Public Comments and Staff Responses

General Comments

| Description | Source | Action/City Notes | | |
|---|---|---|--|--|
| Inadequate Analysis | Inadequate Analysis | | | |
| Inadequate analysis for non-vacant sites and probability of redevelopment is not thoroughly analyzed; should do additional rezonings | MV YIMBY | Questions in Staff Report for EPC/Council about additional rezonings. More rezonings would need | | |
| Use 5 th Cycle projections to measure likelihood of development for 6 th cycle; at current pace, MV unlikely to meet requirements; should rezone so housing capacity reflects realistic build-out | YIMBY Law & Greenbelt Alliance MV YIMBY (2/14/22; 3/7/22) | environmental review. | | |
| Inaccurate/unrealistic/assumptions on affordability | LWV (3/6/22) | Assumptions based on HE | | |
| levels | Kevin Ma (2/15/22) Serge Bonte (2/16/22; 5/13/22) Daniel Hulse (3/7/22) | law | | |
| Unrealistic build-out of Pipeline Projects | MVYIMBY Daniel Hulse (3/7/22) | HCD informal input and comparable approved | | |
| Unrealistic build-out of Opportunity Sites | League of Women Voters (2/15/22; 3/6/22; 5/16/22) Daniel Hulse (3/7/22) John Lashlee (3/8/22) MV YIMBY (3/7/22) | Housing Elements support draft HEU methodology. Alternate methodology may require additional rezonings (Questions in Staff Report). | | |
| Inadequate constraints analysis | League of Women Voters (5/16/22) MV YIMBY (5/18/22) | Constraints analysis was revised to include additional information. | | |

| Unrealistic ADU assumption; should use HCD's safe harbor estimate | MV YIMBY | Not a comment from HCD |
|--|--|---|
| Concerns about the likelihood of Master Plans resulting in affordable housing build-out within 6 th Cycle; include progress benchmarks to development | MV YIMBY SV@Home League of Women Voters (5/16/22) | Not requirement of HE law; could possibly discount capacity; added more details to projects' benchmarks after HCD feedback. Alternate methodology may require additional rezonings (Questions in Staff Report). |
| Lacking Program Details | | |
| No connection between outreach, housing needs and constraints to programs in draft; programs must provide objectives, metrics, timelines | MV YIMBY (5/18/22; 6/14/22) SV@Home League of Women Voters (5/16/22) | HCD Comment – revised programs |

Sites Inventory

| Description | Source | Action/City Notes |
|------------------------------------|---|----------------------------|
| Add Sites/Rezonings | | |
| Include a major rezoning component | YIMBY Law & Greenbelt Alliance (4/21/22) | Questions in Staff Report |
| | | for EPC/Council about |
| | | additional rezonings. More |
| | | rezonings would need |
| | | environmental review. |
| Include underutilized sites | | Questions in Staff Report |
| - Charleston Plaza | Lenny Siegel (2/15/22; 3/7/22; 5/17/22) | for EPC/Council about |
| | Serge Bonte (2/16/22) | additional rezonings. More |
| | Dave Offen & Gail Nyhan (2/16/22; 3/7/22) | rezonings would need |
| - Downtown | Serge Bonte (2/16/22; 5/13/22) | environmental review. |

| | MV YIMBY | |
|---|---|-------------------------------|
| - R3 Zoning Update | Serge Bonte (2/16/22) | |
| | MV YIMBY (6/10/22) | |
| - Non-residentially zoned properties | MV Chamber of Commerce (6/7/22) | |
| - R1, R2 Zones | MV YIMBY (2/14/22; 3/7/22) | These areas would require |
| | Daniel Hulse (3/7/22) | significant outreach before |
| - Cuesta Annex | Lenny Siegel (2/15/22; 3/7/22) | including in Housing |
| | Serge Bonte (2/16/22) | Element |
| | Dave Offen & Gail Nyhan (2/16/22; 3/7/22) | |
| | MV YIMBY (3/7/22) | |
| - Commercial-zoned properties | YIMBY Law | Some sites are included in |
| | Progressive Action (6/13/22) | Rezonings with HEU; some |
| | | sites are in Back-Pocket list |
| Blossom Valley shopping center | Lenny Siegel (2/15/22; 3/7/22; 5/17/22) | Included in Rezonings with |
| | Dave Offen & Gail Nyhan (2/16/22; 3/7/22) | HEU |
| | MV YIMBY (3/7/22) | |
| | LWV | |
| On top of parking lots | Serge Bonte (2/16/22) | May be facilitated through |
| | | commercial rezonings |
| Housing on ECR/Phyllis | Carolyn (8/25/22) | Received letter from El |
| | | Camino Health and |
| | | removed from inventory; |
| | | not viable site per property |
| | | owner request |
| - Add 901 N Rengstorff | Mario & Liz Ambra (3/7/22; 5/17/22; | Council declined to include |
| | 9/15/22) | on June 14, 2022 |
| | | |
| Add properties at corner of Castro and El | Bill Maston (5/17/22) | |
| Camino | Lenny Siegel (5/17/22) | |
| Sites should prioritize owner-occupied housing and | YIMBY Law | Sites inventory reflects this |
| commercial uses over those with existing rent- | | (Note: this is comment |

