---

**RECOMMENDATION**

Review and adopt a Resolution of the Rental Housing Committee announcing an Annual General Adjustment of Rent under the Community Stabilization and Fair Rent Act and Mobile Home Rent Stabilization Ordinance for 2023-24 of 5%, to be read in title only, further reading waived (Attachment 1 to this memorandum).

**INTRODUCTION AND BACKGROUND**

The Community Stabilization and Fair Rent Act (CSFRA) and the Mobile Home Rent Stabilization Ordinance (MHRSO) provide for an Annual General Adjustment (AGA) to increase rent for existing tenancies based on the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) of San Francisco-Oakland-Hayward (San Francisco Area). Section 1707(a) of the CSFRA and Section 46.6 of the MHRSO require the RHC to announce the AGA no later than June 30 of each year. The AGA shall be equal to 100% of the percentage increase in the CPI for the 12-month period, ending as of February each year. However, the AGA shall not be less than 2% and not more than 5%.

**ANALYSIS**

In January 2018, the United States Department of Labor, Bureau of Labor Statistics revised the geographic areas for which it produces indices. Consequently, on March 26, 2018, the RHC adopted a resolution to use the CPI-U for the San Francisco Area as a successor index for determining the AGA. The CSFRA indicates that the March indices are to be used, but since these CPIs are only published every two months and March indices are not available, the RHC decided in 2017 to use the indices from February to February of each year to determine the Annual General Adjustment, which is released in March.

The CPI-U for the San Francisco Area increased 5.3% as shown in the chart below (Table 1). This increase falls outside of the 2% to 5% limitations as set by the CSFRA and MHRSO. Therefore, the AGA for 2023 shall be 5% as allowed under the CSFRA and the MHRSO. The rent increases imposed pursuant to this adjustment may take effect on or after September 1, 2023. Under State law, landlords are required to provide 30 days' advance notice of such rent increase.
