SUBJECT: Visual Arts Committee Work Plan—Fiscal Year 2026-27

BACKGROUND AND ANALYSIS

City Council Policy A-23, Work Item Referral Process for Council Advisory Bodies and Councilmember Committees, requires all Council advisory bodies to annually prepare work plans for City Council review and approval. Based on direction provided by the City Manager’s Office, the format of the Visual Arts Committee’s proposed work plan requires identification of key milestones and dates to plan and monitor the Visual Arts Committee’s process in achieving its ongoing work items and the specific fiscal year tasks and responsibilities assigned to the Visual Arts Committee by the City Council.

The draft Visual Arts Committee Fiscal Year 2026-27 Work Plan is attached (Attachment 1). The proposed work plan integrates the role and responsibilities of the Visual Arts Committee and includes ongoing work items the Committee oversees annually, upcoming projects and programs that require review and discussion by the Committee, and specific work items for the new fiscal year. The Fiscal Year 2025-26 Work Plan is included as Attachment 2 to this memo.

Fiscal Year 2025-26 Accomplishments

 - o **Train Depot Art Installation:** The VAC Ad hoc committee partnered with Arts Mountain View to select and install works on March 30.
 - o VAC, PAC, DC Ad Hoc committee: Formed a joint ad hoc committee with the Performing Arts and Downtown Committees, resulting in a successful pilot artist reception and gallery talk with artist Don Hershman.
- **Outreach and Recruitment:**
 - o Expanded reach by leveraging relationships with SVCCreates, Local Color, Community School of Music and Arts, Freestyle Academy, and Artists Mountain View.
 - o Resulted in a 60% increase in Mountain View Center for the Performing Arts Exhibition application intake compared to the previous two years.

NEXT STEPS

Staff requests that the Visual Arts Committee provide input regarding items to be added to or deleted from the draft Fiscal Year 2026-27 Work Plan. Staff will make the revised edits and bring them back to the Visual Arts Committee for adoption. The adopted draft work plan must be presented, along with the other draft advisory work plans, to the City Council in fall 2026 for review and approval.