| controlled units or other rental housing with lower income residents | | against including R3 in the HEU) |
|---|--|--|
| Location/Distribution of Sites | | |
| Infill should occur in all neighborhoods not just along El Camino Real | Edward Swierk (3/5/22) | HEU sites and additional programs (1.4, 1.7, 2.2) |
| Sites inventory is not distributed fairly across the City; does not include sites south of El Camino; does not meet AFFH requirements | League of Women Voters (2/15/22, 3/6/22) Kevin Ma (2/15/22) Serge Bonte (2/16/22) MV YIMBY (2/16/22; 6/14/22) | distribute development throughout the city; AFFH analysis support site distribution |
| Sites are not located in Highest Opportunity Areas (south of ECR); rezone in high resource, exclusionary neighborhoods | YIMBY Law/California YIMBY John Lashlee (3/8/22) League of Women Voters (5/16/22) Leora Ross (3/9/22) | |
| Integrate neighborhoods; high-level of multi-family housing north of ECR; many Black/Latino population around Castro school | MV YIMBY | |
| Concerns about adding too many sites to inventory (concerns about lack of infrastructure and water shortages) | Carol and David Lewis (3/8/22) Shari Emling (10/17/22) | Studied in EIR |
| Concerns about locating residential in high traffic | Nancy Ballweber (9/11/22) | Removing Grant Park Plaza |
| areas like Grant Road and creating unsafe area for | Carolyn (9/3/22) | would require upzoning in |
| students | Tom & Nancy Anderson | another area to replace the |
| | Carolyn Blatt (8/2/22) | lost units under SB330. |
| Concerns related to loss of commercial retail within | Stephen Carney (7/4/22) | No loss of retail with Village |
| neighborhoods; traffic impacts; or infrastructure; | Norma Jean Galiher (8/14/22) | Center zoning; |
| water/electricity usage due to future redevelopment | Lisa Weyland (8/27/22) | Environmental review will |
| of shopping centers | Tom & Nancy Anderson (8/31/22) | occur with project review. |

| | Tracy Yuan (8/27/22) | |

| | Nancy Ballweber (9/11/22) | |
| | Sharon Calcagno (6/12/22) | |
| | Ron Sackman (6/14/22) | |
| | Marit Barton (6/14/22) | |
| | Tracy Hovda (5/22/22) | |
| Support future redevelopment of shopping centers | Livable Mountain View (2/14/22) | |
| but should require commercial retail (density = | Serge Bonte (5/13/22) | |
| walkability and diversity in commercial tenants; | Dwight Rodgers (6/12/22) | |
| improve livable neighborhoods) | Allison Davis (6/12/22) | |
| | Terri Goldberg (6/12/22) | |
| | Fariba Samadani (6/13/22) | |
| | Jean Myer (6/13/22) | |
| | Toni Rath (6/13/22) | |
| | Mary Hodder & Edward Falk (6/13/22) | |

