Analysis of Environmental Sustainability Task Force 2 Recommendations

1. Provide preliminary input on any Council priority projects to be included in Environmental Sustainability Action Plan 4 (ESAP-4).
2. Direct staff to initiate five early actions related to the ESTF-2 recommendations.
3. Appropriate and transfer \$235,000 into the General Operating Fund, Community Development Department, from the General Operating Fund Reserve for three early actions. (Five votes required)
4. Authorize the City Manager to execute a letter of commitment to the EV charger granting agency as evidence of authority to apply for the grant and implement the EV charger installation project, for a not-to-exceed amount of \$125,000.
