidence and the exercise of discretion. The 90-day limit begins on the date the decision is final (Code of Civil Procedure Section 1094.6). Further, if you challenge an action taken by the City Council in court, you may be limited, by California law, including but not limited to Government Code Section 65009, to raising only those issues you or someone else raised in the public hearing, or in written correspondence delivered to the City Council prior to or at the public hearing. The City Council may be requested to reconsider a decision if the request is made prior to the next City Council meeting, regardless of whether it is a regular or special meeting. Any writings or documents provided to a majority of the City Council regarding any item on this agenda will be made available for public inspection in the City Clerk's Office, 500 Castro Street, Third Floor, during normal business hours and at the Council Chambers at City Hall, Second Floor, during the meeting. In addition, such writings and documents will be posted on the City's web site at www.mountainview.gov.

ADDRESSING THE COUNCIL

Interested persons are entitled to speak on any action item listed on the agenda and are requested to fill out the blue cards available at the rear of the Council Chambers and deposit them with the clerk or at the podium as soon as completed. This will assure that your name and city of residence are accurately recorded in the minutes and that your interest in speaking is recognized. If you wish to speak and are not recognized by the Mayor, please approach the podium prior to completion of discussion on the item. Speakers are allowed up to three minutes each, and if a large group wishes to express its views, it is more effective to have one spokesperson.

Items on the "Consent Calendar" are not discussed individually but are approved as a group with one motion. If a citizen wishes to speak on an item on the Consent Calendar, he or she may come to the podium at the time announced by the Mayor and request that the item be pulled for discussion by the Council.

Anyone wishing to address the Council on a nonagenda item may do so during the "Oral Communications" part of the agenda. Speakers are allowed to speak one time on any number of topics for up to three minutes.

Reducing Time For Public Input: For any single agendized item and for Oral Communications from the Public, if there appears to be 15 or more speakers and the Council might not be able to conclude the scheduled agenda items for the meeting if speakers were allotted three (3) minutes each, the Mayor may reduce speaking time to no less than two (2) minutes per speaker unless there is an objection from Council, in which case majority vote shall decide the issue without debate.