Constraints

| Description | Source | Action/City Notes |
|--|----------------------------------|--------------------------|
| Parkland Fees | | |
| Revise the basis and process for Parkland Dedication Fee | MV Chamber of Commerce (6/7/22) | Included in Program 1.8 |
| calculation to increase predictability and decrease the | League of Women Voters (5/16/22; | |
| per-unit cost of the fee and changes should have | 8/2/22) | |
| meaningful impact on housing feasibility | MV YIMBY | |
| Parkland is important and should find creative land use | Bill Lambert (5/18/22) | |
| and funding solutions | Robin Lin (6/14/22) | |
| Do not reduce developer fees and do not reduce | Carol and David Lewis (3/8/22) | Some fees and standards |
| standards as any reductions only benefit developers | Toni Rath (6/13/22) | are constraints and will |

| Support collection of fees, such as Parkland Dedication Fee, to be put in real estate public investment trust (REPIT) fund to develop larger parklands instead of accepting small parks | Daniel Shane (6/2/22) | need to be reduced pursuant to purpose and intent of HE law (Program 1.8); detailed procedures for parkland will be determined through the Parks and Rec Strategic Plan. |
|---|----------------------------------|--|
| Other Impact Fees | | |
| Increase Housing Impact Fee | Progressive Action (6/13/22) | Addressed in Program 4.3 |
| Cap fees on all new housing; evaluate timing of collecting | YIMBY Law | Various programs include |
| fees at various points (like at final occupancy instead of | | fee reductions. Alternate |
| early in the process) | | times of collection can be |
| | | studied with those fee |
| | | reductions. |
| City should study readjusting in-lieu fee/onsite | MV YIMBY | Program 1.9 - BMR Study |
| inclusionary requirement to maximize the # of BMR units | | already includes evaluation |
| Cumulative impact of combined impact fee stack is a | SV@Home | Revisions address |
| constraint and not evaluated thoroughly | | cumulative impact |
| Process and Staffing | | |
| Ease government constraints such as discretionary | YIMBY Law & Greenbelt Alliance | Program 4.1 includes |
| approval processes or impact fees, that may impede the | (4/21/22) | review of timelines, |
| rate of development | | processes, and approval |
| | | body levels |
| Delays in approval process; streamline permitting | MV YIMBY (6/10/22) | Program 4.1 includes |
| process; reduce public meetings, leaving as much to | SV@Home | review of timelines, |
| administrative processes as possible | League of Women Voters (5/16/22) | processes, and approval |
| | | body levels |
| Include specific process improvements (as listed in Matrix | MV Chamber of Commerce (6/7/22) | Program 4.1 includes |
| Study) to reduce entitlement and building permitting processes | League of Women Voters (5/16/22) | review of timelines, |

| | | processes, and approval |
|--|----------------------------------|------------------------------|
| Domesia van visamant fau Caunail annuaval fuam high au | NAV VINADV /2 /7 /22\ | body levels |
| Remove requirement for Council approval from higher | MV YIMBY (3/7/22) | Addressed in Rezonings |
| tier densities in precise plans | Leora Ross (3/9/22) | part of HEU |
| Application process: | League of Women Voters (5/16/22) | Program 1.3 includes a |
| Compile SB35 objective standards into one | | review of all multifamily |
| accessible document | | residential standards, which |
| Simplify application materials to a minimum and | | can support simplification |
| streamline deadlines | | of requirements |
| Limit staff comments to compliance with | | |
| objective development and design standards for all | | |
| projects | | |
| Low staff capacity | MV YIMBY (6/10/22) | This is affected by other |
| | League of Women Voters (5/16/22) | City priorities (not a |
| | | Housing Element issue) |
| Current Project List to include original app date, most | MV YIMBY (6/10/22) | HCD Comment – addressed |
| recent app date, other milestones (Transparency) | | in Program 4.1 |
| City should make housing feasible to build without need | MV YIMBY (6/10/22) | Multiple programs address |
| to rely on office construction (like job-housing linkage) to | | issue of feasibility and |
| get affordable housing | | constraints |
| Unsure about effectiveness of community engagement; | League of Women Voters | Updated Program 4.7 to |
| more outreach has not reduced community opposition; | | change focus |
| outreach only reaches 15% of renters despite MV being | | |
| renter-majority | | |
| More and earlier public engagement during development | Daniel Shane (5/18/22) | Partially included in |
| review process | | Program 4.7 |
| Parking Standards | | |
| Eliminate/reduce minimum residential parking | James Kuszmaul (2/14/22; 3/7/22) | Program 1.2 responds to |
| requirements; unbundle parking for rental units; set | YIMBY Law | parking standards for |
| parking maximums for residential near transit; reduce | League of Women Voters (5/16/22) | affordable housing |

