U. WHEREAS, SHORELINE COMMUNITY and DISTRICTS have successfully collaborated for decades to foster and develop educational programs for DISTRICTS' students; and

V. WHEREAS, SHORELINE COMMUNITY and DISTRICTS intend to continue and increase collaboration with the support of SHORELINE COMMUNITY through this Agreement.

NOW, THEREFORE, in consideration of the mutual terms, covenants, and conditions herein agreed, the parties hereto agree as follows:

ARTICLE I—PURPOSE

To further SHORELINE COMMUNITY objectives and provide for substantial contributions by SHORELINE COMMUNITY to the sound and economic growth of the Shoreline Community, it is the purpose of this Agreement to create an Education Enhancement Reserve in which funds provided by SHORELINE COMMUNITY shall be used to improve, rehabilitate, develop, or redevelop school district facilities that serve the residents of the SHORELINE COMMUNITY and enhance the educational and technology capacity of students in DISTRICTS' schools that serve the residents and workforce needs of the SHORELINE COMMUNITY.

ARTICLE II—AGREEMENT ADMINISTRATION

To achieve the purpose of this Agreement, the Parties are accorded the duties:

2.1 This Agreement will be administered through the SHORELINE COMMUNITY Manager, and/or their designees. In addition, DISTRICT and SHORELINE COMMUNITY staff will work collaboratively to ensure that all elements of the Agreement are effectuated on an annual basis. In the event issues arise that cannot be resolved at the staff level a meeting will be called comprised of the Superintendent of each of the DISTRICTS and the SHORELINE COMMUNITY Manager.

ARTICLE III—PAYMENTS

3.1 Except as provided in Article IV, the SHORELINE COMMUNITY Manager shall include payments described in this Article in the annual budget of SHORELINE COMMUNITY. The payments will be facilitated through a restricted reserves ("Education Enhancement Reserve") to be maintained by the Treasurer of SHORELINE COMMUNITY on DISTRICTS' behalf.

3.2 Beginning Fiscal Year 2025-26, an annual payment will be made by December 31 each year which will be calculated by adjusting the prior year (e.g., Fiscal Year 2024-25) payment

by the same percentage change in property tax revenues (excluding new residential property values) compared to the preceding fiscal year (e.g., Fiscal Year 2023-24).

a. One-Time Additional Payment: On or before December 31, 2025, DISTRICTS will receive a One-Time Additional Payment for Fiscal Year 2025-26 equal to one hundred percent (100%) of the calculated prior year percentage change dollar amount (excluding new residential property values) in property tax revenues compared to the preceding fiscal year as calculated in Section 3.2..

3.3 New Residential Property Tax Payment (NR-PTP): In addition to the above Payment (Section 3.2), and One-Time Additional Payment (Section 3.2a.), an annual NR-PTP shall be made based on the residential property development in the Shoreline Community that occurs after the December 12, 2017 adoption of the North Bayshore Precise Plan (Policy 3.4.5.5) (hereinafter New Residential Development).

The first NR-PTP will be made by December 31 of the fiscal year following the addition of New Residential Development assessed value (AV) to the Santa Clara County (County) July 1 tax roll (Tax Roll) (e.g., the July 1, 2024 Tax Roll is for Fiscal Year 2024-25, and any payment from new residential development would be made by December 31, 2025).

In Year 1, the New Residential Development AV shall be calculated by subtracting the Base Residential AV Year 0, as adjusted by the California Consumer Price Index (CCPI) (see Example C in Attachment 1), from the total residential Tax Roll AV. Base Residential Tax Roll AV shall mean the residential Tax Roll AV shown on the Tax Roll prior to the addition of new residential AV due to New Residential Development. The New Residential Development AV will then be multiplied by the one percent (1%) tax increment rate to determine the New Residential Property Tax Revenues. New Residential Property Tax Revenues will then be multiplied by the Increment Allocation Factor (IAF) for the largest tax rate area (TRA) in the SHORELINE COMMUNITY, currently TRA 05-004, as established and provided by the County, for each DISTRICT for the applicable fiscal year to determine the NR-PTP.

Each subsequent fiscal year, the Base Residential AV from the prior fiscal year will be multiplied by the annual CCPI, or other inflationary factor utilized by the County to adjust the tax roll, to determine the Base Residential AV to be used to calculate the NR-PTP.

Attachment 1 to this Agreement includes an example for how the NR-PTP will be calculated for illustrative purposes, using fictitious numbers.

3.4. DISTRICTS shall use payments for expenditures consistent with the goals of this Agreement. Expenditures shall include, without limitation, the following: (1) acquisition of materials, equipment, and licenses to provide students and staff with access to current and regularly updated technological tools, resources, and infrastructure; (2) materials, equipment, licenses, personnel, and consultants in support of student preparation for further education and

the development of skills considered critical for the success of businesses and operations in SHORELINE COMMUNITY; (3) costs reasonably associated with the impact of SHORELINE COMMUNITY on DISTRICTS' students, schools, and facilities, including, without limitation, impact on student enrollment, traffic, and safety; and (4) creating and maintaining learning environments that provide academic rigor and foster 21st Century Learning Skills such as critical thinking and problem solving, collaboration and leadership, initiative and entrepreneurialism, and effective communication. Draw-downs from the Education Enhancement Reserve may be treated as grant to DISTRICTS.

