CITY PROJECTS

20. **Downtown Precise Plan Comprehensive Update:** The update project includes a comprehensive update to the Downtown P(19) Precise Plan to align the plan to the City's vision for downtown. The update includes developing objective development standards, evaluating current design standards, land uses, parking, signage regulations, and other strategies. The process includes public outreach and Study Sessions with the Environmental Planning Commission and City Council.

Council provided input on the project scope, timeline, and community outreach plan at a Council Study Session on November 7, 2023 and authorized a professional services agreement for the project on May 28, 2024. Public outreach and the preparation of an existing conditions report will begin in Q3 2024. For further details, please refer to the project webpage: [Downtown Precise Plan Comprehensive Update](#).
