Mountain View City Council ,

THE MOUNTAIN VIEW COMMUNITY DEMANDS THE MOUNTAIN VIEW CITY COUNCIL
AGENDIZE A CEASEFIRE RESOLUTION.

The community of Mountain View demands their City Council to agendize a ceasefire resolution. Mountain View must add its voice to the call for immediate, permanent ceasefire now. The ceasefire resolution must advocate for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

As a Human Rights City, Mountain View "aspires to be a leader among cities in advancing human rights and human dignity [by] explicitly embracing the principles of equality, inclusion, respect, involvement, and the recognition of human dignity." As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved

ones who have been killed in Israel and Palestine, and Mountain View is no different.

As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved ones who have been killed in Israel and Palestine, and Mountain View is no different.

Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved ones who have been killed in Israel and Palestine, and Mountain View is no different.

Mountain View City Council ,

THE MOUNTAIN VIEW COMMUNITY DEMANDS THE MOUNTAIN VIEW CITY COUNCIL
AGENDIZE A CEASEFIRE RESOLUTION.

The community of Mountain View demands their City Council to agendize a ceasefire resolution. Mountain View must add its voice to the call for immediate, permanent ceasefire now. The ceasefire resolution must advocate for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

As a Human Rights City, Mountain View "aspires to be a leader among cities in advancing human rights and human dignity [by] explicitly embracing the principles of equality, inclusion, respect, involvement, and the recognition of human dignity." As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Mountain View City Council ,

Dear Friends in MV Government,

My family has been in this area for four generations and we are proud civil rights-oriented anti-zionist Jews who have worked alongside the Amah Mutsun and other Mission "Indians", farm workers, migrants, Black people, Muslims, Buddhists, Christians, Palestinians, Vietnamese, Filipino, Mexicans, Chicanos, and others on humanitarian and civil rights issues. We are incensed that our US Congresspeople and Senators are not calling for ceasefire, humanitarian aid to Gaza, and a return of all hostages. If Mountain View will pass a resolution supporting the goals, it will send a strong message to the US government.

We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved

ones who have been killed in Israel and Palestine, and Mountain View is no different.

Mountain View City Council ,

THE MOUNTAIN VIEW COMMUNITY DEMANDS THE MOUNTAIN VIEW CITY COUNCIL
AGENDIZE A CEASEFIRE RESOLUTION.

The community of Mountain View demands their City Council to agendize a ceasefire resolution. Mountain View must add its voice to the call for immediate, permanent ceasefire now. The ceasefire resolution must advocate for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

As a Human Rights City, Mountain View "aspires to be a leader among cities in advancing human rights and human dignity [by] explicitly embracing the principles of equality, inclusion, respect, involvement, and the recognition of human dignity." As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

AGENDIZE A CEASEFIRE RESOLUTION.

The community of Mountain View demands their City Council to agendize a ceasefire resolution. Mountain View must add its voice to the call for immediate, permanent ceasefire now. The ceasefire resolution must advocate for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

As a Human Rights City, Mountain View "aspires to be a leader among cities in advancing human rights and human dignity [by] explicitly embracing the principles of equality, inclusion, respect, involvement, and the recognition of human dignity." As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved ones who have been killed in Israel and Palestine, and Mountain View is no different.

Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved ones who have been killed in Israel and Palestine, and Mountain View is no different.

Mountain View City Council ,

We are strongly urging the City Council to be on the right side of history and democracy - stand up for JUSTICE & PEACE NOW! Stop thinking only about how to get reelected; the people of Palestine don't deserve this cowardice and ignorance! Real people, families and cultures are being destroyed. Don't you care about the future of humanity? Won't you take a stand with us now!

We are asking you to agendize a ceasefire resolution for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

Thank you for your time and consideration.

Mountain View City Council ,

THE MOUNTAIN VIEW COMMUNITY DEMANDS THE MOUNTAIN VIEW CITY COUNCIL
AGENDIZE A CEASEFIRE RESOLUTION.

The community of Mountain View demands their City Council to agendize a ceasefire resolution. Mountain View must add its voice to the call for immediate, permanent ceasefire now. The ceasefire resolution must advocate for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

As a Human Rights City, Mountain View "aspires to be a leader among cities in advancing human rights and human dignity [by] explicitly embracing the principles of equality, inclusion, respect, involvement, and the recognition of human dignity." As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

The City of San Jose cannot vote for a resolution because of council restrictions, but a letter supporting a ceasefire was signed by all city council members and the mayor. The Santa Clara County Board of Education passed a resolution on January 29. These are communities with students and families with loved ones who have been killed in Israel and Palestine, and Mountain View is no different.

Please show your caring for the lives and well-being of your constituents and the family members they care about by voting to agendize a resolution that would include a ceasefire. Don't turn your backs on human beings in need!

Sincerely,
Wendy Greenfield
