As a Mountain View resident, I want to thank the City Council for its nuanced and balanced statement regarding the Israel-Hamas War and its impacts on local residents. Many in our community with personal connections to the region are feeling isolated and traumatized. The support of local leaders is deeply meaningful.

Moving forward, I hope that we as a community and you as our City Council continue on this path of unity and empathy, rejecting calls to bring divisive resolutions to our community. We have seen how resolutions on foreign affairs have exacerbated tensions and provoked hate incidents in other cities. Together we must ensure that Mountain View remains a welcoming city for residents of all backgrounds.

Thank you for your ongoing leadership.

Mountain View City Council ,

THE MOUNTAIN VIEW COMMUNITY DEMANDS THE MOUNTAIN VIEW CITY COUNCIL
AGENDIZE A CEASEFIRE RESOLUTION.

The community of Mountain View demands their City Council to agendize a ceasefire resolution. Mountain View must add its voice to the call for immediate, permanent ceasefire now. The ceasefire resolution must advocate for sustainable peace in Palestine and Israel, an end to the siege on Gaza, and for an immediate and permanent end to the killings of all civilians.

As a Human Rights City, Mountain View "aspires to be a leader among cities in advancing human rights and human dignity [by] explicitly embracing the principles of equality, inclusion, respect, involvement, and the recognition of human dignity." As the February 21st statement from the Mountain View City Council states, we "unequivocally condemn all actions that endanger innocent people." This issue stands at the intersection of human rights, women's rights, environmental justice, and many others. Therefore, the Mountain View community also urges for the prompt and safe delivery and distribution of humanitarian aid to Gaza, including food, water, medical supplies, and fuel.

While it is heartening to see both President Biden and Vice President Harris include a temporary ceasefire in their public statements, neither of them has gone so far as to set conditions on military funding to Israel. Israel makes its own decisions as a sovereign state, yet the United States is responsible for deciding how much aid we provide towards sustaining Israel's bombardment. 30,000 people killed in Gaza is already too many, and we demand an end to additional military funding to Israel.

The local Mountain View community is being directly impacted by the current atrocities in Palestine and Israel. We grieve with our community and neighboring cities over the Palestinian and Israeli lives lost. Our mourning continues as we bear witness to further devastation and loss as the Gazan population faces crisis levels of hunger, lacks access to basic survival necessities, and continues to be bombarded.

Cities across California – including San Francisco, Oakland, Richmond, Hayward, Hollister, Davis, Pomona, and counting are passing resolutions in support of peace and to advocate for the protection of all life in Gaza. These are communities with students and families with loved ones who have been killed in Israel and Palestine, and Mountain View is no different.

Dear Mayor, members of the city council

I am a resident of Cuesta Park neighborhood and I am writing to ask you to **please avoid resolutions on the conflict** in the Middle East.

As painful and complex as this conflict is, I am very worried about the city council litigating international conflicts or proposing a new foreign policy for the US. Also - there are so many other conflicts out there in the world and it makes no sense that only this one will be addressed, and in a very one-sided way.

Please stay focused on running our city and leave international matters to the Federal Government.

Thank you,
Efrat
