Well No. 9 Abandonment, Project 13-04-Approve Plans and Heritage Tree Removal

1. Approve plans and specifications for the Well No. 9 Abandonment, a project funded by the annual Water System Improvements, Project 13-04, and authorize staff to advertise the project for bids.
2. Authorize the City Manager to award the construction contract to the lowest responsible bidder if the low bid is within the project budget.
3. Approve the removal of and mitigation for one Heritage tree.