| parking per AB2097; clearer regulations tying the relation | Mountain View Coalition for | development; also a |
|--|--------------------------------------|------------------------------|
| between TDM policies and parking reductions | Sustainable Planning & GreenspacesMV | question for EPC and |
| · | (5/18/22) | Council in this Staff Report |
| | Leora Ross (3/9/22) | (for all residential |
| Reduce parking requirements as spaces go unused | MV Chamber of Commerce (6/7/22) | development) |
| Reduce or eliminate parking minimums especially for | Transform | |
| senior and affordable housing; require unbundled | | |
| parking for TOD; Implement TDM (VTA smart passes for | | |
| residents) | | |
| Do not reduce parking requirements; developers should | Carol & David Lewis (3/8/22) | Opposite view of same |
| provide sufficient parking | Toni Rath (6/13/22) | question |
| Other Zoning Standards | | |
| Removing the 1-acre minimum in the R4 guidelines | League of Women Voters (5/16/22) | Adopting amendment to |
| | | reduce minimum lot size, |
| | | and lot width for 100% |
| | | affordable housing |
| Multi-family housing should not require CUPs | YIMBY Law | CUPs do not add to |
| | | constraints – DRP is |
| | | concurrent and has same |
| | | level of review |
| Tree preservation requirements can be constraint to | League of Women Voters | Would not constrain |
| development | | zoning-compliant |
| | | residential project |
| Permitting emergency shelters by-right in more zones | League of Women Voters (5/16/22) | CUPs have not been shown |
| | | to be a constraint on this |
| | | use |
| Zoning standards should not conflict with density; ensure | YIMBY Law | Addressed in Program 1.3 |
| density will accommodate the presumed density | | |
| Provide sufficiently zoned capacity to accommodate all | YIMBY Law | Draft HEU includes this for |
| income levels and 30% minimum No Net Loss buffer | | lower-income |

| Lack of by-right capacity means projects require to apply | MV YIMBY | Issue is not zoning capacity; |
|---|---------------------------------|--------------------------------|
| for zone change and EIR | | those seeking the longer |
| Gatekeeper process requiring Council authorization is | MV Chamber of Commerce (6/7/22) | process choose that when |
| preventing housing developments | | there are many other viable |
| | | residential sites (rezoning is |
| | | profitable because land is |
| | | cheaper without zoning in |
| | | place) |

Specific Program Recommendations

| Below Market Rate/Affordable Housing | | |
|--|--|---|
| Provide an accessible single source BMR housing portal to reduce the # of times applicants need to resubmit their information | MV YIMBY (2/16/22; 3/7/22) Mountain View Tenants Coalition (3/8/22; 6/10/22) John Lashlee (3/8/22) | Already have for affordable units; will join regional effort when created; improvements in Program 2.4 |
| Build an intradepartmental dedicated permitting team to handle all affordable housing applications and assign a Permit Navigator per Matrix Study Set affordable housing projects as the top priority for processing ASAP | League of Women Voters (5/16/22) MV YIMBY (6/10/22) MV Chamber of Commerce (6/7/22) League of Women Voters (5/16/22) | Already addressed in Program 4.1 Affordable housing is already prioritized and have different process (NOFA); Program 4.1 will review NOFA process |
| Update 1.11 BMR Review to define concrete steps | Housing Choices (6/21/22) | Included additional steps in Program 1.9 |
| Incentivize land donations for BMR inclusionary housing; avoid trap of requiring affordable units be sprinkled | YIMBY Law | Already an option in BMR program, will study further through Program 1.9. |

