12/3/2019	1	City Council	approved	

Community Greenhouse Gas Accounting, Reduction Targets, and Carbon Neutrality

1. Measure and report on the consumption-based emissions reductions from SAP-4 actions.

2. Adopt the proposed absolute GHG reduction targets beginning in 2025.

3. Direct staff to develop a resolution adopting a carbon neutrality target of 2045 and requiring development of a carbon neutrality plan by 2025, including potential use of carbon offsets.
