#### Reason for Appeal (Continued)

#### 1. Page 6 bottom to page 7 top

"Respondent's staff illegally entered the Affected Unit and that they should be subject to penalties under State law".

Page 8 - "On November 3, 2023, an incorrectly written notice to enter was posted at the Affected Unit...."

In page 6, the petitioner complained the respondent illegally entered the affected unit multiple times.

In page 8, the respondent acknowledge they use the wrong form, wrong repair reasons, wrong time period, mistakenly post entry notice, and repeatedly entry the affected unit many times improperly.

Based on California Tenant's right, page 74, step 3, (Tenant) "You can ask up for \$2000 as a penalty".

But Hearing Officer did not consider this.

#### 2. Page 23 -"Failure to Maintain Habitable Premises"

The hearing decision show clearly the respondent did not fulfill the responsibility to "Maintain Habitable Premises". It took Petitioner's a lot of time to request the service and spend time for the hearing process. The hearing decision did not compensate any time spending cost of Petitioner.

#### 3. Page 18 - finding 27:

"...damaged some personal possessions, which had to be thrown away".

These items include some cosmetic product of the petitioner and are worth \$500. But Hearing Officer did not count this.

#### 4. Page 27 - Bedbug

The Petitioner complain the bedbug and the show the Symptoms of the bite during the hearing. But the hearing officer make the decision only based on the pest control report from respondent. The more obviously symptoms of bedbug is ignored.

#### 5. Page 31 - Stove

The Hearing decision listed clearly:

The petitioner complain - "the stove (shaking, dirty, old). Need change new one."

The Inspection Report - "[t]he range cook top is not secure and can easily shift, have a repair technician locate the cause and correct."

The respondent did not take any action so far.

So the appropriate time period is from September 6, 2023 to now about 13 months. The reduction of rent for the malfunctioning stove need re-calculated as total \$882.40.

#### 6. page 33 - carpet/cleaning

"Ms. Wang was assured by Mr. Rao and Ms. Rao that additional cleaning would be performed, but it was not done. The facts are contradictory as to why the additional cleaning did not happen."

It is very clear the respondent owe one additional cleaning service to the petitioner, which is worth about \$400. But hearing decision did not compensate this.

Overall, the respondent illegally entered the affected unit repeatedly. "A landlord may not abuse the right of access or use it to harass the tenant. (Id. at § 1954(c).) Landlords must not interfere with tenants' right to the quiet enjoyment of their rental unit. (Civil Code § 1927.)".

Even during the hearing process, the respondent still threatened to evict the petitioner out and illegally entered the affected unit.