| throughout market-rate or look exactly the same as market-rate | | | |
|--|--|---|--|
| Update BMR program guidelines to prioritize people with disabilities requiring modified units in all available accessible housing | Housing Choices (6/21/22) | Will explore in Programs 1.9, 2.1 | |
| Displacement/Relocation/Tenant Protection | | | |
| Discourage the loss of rent-controlled or other naturally affordable housing | Lenny Siegel (2/15/22; 3/7/22) Mountain View Housing Justice (6/12/22) Terri Goldberg (6/12/22) | Program 3.2 partially addresses this, as well as the replacement question for EPC and Council in this Staff Report. Also, the Sites Inventory and rezonings do not include any sites with existing housing. | |
| Develop local No Net Loss for rent-controlled units; 1:1 replacement with right of return at current rate; temporary relocation assistance | MV YIMBY (2/16/22; 3/7/22) Mountain View Housing Justice (6/12/22) | Question in Staff Report for EPC/Council about rent-controlled unit replacement. | |
| Expand Eviction Prevention Program; more staff resources and funding for MEP Team; educate tenants and landlords about rental rights | MV YIMBY (2/16/22; 3/7/22) Mountain View Tenants Coalition (3/8/22; 6/10/22) Mountain View Housing Justice (6/12/22) | Included in Programs 1.12, 2.5 | |
| Tenant protection (housing replacement program, temp housing vouchers, right of return, demolition controls) | YIMBY Law/California YIMBY | Program 3.2 partially addresses this, as well as the replacement question for EPC and Council in this Staff Report. | |
| Specify strategies to replace the VTA safe parking lot on Evelyn; add more safe parking with emphasis on | League of Women Voters 3/6/22; 5/16/22) | Not specific to HE; proposed expansion to | |

| locations for long-term RV dwellers; provide permanent, low-rent mobile home park | Lenny Siegel (2/15/22; 3/7/22) MV YIMBY (2/16/22; 3/7/22) Mountain View Housing Justice (6/12/22) | increase the City's Safe Parking program to over 120 spaces (requires collaboration with State and County to remediate environmental impacts) |
|---|--|---|
| Mobile home protections: costs are too high and will force tenants to homelessness; MHRSO not strong enough; put cap on annual general adjustment to "\$150 or whichever is lower"; mobile homes no longer an affordable option; property owners are not complying with law to provide rental data for MV's Rent Registry | MV Mobilehome Alliance (9/28/22) Anna Marie Morales (9/28/22) Susan Morales (9/28/22) Alex Brown (5/18/22) | Already in Programs 1.12, 3.2 |
| Update 3.2 to specifically include mobile home residents and strong right of return policy based on SB330 (part of Displacement Response Strategy) | League of Women Voters (5/16/22) | Added to Program 3.2 |
| Include Displacement Response Strategy | League of Women Voters (5/16/22) Cafecito (5/18/22) | Already in Program 3.2 |
| Include community-owned housing opportunities like COPA/TOPA, CDCs, CLTs | MV YIMBY (2/16/22; 3/7/22) Mountain View Tenants Coalition (3/8/22; 6/10/22) Cafecito (5/18/22) League of Women Voters (5/16/22) Mountain View Housing Justice (6/12/22) Marilu Cuesta (6/14/22) | Already in Program 2.1 |
| Funding | | |
| Develop strategy to overcome weak links that arise in the funding chain for affordable housing | Lenny Siegel | Addressed in Programs 2.1, 4.2, 4.3, 4.4, 4.5 |
| Provide local funding through transfer tax, vacancy tax, commercial linkage fee; expand preservation of existing housing and clearly define types of revenue sources to be | YIMBY Law League of Women Voters (5/16/22) Progressive Action (6/13/22) | Addressed in Program 4.3 |

| examined such as vacancy and transfer taxes and clearly | | |
|--|--|--|
| define steps | | |
| Increase relocation assistance funds | Mountain View Tenants Coalition (3/8/22; 6/10/22) | Addressed in Program 3.2 |
| Update 2.1 to provide more detail on how funding will meet housing needs of underserved populations (such as supportive services and ELI household) and clearly define steps | Housing Choices (6/21/22) | Addressed in Program 4.3 |
| Special Needs/Groups Population | | |
| Update Reasonable Accommodation to include review of townhouse/rowhouse elevator access standards so seniors can age in place in these developments and increase marketing and awareness to new tenant about rights and community resources to request Reasonable Accommodations and offer one annual Reasonable Accommodations training for tenants and landlords | League of Women Voters (5/16/22) Housing Choices (6/21/22) | Review of Reasonable Accommodation requirements included in Program 2.3 |
| Update 3.1 to acknowledge that ELI are most likely to experience homelessness and must make commitments to incentivize and increase production of ELI housing | Housing Choices (6/21/22) | Addressed in other programs |
| Update Goal 2 to include amendments to building code to improve inclusive design addressing cross-disability beyond ADA requirements | Housing Choices (6/21/22) | Added to Program 2.1 for subsidized projects |
| Market accessible units to community organizations that support those with disabilities; require developers to expand outreach beyond local neighbors of the project and include special needs groups (disabilities, unhoused, seniors) | Housing Choices (6/21/22) | Added to Program 4.7 |
| Support homeownership by creating opportunities for- | YIMBY Law | Already in Program 2.1 |
| sale housing to excluded groups Provide teacher housing | Allison Davis (6/12/22) Olya Sorokina (7/14/22) | Employee housing addressed in Program 4.6 |

