Re: January 28, 2025, Study Session Item 3.1 – Homeless Response Strategy

Dear Mayor Kamei and Members of the City Council:

The League of Women Voters supports policies that reduce and eliminate homelessness, both sheltered and unsheltered.

The League supports the proposed Homeless Response Strategy and Expenditure Plan that seeks to improve existing programs and to develop new services, including affordable housing construction and supportive services.

The Plan's recommendation that the City transition from one-time funding mechanisms to more continuous and stable funding will help the City to be in a better position to ensure that vital programs and services can weather year-to-year budget fluctuations.

Please send any questions about this letter to Kevin Ma, Co-Chair of the Housing Committee, at [housing@lwvlamv.org](mailto:housing@lwvlamv.org).

Sincerely,

A handwritten signature in blue ink that reads "Katie Zoglin".
