

CITY COUNCIL POLICY

SUBJECT: PUBLIC ART AND CIP PROJECTS

NO.: K-5

POLICY:

Capital Improvement Program (CIP) projects for new parks, new buildings, major renovations of buildings, new bridges, new or renovated public plazas, new trails or trail extensions, new bicycle/pedestrian over- or undercrossings, or other capital projects as directed by the City Council with construction hard costs of \$1.0 million or greater shall allocate two percent (2%) of the construction budget, not to exceed \$400,000 (Cost Limit), for the selection, purchase, and installation of significant appropriate piece(s) of artwork. The Cost Limit shall be adjusted every five (5) years based on the Construction Cost Index beginning January 1, 2027. All artwork selected and purchased shall be incorporated as an integral part of the project design. This artwork may consist of works integrated into the project, acquisitions, art commissioned, or other appropriate installations. The Visual Arts Committee is responsible for advising the City Council on the selection of art and artists for qualifying CIP projects.
