TITLE: Consider Rescinded Resignation of Parks and Recreation Commissioner

RECOMMENDATION

Accept Parks and Recreation Commissioner Paul Hepfer's request to rescind his resignation to allow him to serve the remainder of his term through December 31, 2018.

BACKGROUND

The Council Appointments Review Committee (CARC) met on August 28, 2018, to consider Parks and Recreation Commissioner Paul Hepfer's rescinded resignation. Paul Hepfer, serving a term through December 31, 2018, resigned from the Parks and Recreation Commission (PRC) on May 9, 2018 to be effective after the August PRC meeting. On June 19, Commissioner Hepfer requested to withdraw his resignation in order to remain on the commission through October to help avoid any potential issues with a lack of quorum for the commission. As Commissioner Hepfer was appointed by the Council, Council must consider whether to accept the withdrawal of his original resignation.

Following discussion with staff, the CARC (2-0-1, Rosenberg absent) recommended to the City Council to approve Paul Hepfer's rescinded resignation and allow him to serve the remainder of his term through December 31, 2018.
