

**MEMORANDUM**

Public Works Department

**DATE:** February 27, 2019

**TO:** Bicycle/Pedestrian Advisory Committee

**FROM:** Nate Baird, Transportation Planner

**SUBJECT:** Pedestrian Master Plan – Annual Review

---

**RECOMMENDATION**

Review and provide comments regarding the current Pedestrian Master Plan (PMP).

**BACKGROUND AND ANALYSIS**

When the City Council approved revisions to the Pedestrian Master Plan at its January 28, 2014 meeting, it directed the Bicycle/Pedestrian Advisory Committee (B/PAC) to include an annual review of the PMP in its work plan.

The purpose of this discussion is to provide B/PAC members with an opportunity to:

- Provide general comments on the PMP's adequacy in addressing the pedestrian-related needs of the community.
- Identify topics/issues/concerns that should be considered for inclusion in a future update of the PMP.

Attached are the summaries of comments received at past annual reviews. The B/PAC is requested to review these lists and let staff know of any new issues that may have arisen that should be added to the list.

**NEXT STEPS**

Staff will maintain a list of items brought up by the B/PAC during its annual review of the PMP to inform the scope, structure, and content of future updates to the PMP.

The timing of a future update to the PMP has not been determined at this time.
