Hello, Parks and Recreation Commissioners and Officers,

The following is a list of Mountain View residents who signed a petition supporting the Appeal to save the California Redwood tree on the property at 1430 Mercy Street. One signer included the fact that he is a property owner. I personally know that others on the list are property owners, but that fact was not requested by the petition. The petition only asked them to be Mountain View residents. The names are listed chronologically in order of the date on which they signed. Thank you for your kind attention. Leslie Friedman
