

CITY OF MOUNTAIN VIEW
RESOLUTION NO.
SERIES 2018

A RESOLUTION AMENDING COUNCIL POLICY
K-17: NAMING OF CITY PARKS AND OTHER CITY FACILITIES

WHEREAS, the City's existing Council Policy K-17: Naming of City Parks and Other City Facilities lacks more modest options such as a plaque on a table, desk, or chair within a room; and

WHEREAS, naming a City building, structure, room, or other nonpark or recreation facility in memoriam currently requires a minimum of five years deceased; and

WHEREAS, options were explored to updating the existing Council Policy K-10 to include specific smaller recognitions consisting of structural and nonstructural elements, as well as providing direction on any changes to memorial requirements; and

WHEREAS, Policy K-17: Naming of City Parks and Other City Facilities will be amended to reflect three changes: maintaining the minimum of five years deceased and procedures for requests for the large nonpark recognitions; delegating the authority to the CPC for smaller recognitions; and adding a specific provision for City employees to be considered for the larger recognitions of a City building, structure, room, or other nonpark or recreation facility closely associated with an individual retired a minimum of 10 years;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Mountain View approves this amendment to the Council Policy K-17: Naming of City Parks and Other City Facilities.
