**POSTCARD SURVEY – PLEASE RESPOND BY MAY 20, 2019
PARK DRIVE, PARK COURT, AND SONIA WAY RECONSTRUCTION**

Dear Resident/Property Owner:

The City of Mountain View is proposing to reconstruct the following streets:

- Park Drive: between Miramonte Avenue and Sonia Way
- Sonia Way: between Miramonte Avenue and Castro Street
- Park Court: from Park Drive to the end

As part of the street reconstruction, existing curb and gutter will also be replaced. Most of the current streets have rolled curbs. The City has identified two types of new curbs, vertical curb and rolled curb, for the streets listed above. See examples of these two types of curb and their cross-sections on the next page.

With this survey, the City is seeking input from affected residents and property owners on curb preference. Please respond and return the enclosed postcard with your selection no later than May 20, 2019.

If you have any questions, please feel free to call me at 650-903-6311 or send an e-mail to hoa.nguyen@mountainview.gov.

Sincerely,

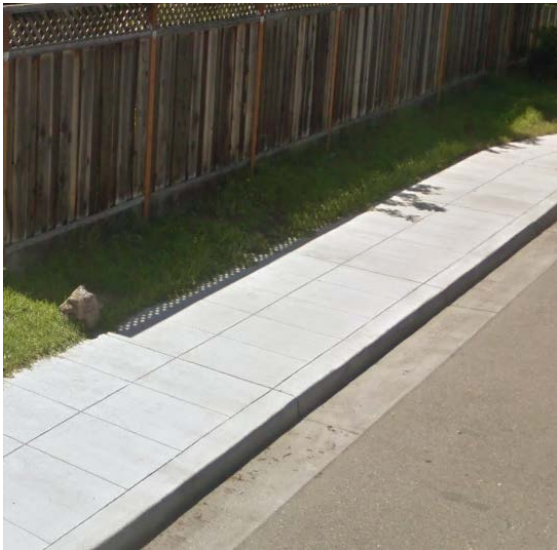

Hoa Nguyen, P.E.
Assistant Civil Engineer
