TITLE: **Final Map Approval, Tract No. 10261,
129 Ada Avenue**

RECOMMENDATION

Adopt a Resolution Approving the Final Map of Tract No. 10261, Accepting Dedications and Making Findings as Required by the City Code, to be read in title only, further reading waived (Attachment 1 to the Council report).

BACKGROUND

On April 8, 2014, the City Council adopted Resolution No. 17848 conditionally approving a tentative map to subdivide an existing 0.50-acre site at 129 Ada Avenue, creating four residential lots and two common lots for a shared driveway and landscaping.

ANALYSIS

The developer has met all conditions of approval relating to the final map (Attachment 2), and the disposition of these conditions (Attachment 3) is as follows:

1. The final map was reviewed and is ready for approval and recordation.
2. The subdivision guarantee, County Tax Collector's letter regarding unpaid taxes for assessment, and subdivision security were submitted to the City.
3. A soils report was prepared and referenced on the final map. The developer, through its registered soils engineer/geologist, has certified that the project complies with the requirements of the State Seismic Hazard Map Act.
4. A copy of the final map is attached to this report (Attachment 2).

5. The developer paid subdivision fees, including the map check fee, plan check fee, construction inspection fee, and Park Land Dedication In-Lieu fees.
6. The developer offers to dedicate right-of-way along both Minaret Avenue and Ada Avenue for public street purposes on the map.
7. The developer offers to dedicate public utility easements for the on-site utilities on the map.
8. The developer offers to dedicate a public access easement for pedestrian access purposes on the map.
9. Covenants, Conditions, and Restrictions (CC&Rs) have been submitted by the developer and approved by the City Attorney and the Community Development Department.
10. All on-site telephone, electric, and cable television services shall be placed underground.
11. The developer signed an improvement agreement to construct public and private improvements and submitted the required bonds and insurance.
12. The Public Works Department approved the improvement plans for the public and private improvements.
13. The development complies with the relevant provisions of Chapters 27 and 28 of the Mountain View City Code and City's Standard Design Criteria.
14. The map is consistent with the Planned Unit Development and Development Review Permits, Application No. 171-13-PUD, conditions of approval.
15. The tentative map was approved on April 8, 2014, and the final map is recommended for approval within 24 months of that date, meeting the requirements of the Subdivision Map Act.

FISCAL IMPACT

The developer, TRI Pointe Home, Inc., paid \$103,041.80 in subdivision fees, including \$82,800 in Park Land Dedication In-Lieu fees.

ALTERNATIVES

Determine that the tract map is not consistent with the tentative map or applicable codes and do not approve the tract map and dedication.