ARTICLE IV—SUSPENSION OF PAYMENT AND AMENDMENT

4.1 Suspension of Payment: All obligations made pursuant to this Agreement are expressly subordinate to SHORELINE COMMUNITY's existing and future debt obligations that are secured by a pledge of tax increment, including future debt service obligations for debt that is yet to be issued. SHORLINE COMMUNITY's existing and future debt obligations have first call and priority on all SHORLINE COMMUNITY REVENUES.

Payments made pursuant to this Agreement may be suspended in whole or in part in the event of a financial, environmental, natural, or other disaster that preempts SHORELINE COMMUNITY's ability to make the payments. This determination shall be made solely and exclusively by SHORELINE COMMUNITY. Any suspension of payment pursuant to this provision shall be communicated by written notice from SHORELINE COMMUNITY to DISTRICTS no less than one (1) year prior to the intended date of suspension of payment.

4.2 Potential Claims for Revenues and Amendment: The payments set forth pursuant to this Agreement are exclusive and in lieu of any other potential claims for revenues from SHORELINE COMMUNITY for the term of this Agreement. In the event that the net benefit of the payments is diminished in whole or in part by the manner in which DISTRICTS are funded or are required to report these payments, this Agreement will need to be amended, if possible, before future payments are made. If the Parties cannot agree on an amendment, SHORELINE COMMUNITY reserves the right to discontinue payments until an acceptable amendment, if any, can be agreed upon by the Parties.

4.3 In consideration of the payments provided by SHORELINE COMMUNITY to the Education Enhancement Reserve in this Agreement, the SHORELINE COMMUNITY's specific commitments set forth in Section 4.1 of this Agreement, and the stated intent of SHORELINE COMMUNITY and the DISTRICTS to enter into a longer-term agreement that meets the purposes and obligations of the SHORELINE COMMUNITY and supports the DISTRICTS in fulfilling their critical role in providing education services to the future residents of the SHORELINE COMMUNITY, DISTRICTS covenant that DISTRICTS will not take any action or cause any action to be taken, including actions at law or administrative or legislative action to overturn, revoke, or change the financial structure of SHORELINE COMMUNITY provided in the Mountain View Shoreline Regional Park Community Act ("Shoreline Act") for the duration of this Agreement.

Furthermore, DISTRICTS understand and agree the payments described in Article III of this Agreement shall be modified as set forth herein if any of the following occur:

4.3.1. If subsequent events result in either DISTRICT receiving its full property tax allocation that would have been allocated by law to such DISTRICT in the absence of the existence of SHORELINE COMMUNITY, then each DISTRICT which received its full property tax allocation during a fiscal year shall not receive the payment described in Article III of this Agreement for that fiscal year; and/or

4.3.2. If a restructuring of SHORELINE COMMUNITY tax structure occurs, through legislative or legal changes, which results in the transfer to either DISTRICT of revenues historically received by SHORELINE COMMUNITY, the payment to each DISTRICT required under Article III of this Agreement will be reduced dollar-for-dollar equal to the amount of that transfer received by such DISTRICT during such fiscal year; and/or

4.3.3. If either DISTRICT files a legal challenge to the existence of SHORELINE COMMUNITY or the validity of any provision of the Shoreline Act or proposes legislation to overturn, revoke, or change the financing structure of SHORELINE COMMUNITY, or causes such action to be taken, in violation of the first paragraph of this Section 4.4, then the payment described under Article III of this Agreement to DISTRICT which filed the legal challenge, proposed the legislation, or caused such action to be taken, shall be suspended until such challenge or proposed legislation has been finally resolved.

4.4 Subject to Section 4.1 above and in the event that a third party files a legal challenge to the existence of SHORELINE COMMUNITY or the validity of any provision of the Shoreline Act or proposes legislation to overturn, revoke, or change the financing structure of SHORELINE COMMUNITY, the Parties hereto agree to meet and confer with each other to discuss the potential fiscal implications of such legal challenge or proposed legislation on SHORELINE COMMUNITY and SHORELINE COMMUNITY's ability to carry out its obligations hereunder.

ARTICLE V—DURATION

5.1 Term and Termination: This Agreement shall become effective upon execution by all Parties and shall supersede any prior agreements. This Agreement shall continue in full force and effect until June 30, 2035, provided SHORELINE COMMUNITY remains in existence. This Agreement may be extended by written agreement of all Parties on the same or different terms negotiated by the Parties so long as the Parties continue to negotiate in good faith.

ARTICLE VI—GENERAL PROVISIONS

Adjustment to the Percentage Change in Property Tax Revenues for the Calculation of the PTP

Beginning in the first year a NR-PTP is made, and every year thereafter, the property tax revenues calculated in Section 3.2 of the Education Enhancement Reserve Joint Powers Agreement shall be reduced by the New Residential Property Tax Revenues calculated in Section 3.3 of the Education Enhancement Reserve Joint Powers Agreement in order to prevent a double-counting of the property tax revenues that is the result of New Residential Development. The PTP shall be calculated annually by multiplying the prior fiscal year PTP by the adjusted percentage growth in property tax revenues as shown below, and subject to the provisions in Section 3.2 of the Education Enhancement Reserve Joint Powers Agreement.

An example of the calculations to adjust the percentage change in property tax revenues and calculate the total payments under Section 3.3 of the Education Enhancement Reserve Joint Powers Agreement is as follows (numbers are used for illustrative purposes only and are not to be considered a projection):