| Provide special housing protections and prioritization for essential workers | Mountain View Tenants Coalition (3/8/22; 6/10/22) | Program 3.2 includes anti- displacement measures that will protect many essential workers |
|---|---|--|
| ADUs | | |
| Incentivize ADUS, including those that are rent-restricted or low/no interest loans; reduced ADU standards to increase quantity and diversity of housing options; increase incentives for ADU production such as financing program and deed-restriction for ELI rent for 15 years | YIMBY Law/California YIMBY Housing Choices (6/21/22) League of Women Voters (5/16/22) | HCD Comment; Council request; included in Programs 1.7, 2.2 |
| Incentivize SB9 subdivisions and DUO such as financing | League of Women Voters (5/16/22) | |
| assistance | | |
| Other | | |
| Addressing the jobs/housing imbalance (such as the East Whisman Linkage Program) | League of Women Voters (5/16/22) Lenny Siegel (2/15/22; 3/7/22) Dave Offen & Gail Nyhan (5/18/22) | Programs 4.2, 4.3, and 4.6 addresses the impacts of jobs/housing imbalance on housing costs |
| Update 1.5 to commit to additional local Density Bonus incentives beyond State Law (such as incentives for ELI); allow additional Bonus FAR on top of Precise Plan standards | Housing Choices (6/21/22) League of Women Voters (5/16/22) | City's density bonus program already includes additional density for 100% affordable projects |
| Historic Home registry and designation process is unclear and needs significant changes. | Deniece Smith (9/28/22) | Not specific to HE law; project currently underway to update the Historic Preservation Ordinance and the Register of Historic Resources |
| RV ban on streets against AFFH | Kevin Ma (8/31/22) Salim Damerdji (8/31/22) | Housing Element is focused on the construction of dwelling units, as defined by State |

| Consider fair labor standards | Mountain View Coalition for Sustainable Planning & GreenspacesMV (5/18/22) | City has adopted Wage Theft Ordinance |
|--|--|--|
| Rent moratorium to prevent rent increases (not to exceed 1-2%) | Maria O (6/13/22) | CSFRA controls rent increases |
| Support quality, low-carbon buildings, and infrastructure- sensible landscaping | Mountain View Coalition for Sustainable Planning & GreenspacesMV (5/18/22) | Addressed in Program 1.13; other requirements may add constraints |
| Make green building rules even stricter with respect to construction waste, using less cement, insulation and efficiency and use of recycled products, solar and built to high electric standards. | Allison Davis (6/12/22) | |
| Include environmental and natural requirements such as tree protections, sensible landscaping, native biodiversity; hire qualified environmental staff | Daniel Shane (5/18/22) | |
| Waive any city fees and expedite permits for installing solar panels/electric upgrades | Serge Bonte (6/13/22) | Environmental Sustainability Action Plan includes fee waivers. Other processing exemptions also apply. |
| Plan for more housing to strengthen school districts due to low enrollment; housing insecurity affecting student performance | Olya Sorokina (7/14/22) | Sites inventory addresses comment's goal to increase housing |
| The loss of trees and green space, increase in tenants and vehicles have worsened air quality. | Kaia Wang (8/14/22) | Studied in EIR |
| Feels that neighborhood streets are currently unsafe with homeless and litter | Kaia Wang (8/14/22) | Several programs in HEU address this issue |
| The cost of housing is expensive which drives up housing rental costs and forces businesses to cut operations/close | Kaia Wang (8/14/22) | Several programs in HEU address this issue |
