Dear Mayor Hicks and members of the City Council,

In making appointments for the RHC this evening, I hope to see you appoint individuals with a commitment to service who will empower tenants and protect the most vulnerable members of our community. I strongly recommend appointing the following applicants: Edie Keating, Alex Brown, and Kevin Ma.

Thank you for your time and consideration,  
Kelsey

Mayor and Council Members,

I wish to address and support Robert Cox's application for the RHC. Robert is a long time resident who has been a renter and is a current homeowner in Mountain View. I believe you are all familiar with his years as a member of the EPC where he provided fair and well-thought out guidance to different councils.

I believe his depth of knowledge of city policies, ordinances and objectives is unmatched and would be of the greatest benefit to our city and residents as we must adapt and meet housing goals while balancing the interests and needs of all parties affected by the decisions of the RHC.

Thank you for your consideration.

Louise Katz  
Mountain View Resident

Mayor and Council Members,

I offer my support for the application of Li Zhang to the RHC. As a former renter, current landlord, homeowner and 22 year resident of our city Li has the broad spectrum of real-life experience which, coupled with her professional qualifications and work experience, will provide Mountain View residents with expertise that will strengthen and guide the RHC as it meets our housing challenges.

Li's education (PhD), professional work in the field of finance which includes understanding and implementation of regulations and law is unique. The 6000+ Mountain View residents who voted for her shows her dedication to the city and her ability to reach out to the community. It also distinguishes her from others as it established her support within the city for a position that will certainly benefit from her knowledge and talent. I hope you will agree that should be the primary metric for choosing who will fill this seat.

Thank you for your consideration.

Louise Katz  
Mountain View resident

Dear City Council:

I am writing to support Kevin Ma's candidacy for the Rental Housing Commission. Kevin is incredibly knowledgeable and evenhanded and would be a great asset to the Commission.
