Subject: Thanking City Leaders for Compassion After Losing Family to Hamas Violence

CAUTION: EXTERNAL EMAIL - Ensure you trust this email before clicking on any links or attachments.

Hello,

I'm Eran, a fellow Mountain View resident who has experienced immense personal tragedy due to the Israel-Hamas conflict, I want to thank the City Council for its nuanced and balanced statement regarding this war and its impacts on local residents like myself. On October 7th, 6 of my own relatives were tragically slaughtered by Hamas, and my dad's 80-year-old aunt was kidnapped.

My family is absolutely devastated and traumatized. So the support and empathy shown by our local leaders during this darkest of times is deeply meaningful to us. Like many others in our community with personal connections to the region, we have felt incredibly isolated in our grief. Your statement acknowledging our pain and loss goes a long way in providing some comfort. Moving forward, I hope the City Council continues on this path of promoting unity, compassion and mutual understanding regarding this conflict.

Please reject any calls by outside groups to bring divisive resolutions about foreign affairs to our community. We have seen how such resolutions have inflamed tensions and provoked hate incidents in other cities. Together, we must ensure Mountain View remains a welcoming place for all residents, regardless of background or connection to this tragic situation. Thank you again for your leadership and ongoing support for Mountain View families like mine who are coping with unimaginable heartbreak stemming from this war. Your words and actions make a meaningful difference.

As a Mountain View resident, I want to thank the City Council for its nuanced and balanced statement regarding the Israel-Hamas War and its impacts on local residents. Many in our community with personal connections to the region are feeling isolated and traumatized, and the support of local leaders is deeply meaningful. Moving forward, I hope you continue on this path of unity and empathy and reject calls by outside groups to bring divisive resolutions to our community. We have seen how resolutions on foreign affairs have exacerbated tensions and provoked hate incidents in other cities, and together we must ensure Mountain View remains a welcoming city for residents of all backgrounds. Thanks for your ongoing support and leadership.

Best,
Elo

Subject: [3/19 Item #5] Agendize a Ceasefire Resolution in Mountain View

CAUTION: EXTERNAL EMAIL - Ensure you trust this email before clicking on any links or attachments.

Mountain View City Council ,

THE MOUNTAIN VIEW COMMUNITY DEMANDS THE MOUNTAIN VIEW CITY COUNCIL
AGENDIZE A CEASEFIRE RESOLUTION.

The community of Mountain View demands their City Council to agendize a ceasefire resolution. Mountain View must add its voice to the call for immediate, permanent ceasefire now. The ceasefire resolution must advocate for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

As a Human Rights City, Mountain View "aspires to be a leader among cities in advancing human rights and human dignity [by] explicitly embracing the principles of equality, inclusion, respect, involvement, and the recognition of human dignity." As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved ones who have been killed in Israel and Palestine, and Mountain View is no different.

As a Sunnyvale (neighbor to Mountain View) resident in the past 22 years,

I want to thank the City Council for its nuanced and balanced statement regarding the Israel-Hamas War and its impacts on local residents. Many in our community with personal connections to the region are feeling isolated and traumatized, and the support of local leaders is deeply meaningful. Moving forward, I hope you continue on this path of unity and empathy and reject calls by outside groups to bring divisive resolutions to our community. We have seen how resolutions on foreign affairs have exacerbated tensions and provoked hate incidents in other cities, and together we must ensure Mountain View remains a welcoming city for residents of all backgrounds.

Thanks for your ongoing support and leadership!

THE MOUNTAIN VIEW COMMUNITY DEMANDS THE MOUNTAIN VIEW CITY COUNCIL
AGENDIZE A CEASEFIRE RESOLUTION.

The community of Mountain View demands their City Council to agendize a ceasefire resolution. Mountain View must add its voice to the call for immediate, permanent ceasefire now. The ceasefire resolution must advocate for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

As a Human Rights City, Mountain View "aspires to be a leader among cities in advancing human rights and human dignity [by] explicitly embracing the principles of equality, inclusion, respect, involvement, and the recognition of human dignity." As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved ones who have been killed in Israel and Palestine, and Mountain View is no different.

Dear city council,

I live in the border of Sunnyvale and Mountain View, and love to shop, eat, going to the theater with my kids and enjoy Mountain View city.

As an Israeli American Jew I want to thank the City Council for its nuanced and balanced statement regarding the Israel-Hamas War and its impacts on local residents.

Many in our community feel isolated and traumatized, and the support of local leaders is deeply meaningful

Moving forward, I hope you continue on this path of unity and empathy and reject calls by outside groups to bring
.divisive resolutions to our community

We have seen how resolutions on foreign affairs have exacerbated tensions and provoked hate incidents in other cities,
.and together we must ensure Mountain View remains a welcoming city for residents of all backgrounds

Thanks for your ongoing
support and leadership
