Dear Ms. Shapiro,

I'm a Mountain View resident. I'm so happy to have see this project because this project is well designed and beautiful.

it will improve the environment for the neighborhood and will increase revenue to the area.

Best Regards,

Sylvia Ha

Dear Ms. Shapiro,

I am a resident who has lived one block from this project for 26 years. I also have a business downtown, and am an ex-member of the Mountain View Planning Commission. I am very excited about this project for the following reasons:

- (1) The current buildings appear to be deteriorating. This project will be an improvement for the entire neighborhood, and will thereby benefit other residents in the area.
- (2) The project appears to be well-designed.
- (3) It will also serve to increase revenue to the city.

For these reasons I am strongly urging the city to approve this project.

Best wishes,  
Robert Chang

To Whom It May Concern:

Dear ZA and Subdivision Committee,

I'm writing in support of the above cited development project and I'm requesting that the City approves this development project.

I am a resident who have lived in downtown Mountain View for over 18 years. I know about this development project. It looks very good and I think it's a plus to the City Downtown Area as it will improve that area and the neighborhood, and will also increase the revenue of the City.

Best regards,
